Play network and Internet content

HD video, photos, and music – they're on your computer, your USB drives, and the Internet. Now it's easy to play a whole world of Full-HD, 1080p media on your TV with the WD TV Live network-ready HD media player.

PUT YOUR LIFE ON IT®

# WD TV Live

## HD Media Player

View your favorite photos and videos on your big screen TV.

### Product Features

#### Turn your USB drive into an HD media player

Play content from most popular USB drives, digital cameras, camcorders, and portable media players.

#### Play videos, music, and photos from the Internet

Use the on-screen menus to connect to Internet sites like YouTube, Flickr, Live365, and Pandora. (Availability varies by country)

#### Full-HD 1080p video playback

Experience spectacular Full-HD video picture quality and crystal-clear digital audio.

#### Collect without limits

There's no limit to the size of your media collection; just add more USB drives for more space. Optimized to work with WD's My Passport™ portable drives.

#### Play a wide variety of file formats

Plays most popular file formats so you can instantly enjoy your media.

#### Easy navigation

Use the included remote control to navigate through your entertainment choices using our crisp, animated HD menus.

#### Access files anywhere on your home network

The Ethernet port lets you connect this player to your home network through a wired connection or optional wireless connection.
