The Kubik Evo

The Kubik Evo delivers superb quality sound with Microsoft PlayFX and up to 20 hours playtime from a single charge.

Only 10mm wide and weighing less than 35g, the Evo is compact and discreet.

View your music collection either by Artist, Album, Song or use the Explorer function to access the player's drive and view folders/albums as uploaded by the user. Music can be uploaded either automatically using Windows Media Player™ or manually by dragging and dropping your files to the player.

Product Features

1.8 Inch LCD Display - View photos, videos, e-books and more

Microsoft PlayFX Sound Enhancement Technology - Crystal clear music with 3D, Bass, Auto Volume (LEQ)

Ultra low power consumption - up to 20 hours playtime from a single charge
