1. Introduction

The website for the EMPOWER self-service portal, is: _

<https://iwp.empower-xl.com>

There are also a links to this page on the IWP homepage.

The opening page of the website looks like this:

From here you can:

- Have your password sent to you using the **Forgotten Password** tab
- See all the courses offered in a given semester using the **Course Catalog** tab

- (Note: you do not have to login to see the list of courses)
- c) Download this EMPOWER Student User Manual
 - d) Login to your account using your name and password.

2. Accessing your account:

Enter your username in the textbox above the label: **username**.

Enter your password in the textbox.

Your username and password should be typed using **all lowercase letters**.

After you enter your password and are logged in, you will see a screen similar to this one:

3. Changing your password

The first thing you should do the very first time you login to EMPOWER is to change your password using the **My Information** tab and selecting **Change Password**.

Follow the directions given to change your password to one you can easily remember.

5. Setting up your Welcome Screen

If you click the blue circle in the upper right hand corner of the OASIS login page (shown below), you will have the option to personalize your home page of OASIS. After you set your term, you can view your schedule for the term if you have one.

The “**Currently Set**” window will allow you to set the desired term more easily than the option described above.

The screenshot displays the OASIS Welcome Screen. At the top, a navigation bar includes links for Student Records, Financials, Settings and Searches, and My Information. On the left, a sidebar contains a 'Drag and drop to arrange portlets' instruction and three portlets: Advisors, Degree, and Weather Channel. A red arrow points to the 'Currently Set' window, which shows the user's current settings: User, Term: 2013FA, Dept, Crse, Sect, and Year: 2013. Below this are 'Holds' and 'Notes' sections, both indicating 'No Holds to Display' and 'No Notes to Read'. To the right, the 'Class Schedule' window is visible, showing a list of days (Monday through Sunday) and a specific class entry for Monday: IWP 644 (09/09/2013 -- 12/12/2013) at 06:30pm, MARL / MAP. A red arrow points to the blue circle icon in the top right corner of the screen, which is used to access the personalization options.

Dragging the **Degree** option to your Welcome screen gives you the following information about your declared majors and minors. This may be handy to always have available as reference each time you login.

If there are menus on your Welcome screen that you do not want, click on the red "X" in the box to hide it.

Be sure to click on the Green check mark in the upper right hand corner to save any changes that you make.

8. View your grade report

Select the term (#4).

Select **Student Records > Grading > Grade Report**.

The screenshot shows the 'Student Records' navigation menu. The 'Student Records' tab is selected. Under the 'Grading' section, the 'Grade Report' link is highlighted with a red arrow. Other sections visible include 'Schedule Information', 'Degree Information', 'Course Tools', and 'Inquiries'.

Here's a sample grade report. There is a **Printable Version** of this report, too.

The screenshot shows a sample Grade Report for Spring 2013. The report is filtered by User: [redacted], Term: 2013SP, Dept: [redacted], Crse: [redacted], Sect: [redacted], and Year: [redacted]. The report includes a table of Graduate Courses and a Term Totals row.

9. List of courses being offered for a semester

To obtain a list of courses being taught at Benedictine College in a given term, select **Student Records > Schedule Information > Course Schedule**.

The screenshot shows the 'Student Records' navigation menu. The 'Student Records' tab is selected. Under the 'Schedule Information' section, the 'Course Schedule' link is highlighted with a red arrow. Other sections visible include 'Grading', 'Degree Information', 'Course Tools', and 'Inquiries'.

At the right is the dialogue window that you'll get when you make this selection.

You must select a **Term**. The other selections are optional.

If you select only the term, this gives you a complete list of all classes taught at IWP.

You can look for courses taught at a certain time of day or on a specific day of the week, or those taught by a specific professor.

Choosing a selection on the **Session** option can be confusing unless you are looking for 2-credit courses that run for only 8 (weeks).

The red dot on the left side means that the class is full.

The **Detail** link on the right side of the screen provides important information about the class as shown here.

The **Detail** lists information like class fees, additional course requirements, or special information about the class such as instructor consent required to take the class.

10. Information about holds

If there is currently a hold on your account, you will not be able to drop or add a class, view your grades, or get a copy of your transcript. Current holds are listed on the Welcome page when you log in to EMPOWER. The holds are shown here on the left side of the Welcome page, but it may be in a different location if you have personalized your Welcome page.

11. Update personal information

If you have a change of address, get a new phone number, etc., you need to update your personal information. **Select My Information > Personal Information > Update Personal Information.**

We do not allow students to update their name without bringing official notification of a name change to the Office of the Registrar.

The screenshot shows the 'Update Personal Information' form. At the top, it says 'Update Personal Information'. Below that, there are filter options: 'Results filtered with: User: [redacted] Term: Dept: Crser: Sect: Year:'. There is a link 'Change filter parameters.' Below the filters, there are several input fields: 'Last Name:', 'First Name:', 'Middle:', 'Born: [mm/dd/yyyy]', 'Title:', 'Suffix:', 'Prior:', 'Address:', 'Phone:', and 'Relationship:'. There is also a button labeled 'Update Name'.

Notice that you can select to update your address, phone, or employment information as stored in EMPOWER and these will be reviewed up and updated.

Notice that the reasons why you were unable to enroll in these classes. For the examples shown, the reasons include: (Note that this is not an exhaustive list of reasons.)

1. *Course requisites not met* – you have not completed the prerequisites so you can't this this class.
2. *Time conflict* – will either have to drop this class or the class you're already enrolled in since both meet at the same time.
3. *Duplicating course* – you have already taken this course or are currently enrolled in the class. If you need to repeat the class due to a low grade, complete a paper registration form and contact the Dean for permission to be added to this class.

Another reason a course could be pending is that it is waiting for consent from the instructor. If this is the case, you need to contact the instructor and ask him or her to approve you for the course. After the instructor gives approval, you must return to this screen and hit the **"Reprocess Pending"** button. The course will then move from **Pending** to **Successful Registration** if there are seats available in the class and all pre-requisites have been met.

Clicking on the **Delete** link will remove these courses.

To add another class, just click on **Add Courses** and repeat the process as above. You can do this as many times as you wish.

Wait list Information

All of these **Pending** courses shown in this example (see next page) have the **WL** symbol to show that the student is currently on the wait list for each of these courses.

20. Degree Audit

A degree audit allows you to see you're the courses you've taken and how they fulfill core education, specialization, and elective requirements. You can access your degree audit by selecting **Student Records > Degree Information > Degree Audit**.

Before you run your degree audit, be sure to Set the Term to "blank" or to your first semester at IWP. For instructions on how to Set the semester/term, see page 5 of this manual.

IMPORTANT DISCLAIMER

This is not an official degree audit. It is meant as a useful tool. You should keep track of the classes that you have taken and plan to take the core education requirements, electives, and the requirements for your specialization (if applicable).

This audit is set up to keep track of the 52 credit hours you are required to take. It may not reflect any course substitutions or waivers that you have been approved to take.

Classes that you take for audit will appear on here as if they are for credit, but they are NOT and will not fulfill ANY graduation requirement.

If you find errors in your degree audit, please contact the Registrar right away. We would like to correct any mistakes so that this is a more reliable tool for students to use.

Your Degree Audit is correct as of **06/14/2013**
Press Here to View Degree Audit [Degree Audit](#)

Click on **Degree Audit** button to view your degree audit. **Even though there is a printable version, please do not print this report as it will be 18 or more pages long!**

There is a note at the bottom of the screen that says you can request an updated degree audit, but this is incorrect. We will run an audit update for all students sometime during the first week of each month.

Since the audit is so large, it has a show/hide option. Please click Show for each section you'd like to see.

(Hide/Show Major)

(Show/Hide Totals)

(Show/Hide Audit Class)

(Show/Hide Electives)

The Major area will list your major, catalog year, and specialization.

The Totals area will display your cumulative totals (credits, GPA, etc.) and will also let you know if all graduation requirements have been met.

The Audit Class area will have subgroups that you can also click on to Show or Hide. Each subgroup that you view (Core Courses, areas of Specialization, or Electives) will show you whether you've met the requirements of that group. You can show "NeedHave" in each of these areas to see which courses are required for this area and which of the required courses you've completed.

The *Elective* courses are listed at the very bottom of the degree audit. These may be actual electives or extra courses that you've taken that may not "fit" within your degree requirements. If you've been approved for a course substitution or waiver, these courses may appear as well.

Study this degree audit carefully. There is a lot of information here that can be helpful when planning your future semesters at IWP.

Every effort has been made to ensure that this document is accurate. If you notice any errors, please contact the Registrar, Hasanna Tyus at htyus@iwp.edu.
