# Goodmans SET TOP BOX

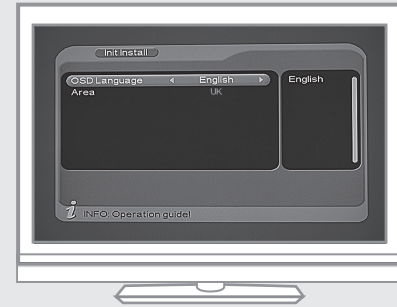

## GETTING STARTED:

Follow the instructions below to connect and power on the set top box.

- a** Take the antenna coax cable and connect it to the ANT IN connector on the back panel of the set top box.
- b** Connect a scart cable (not supplied) between the SCART-TV socket on the back panel of the set top box and the scart socket on your TV
- c** Plug the mains lead into an available socket.
- d** Insert batteries (AAA) into the remote control. Ensuring the + and - marks match.

## FIRST TIME INSTALLATION:

- a** When connected correctly, the first time you power on the set top box you will see the above screen.
- b** Use the ▲ / ▼ buttons to navigate up or down and the ◀ / ▶ buttons to change the options. When complete press the ENTER button.
- c** To complete the installation use the ◀ / ▶ buttons to select YES and then press the ENTER button.
- d** A channel search will begin automatically and list the available stations. If multiple transmitters are available, select from the pop up menu using the ▲ / ▼ buttons, and press ENTER.
