Warning: Never use this appliance when the suction power becomes very weak. When this happens, please check if the dust cup is full (empty the cup when full); Then check both filters if they are dirty (see MAINTENANCE); At last check the floor brush, tube, hose if any part is jammed.

Don't use the appliance until it comes normal. If the problem remains, please contact your nearest KORYO authorised service centre.

If the mains cord is damaged, it must be replaced by the company or its authorised service agent or a similarly qualified person in order to avoid a hazard.

E-WASTE DISPOSAL

This symbol on the product or on the container indicates that this product cannot be eliminated with the general waste. The user is responsible for eliminating this kind of waste by throwing them away at a "recycling point" specifically for electrical and electronic waste. Selective collection and electrical equipment recycling contribute to preserve natural resources and warrant waste recycling to protect environment and health.

In order to receive further information about electrical and electronic waste collecting and recycling, contact your Local Council, the service of household waste or the establishment where the product was acquired.

WARRANTY

This product comes with a warranty of 12 months from the date of purchase as specified on the warranty card. This is against all defective material or workmanship.

In the event of a defect developing in the product, contact Future Retail Limited or Koryo Authorised Service Centre and provide information about the defect, the model number and serial number of the product.

THIS WARRANTY IS VOID IF

1. The completed warranty card is not presented to the authorised personnel at the time of servicing of the product.
2. The product is not operated according to the instructions given in the user manual.
3. Defects are caused by improper or reckless use.
4. Modifications or alterations have been made to the product or if the product has been tampered with, in any manner whatsoever.
5. Repairs of the product are carried out by anyone other than an authorised company representative.
6. For defects other than faulty parts or workmanship such as damage due to lightning, abnormal voltage, spillages, dust, accidental damage, etc.
7. The serial number is deleted or altered.
8. Used for any non-domestic purpose.

OTHER TERMS AND CONDITIONS

1. Repairs or replacement will be carried out either by a Future Retail Limited authorised customer care centre or by a representative.
2. All expenses incurred in collecting the unit(s) or part(s) thereof from the Customer Service Centre, as well as any other expenses and incidentals will be borne by the customer.
3. Whilst the company will make every effort to carry out repairs at the earliest, it is made expressly clear that the company is under no obligation to do so in a specified period of time.
4. The company or its authorised customer centre reserves the right to retain any part(s) or component(s) replaced at its discretion, in the event of a defect being noticed in the equipment during the warranty
