I. Common

I.1 Navigation on the website

All the WebPages of the Cambodia Health Research Portal are composed of the same header, access point to the main WebPages of the portal (*frame 1 of the above example*), and right column (*frame 2 of the above example*).

The variable part of all WebPages, which contains specific information, is therefore at their centre (*frame 3 of the above example*). On the top of this part is your current position in the arborescence of the website. The second line is the title of the webpage.

I.1.a The Header

The header is the access point to the main WebPages of the website. This header, present on the top of absolutely every WebPages of the website, is composed of various “tabs” (main links). Click on one of this tab to access to the concerned main webpage:

- **Home:** You will access the Home Page of the website. It contains the welcome message and last announcements made by the committees.
- **About this portal:** This webpage contains divers information concerning the Ethics Review Committee(s), the Standard Operating Procedures or User Guides for the website.
- **Log In:** If you possess an account within this website you can log in through this webpage.
- **Register:** If you don't possess any account within this website you can register through this webpage.
- **Past & Ongoing Research:** Via this tab you can access to all the past & ongoing health researches registered in the website.
- **Announcements:** By clicking on this tab you will access to all the announcements made by the Ethics Review Committee(s).

If you possess an account within this website and are logged in, the header slightly change:

The tab “User Home” replaces the two tabs “Log In” and “Register”. This new tab allows you to access to all the functionalities gave to your account. As an example, if you are an investigator/researcher and want to submit a research proposal, you should find a link on this webpage.

Cambodia Health Research Portal User Manual for Investigator

This page is the first step of a new submission. You firstly need to choose to which Ethical Committee you want to submit your proposal. If a student enrolled in UHS, or affiliated with UHS, submits the proposal, or if UHS staff conducts the research, please select the **“Ethical Committee of the University of Health Sciences”**. But if the research is conducted with an external partner (not in collaboration with UHS) or Cambodian ministry of health staff including NIOPH staff, please select the **“National Ethical Committee for Health Research”**.

For reviewing the proposal, the Cambodian Ministry of Health request you to provide final report of the research study (both electronic and a hard copy) no later than 12 months of completion of data collection/field work to Cambodian Ministry of Health through this website. This is a requirement for submitting a proposal. If you agree please check the “Checkbox”.

The Cambodian Ministry of Health also request you provide the complete raw data set used for final analysis of the research study (both electronic and hard copy) no later than 12 months of completion of data collection/field work. If you agree, please check this second “checkbox” and click on the **“Save and continue”** button.

Your proposal will then be saved into the database as a draft proposal. It will appear in the “Active proposals” table of the “Active” subpage of the “Submissions” webpage and you will be able to continue the steps of the submission whenever you want. As a “draft” proposal, your submission will not be accessible by the Ethics Review Committees.

If you want to leave this page without saving please click on the **“Cancel”** button.

II.3.b Step 2 – Entering the Metadata

During the step 2 of the submission of a proposal you will be asked to fill the main proposal's metadata. The main proposal's metadata is made up of 3 different parts:

Investigator and Co-INVESTIGATOR (s)

These data concern the investigator of the research. You are asked to fill the name, middle name, last name, e-mail fields and the phone number of the investigator. Most of the time the investigator is the user logged in: you. Therefore to facilitate your work into this webpage the Cambodia Health Research Portal automatically fill these fields with your data. If you are not the investigator either if these data are incorrect please correct them by clicking on the desired field.

You may want to add co-investigator(s) for the research. For adding a co-investigator please click on the **“Add a Co-Investigator”** button. You can add up to 3 co-investigators.

Choose File no file selected Upload

Save and continue Cancel

You firstly need to select the type of file you want to upload. Selecting multiple options is possible by holding down the “CTRL” button of your keyboard (or “CMD” button if you are using a Macintosh) and clicking on desired options. If you select “Other” on this menu a new field appears on its right. In this case please specify the file type you want to upload.

As in step 3, for uploading a supplementary file you need to open a “Choose File” window by clicking on the “Browse” button, to locate your file and to upload it with the “Upload” button.

Each supplementary file uploaded will appear into the table above the “file type” selection menu:

TITLE	ORIGINAL FILE NAME	DATE UPLOADED	ACTION
Other ERC Decision	Other ERC Decision for My Proposal.pdf	10-11	DELETE
CV of Principal Investigator	My CV.pdf	10-11	DELETE
Summary	Summary Of My Proposal.pdf	10-11	DELETE
