Multifunction Printer

Xerox® WorkCentre™ 3655 Multifunction Printer

Stay one step ahead.

**In order to stay competitive
you need to do more – for
less.**

Processes need to be simplified. People need to work more productively and the solution needs to be cost effective. Xerox can help you do that.

As your technology partner, Xerox understands that success is measured by results. Xerox will build a total solution to resolve your challenges and help you meet your goals, offering you innovative ways to maximise efficiency and minimise costs.

Giving you the time to concentrate on what matters. Your business. The solution: Xerox® ConnectKey® Technology and our Xerox® WorkCentre™ 3655.

A better way of working.

It's not enough to keep up with the competition. The Xerox® WorkCentre™ 3655 provides you with the technology to simplify routine tasks, automate workflows all while making your team more efficient and therefore more productive.

- **Install, upgrade and manage devices from a single print driver.** Xerox® Global Print Driver® provides a consistent, easy to use interface that allows IT administrators to monitor and manage Xerox® and non-Xerox devices while reducing support calls and simplifying print services management.
- **Your print job, your priority.** The Print Around feature eliminates extended printing delays by holding a job in need of resources (such as a different paper size) and printing the next job in the queue.
- **Speed up your setup.** Clone and distribute Xerox® WorkCentre™ 3655 device configurations, eliminating the need to address each device individually.
- **Single Touch Scan.** Use the Single Touch Scan feature to create a dedicated, easy-to-locate scan button directly on the colour touch screen interface. Assign the Single Touch Scan button its own scanning workflow for fast document distribution and archiving.

Extend Your Possibilities

Whether scanning and managing documents on your office network or a hosted cloud on the Internet, you can access scan workflow solutions right from any WorkCentre 3655 thanks to the power of Xerox® Workflow Solutions*, built on our Xerox Extensible Interface Platform®.

- **Xerox® ConnectKey® for SharePoint® or Xerox® ConnectKey® for DocuShare®.** Scan files directly into Microsoft® SharePoint or Xerox® DocuShare® and other Windows® folders. Plus, you'll go beyond basic file storage and PDF creation by automatically converting documents to intelligent, structured data with easy file naming and routing tools.
- **Xerox® ConnectKey® Share to Cloud.** Provides easy, secure, scalable scanning to popular cloud-based repositories such as Google Docs™, Salesforce.com, Office 365 and Dropbox™, using custom-designed workflows that leverage our Xerox Extensible Interface Platform® technology.

Learn more about Xerox® Workflow Solutions at www.office.xerox.com/software-solutions.

* Optional solutions may vary by region.

Secure your data.

Don't compromise your data. Safeguard your devices, your data and your business with the most comprehensive range of features, technologies and solutions from security industry leaders to ensure your data remains solely yours.

- **Protect your confidential information.** Safeguard all sensitive data with encrypted PDF files for scanning; hard drive encryption, compliant with the 256-bit AES FIPS 140-2 standard; and Image Overwrite with a 3-pass scrub process to ensure total deletion of all data fragments.
- **Prevent unauthorised access.** Prevent unauthorised access to the device by using network authentication with or without convenience authentication via Magstripe, proximity and Smart card (CAC/PIV/.Net) readers, Xerox® user permissions role-based and function-level login and IP Filtering.
- **Proactive threat management.** Monitors new vulnerabilities and provides patches when necessary, ensuring your equipment stays current and your data is kept safe. Plus, you can receive up-to-the-minute updates via RSS feeds and stay informed via www.xerox.com/security.

- **Stay compliant with regulations.** WorkCentre 3655 devices comply with the latest security standards across industries, including government, finance and healthcare. These include Common Criteria, HIPAA, Data Protection Act, COBIT and more. These devices can conform to any standard, with controls available to match your needs.
- **Gain complete visibility.** Prevent IP theft and ensure non-repudiation by having total visibility into the device and network. With security policy management and tracking of all activity on the device with Audit Log, you know who accessed what and when.
- **Secure Print.** This feature requires users to enter a passcode to enable the printing process. Documents not printed within a specified time will be deleted.

Powerful Partnerships

The WorkCentre 3655 includes McAfee® technology integration, resulting in the industry's first line up of multifunction printers that protect themselves from potential outside threats. McAfee's whitelisting technology ensures only safe, pre-approved files run on your devices, minimising the need to manually update software levels against new security threats. Also, seamless integration with the Xerox® Managed Print Services toolset and McAfee ePolicy (ePO) allows for easy tracking and monitoring.

Plus, automatic Cisco® TrustSec Identity Services Engine (ISE) integration provides comprehensive visibility of all ConnectKey-enabled multifunction printers' endpoints to enforce IT-centric security policies and compliance.

Work from anywhere.

Your office is wherever you are. Work where you want and when you want without missing a beat. The Xerox® WorkCentre™ 3655 is accessible, easy to use, convenient and enables you to work faster. Stay seamlessly connected to the tools that help you do business. No matter where you are.

- **Convert paper documents.** Scan documents to create text-searchable PDFs, single and multipage PDFs, and ISO standard PDF-A document for easy archiving, organising and searching.
- **Simplifying day-to-day tasks.** The WorkCentre 3655 provides a high level of support for specialised print applications. Including Annotation, Bates Stamping, ID Card Copy, tab print capability and page-level programming.
- **Apple® AirPrint.** Print email, photos and important office documents directly from your Apple iPhone® or iPad® with no drivers to install and no cables to connect. With AirPrint, your iPhone or iPad automatically locates and connects to the AirPrint-enabled WorkCentre 3655 device over your office Wi-Fi network.
- **Leading-edge colour touch screen user interface.** Provides the comfortable look and feel Xerox is known for and features bright, intuitive icons and easy access to all major functions directly from the home screen.
- **Connect wirelessly.** Optional Wi-Fi connectivity lets administrators connect the WorkCentre 3655 anywhere, without the need for network cabling.
- **Mopria™ certified.** Mopria certification simplifies the mobile printing experience for tablets and smartphones to many printing devices, including the WorkCentre 3655 Multifunction Printer.

Remote Monitoring and Management

The Remote Control Panel feature lets you operate the WorkCentre 3655 user interface from any office workstation as though you were standing at the device. Remotely train users and configure device settings with the peace of mind that integrated security allows only a single authorised operation at a time to prevent multiple remote procedures.

Xerox® ConnectKey Apps open up new possibilities.

- **Communicate with ease.** Deploy informational apps, such as promotions and company messages that appear on the multifunction printer's user interface. Include text and graphics, as well as logos and QR codes.
- **Remove complexity from repetitive workflows.** Create quick and easy workflows or shortcuts by adding them to the top level of the user interface for added convenience and faster access.
- **Leverage your investment.** Extend the capability of the Xerox® WorkCentre™ 3655 without the need for servers, software or user training.

Steps in a Typical Customer Workflow

Streamlined Workflow Using Xerox® ConnectKey® Apps

Key Benefits of Streamlining the Workflow Using ConnectKey Apps

- Fewer steps for the customer to make on the same workflow, therefore, avoiding potential mistakes.
- Requires less training to perform company-wide workflows.
- Immediate secure access to images and data.

- 1 60-sheet Duplex Automatic Document Feeder accepts custom media sizes from 139.7 x 139.7 mm to 216 x 356 mm.
- 2 The WorkCentre 3655 includes a 7-inch touch screen with easily understood instructions and help screens to streamline walkup operations.
- 3 An easily accessible USB port allows users to quickly print from or scan to any standard USB memory device.
- 4 250-sheet output tray with tray-full sensor.
- 5 The Convenience Stapler staples up to 20 sheets of 75 gsm media (Exclusively available on WorkCentre 3655/X).
- 6 150-sheet Bypass Tray handles custom media sizes from 76.2 x 127 mm to 216 x 356 mm.

- 7 The standard 550-sheet paper tray handles media sizes from 139.7 x 210 mm to 216 x 356 mm.
- 8 Choose up to 3 additional 550-sheet paper trays for media sizes from 139.7 x 210 mm to 216 x 356 mm (optional), increasing the total paper capacity to 2,350 sheets.
- 9 Optional stand provides storage for toner cartridges, paper and other supplies.

Xerox® WorkCentre™ 3655 Optimised for:

The WorkCentre 3655 Multifunction Printer is built on Xerox® ConnectKey® Technology. For more information, go to www.xerox.com/connectkey.

Device Specifications		WorkCentre 3655/S	WorkCentre 3655/X
Speed		Up to 45 ppm A4	
Duty Cycle		Up to 150,000 pages / month ¹	
Hard Drive / Processor / Memory		Minimum 250 GB / 1 GHz Dual-core / 2 GB	
Connectivity		10/100/1000Base-T Ethernet, High-Speed USB 2.0 Direct Print, Optional Wi-Fi (with Wireless Connectivity Kit)	
Controller Features		Unified Address Book, Remote Control Panel, Online Support (accessed from the user interface and print driver), Configuration Cloning	
Copy and Print			
Copy and Print Resolution		Copy: Up to 600 x 600 dpi; Print: Up to 1200 x 1200 dpi	
First-print-out Time (as fast as)		Copy: As fast as 12 seconds; Print: As fast as 8 seconds	
Page Description Languages		Adobe® PostScript® 3™, PDF, PCL® 5c / PCL 6, XML Paper Specification (XPS®)	
Print Features		Print from USB, Earth Smart Driver Settings, Store and Recall Driver Settings, Bidirectional Status, Smart Duplex, Automatic Two-sided, Booklet Printing, Proof Print, N-up, Print Around	
Mobile Printing		Apple® AirPrint, Xerox® Mobile Print Solution (Optional), Xerox® Mobile Print Cloud (Optional), Xerox® PrintBack, Mopria™ certified	
Scan	Standard	Speed: up to 32 ipm colour/up to 54 ipm black and white; Destinations: Scan to Mailbox; Scan to USB, Scan to Email, Scan to Network; File Formats: PDF, PDF/A, XPS, JPEG, TIFF; Convenience Features: Scan to Home, Single Touch Scan, Searchable PDF, Single/Multi-Page PDF / XPS / TIFF, Encrypted / Password Protected PDF, Linearised PDF / PDF/A	
	Optional	Software packages: ConnectKey® for SharePoint®, ConnectKey® for DocuShare®, ConnectKey® Share to Cloud, Xerox® Scan to PC Desktop® SE and Professional	
Fax		Internet Fax, Server Fax	Embedded Fax ² , LAN Fax, Internet Fax, Server Fax
Security	Standard	McAfee® Embedded, McAfee ePolicy (ePO) Compatible, Hard Drive Image Overwrite, 256-bit Encryption (FIPS 140-2 compliant), Common Criteria Certification (ISO 15408), Secure Print, Secure Fax, Secure Email, Cisco® TrustSec Identity Services Engine (ISE) Integration, Network Authentication, SSL, SNMPv3, Audit Log, Access Controls, User Permissions	
	Optional	McAfee Integrity Control, Xerox Secure Access Unified ID System®, Smart Card Enablement Kit (CAC/PIV.NET)	
Accounting	Standard	Xerox® Standard Accounting (Copy, Print, Scan, Fax, Email), Network Accounting Enablement	
	Optional	Equitrac Express®, Equitrac Office®, Equitrac Professional®, YSoft® SafeQ®	
Paper Input	Standard	Duplex Automatic Document Feeder: 60 sheets; Custom sizes: 139.7 x 139.7 mm to 216 x 356 mm Bypass Tray: 150 sheets; Custom sizes: 76.2 x 127 mm to 216 x 356 mm Tray 1: 550 sheets; Custom sizes: 139.7 x 210 mm to 216 x 356 mm	
	Optional	Up to 3 Additional Trays: 550 sheets each; Custom sizes: 139.7 x 210 mm to 216 x 356 mm	
Total Capacity (Std. / max.)		700 / 2,350 sheets	
Paper Output	Standard	250-sheet output tray with tray-full sensor	
Finishing		NA	Offline Convenience Stapler: 20-sheet, single position
Warranty		One-year on-site warranty ³	

¹ Maximum volume capacity expected in any one month. Not expected to be sustained on a regular basis. ² Requires analogue phone line. ³ Products purchased under a Page Pack/e-Click agreement do not carry a warranty. Please refer to your service agreement for full details of your enhanced service package.

Device Management

Xerox® CentreWare® Internet Services, Xerox® CentreWare® Web, Apple® Bonjour®, Low supplies email alerts

Print Drivers

Windows® XP/2003 Server/2008 Server/2012 Server/
Vista/7/8/9, Mac OS® 10.5 and higher, Oracle® Solaris 9, 10,
Redhat® Enterprise Linux®, Fedora® Core 12-15, HP-UX® 11iv2,
IBM® AIX® 5, SUSE®, Xerox® Global Print Driver®,

What Comes in the Box

- WorkCentre 3655 Multifunction Printer
- Toner Cartridge (6,100 page capacity*)
- Quick Installation Guide, Product Information Guide, Driver CD,
Documentation CD (User Manual, System Admin Guide)
- Power Cable

Supplies and Options

Standard Toner Cartridge: 6,100 pages*	106R02736
High Capacity Toner Cartridge: 14,400 pages*	106R02738
Extra-high Capacity Toner Cartridge: 25,900 pages*	106R02740
Drum Cartridge: 85,000 pages**	113R00773
Staple Cartridge (3,000 staples)	108R00823
550-sheet Feeder	097504625
Stand	497K14670

*Average standard pages. Declared Yield in accordance with
ISO/IEC19752. Yield will vary based on image, area coverage
and print mode

**Approximate pages. Declared Yield based on A4 75 gsm pages.
Yield will vary based on media type, size, weight, orientation and
usage patterns.
