

ClarityHD Precision Micro Bluetooth

Speaker 100

QUICK LOOK

- Ultra-compact, high performance Bluetooth speaker delivers best-in-class wireless stereo sound.
- Optimized for Blackberry devices, smartphones, netbooks and notebook PCs.
- Built-in mic with advanced noise cancellation enables clear wireless hands-free calling and conferencing.
- Rechargeable Lithium Ion batteries power up to 5 hours of play time at full volume on a single charge.
- Connects to iPod or any device with a 3.5 mm headphone port using a mini-jack cable (cable not included).

FEATURES

Listen in High Definition to your Blackberry or PC while on the go

Never before has such big sound come from such a small package. Just connect your Blackberry or PC via Bluetooth or 3.5 mm minijack cable and enjoy unbelievably clear, room filling music.

Ultra-Clear Noise-canceling Bluetooth Speakerphone for Hands-free Calls and Skype or Other Voice/video Chats

ClarityHD Precision Micro Bluetooth Speaker is an incredibly flexible wireless speakerphone solution. You'll get near lifelike hands-free calls on your Blackberry and even for Skype or iChat voice/video chats on your Bluetooth equipped PC. The built-in mic with advanced noise-canceling let's you use it for instant conference calls in the office—or anywhere you are. You can even use it in your car and still be clearly heard.

Portability that Gives You the Ultimate in Convenience

Small enough to fit in the palm of your hand, ClarityHD Precision Micro Bluetooth Speaker stores easily in your laptop bag or luggage. It's the perfect mobile solution for enjoying hands-free calling and incredible sounding music on the go.
