Smart 350p Embellisher

- The Smart 350p is not a sewing machine. Instead of using thread, it works with several specially shaped needles. Just lay two or more materials on top of one another and you're ready to go. The needles of Smart 350p meshes the fibres together.
- The Smart 350p has the exclusive **Auto Needle Up** feature that makes it easy to work with felting, the needles stays in the up position every time you stop by pressing the foot control.
- **Needle Guard**
- **Slender free arm**, great for projects on sleeves, trouser legs, small necklines, bags etc.
- **Change individual needles.**

IDT
Absolutely even fabric feed from both the top and bottom!

Absolutely even fabric feed from both the top and bottom! During sewing, the fabric is fed simultaneously from both the top and bottom. Absolutely nothing can slip when working with fine fabrics or several layers (it's also wonderful for quilting). Even long lengths of heavy fabrics (typical for home decorating projects) can easily be sewn from beginning to end. IDT guarantees that the feed dogs are perfectly synchronised –

you can even sew in reverse with IDT engaged!

Inspira Fab-U-Motion

The healthy alternative for all your free motion sewing!

The ergonomically designed Fab-U-Motion eliminates the stress of neck and back strain of free motion sewing & quilting. No more pushing or gripping the fabric under the needles - your hands, wrists, arms, shoulders and neck will be free of strain & pain!

Free motion sewing on any brand machine model with finger tip touch! Great alternative for quilters with limited space!

No Strain ever again!!
Fits any brand machine!

The Narrow Edge Foot - perfect for precision topstitching
The metal guide in the center of the foot keeps the two fabrics evenly spaced.

Lovely free-motion effects!
The Open Toe Free-motion Foot from Pfaff is wonderful for free-motion stitching. It has an extra-large opening cut out in the front to give you an optimal view while working. Just lower the feed dogs and move the fabric any way you wish.

Achieve perfect 1/4 inch pieced seams!
The Clear 1/4 inch Right Guide Foot Simply run the fabric edge along the guide. The clear foot gives great visibility when sewing. The distance between the needle and the right guide is 1/4 inch.

Great for joining pieces of fabric!
The Clear 1/4 inch Quilting Foot from Pfaff. It gives clear visibility when sewing 1/4, 1/8 and 3/8 inch seams.

Chenille Foot
Embellish your projects with Chenille effects using the Chenille Foot. This foot will easily guide and stitch layers of chenille strips wherever you want a chenille effect. Great for embellishing clothes and home dec. See instore for our range of 16 colour chenille-it strips available!

Creative Bobbin Case
Create beautiful bobbin work, also called reverse decorative stitch embroidery, with the creative Bobbin Case.

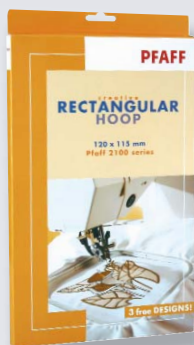

Decorative Trim Foot
Embellish your project with different types of trims by using the Decorative Trim Foot. This foot will easily guide the trims through the opening at the front and through the groove under the presser foot.

Adjustable Guide foot
The Adjustable guide foot with IDT guides your topstitching and decorative stitching perfectly. The presser foot has a "ruler" with an adjustable guide designed so you can place the guide anywhere you want.

More embroidery fun with the right accessories!

creative RECTANGULAR HOOP
120 x 115 mm
The creative Rectangular Hoop is ideal for smaller pieces of fabric or fabrics with a striped or diagonal pattern. This hoop is available as an optional accessory from your authorized Pfaff dealer.

Embroider a design beyond the dimensions of your hoop without having to repeatedly re-hoop your fabric! Pfaff has developed an embroidery hoop twice as large as standard hoops - with an embroidery surface of 250 x 225 mm! The creative GRAND HOOP.
