

performance²⁰⁵⁸

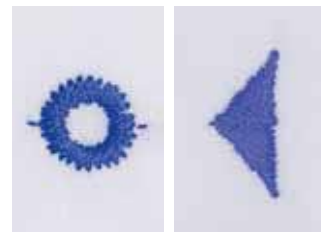

Only from Pfaff!

The secret of perfect buttonholes is the unique Sensomatic Buttonhole, exclusively from Pfaff. It "feels" each fabric. The result is consistent, even buttonholes every time. The Pfaff performance²⁰⁵⁸ lets you save your buttonhole to repeat it as often as needed. It's the ultimate in sewing convenience!

Choose from 12 different buttonholes,

including the professional Pfaff performance²⁰⁵⁸ keyhole buttonhole. No matter if you are sewing on fine silk, heavy denim, or a pile fabric like velvet - each buttonhole will be perfect.

Bartacks and eyelets!

performance²⁰⁵⁸ has even the smallest details, such as decorative bartacks and eyelets!

Tapering - the gradual narrowing of a zigzag stitch - is a fantastic method for forming precise points and corners.

All features at a glance!

Only from Pfaff:

IDT™ – absolutely even fabric feed from both the top and bottom. Only Pfaff has the IDT™ built into the machine.

Only from Pfaff: German Engineering and Innovative Design!

Large high resolution touch screen allows for easy access to stitches and functions. Change the stitch length, or width and see the changes right before your eyes.

performance²⁰⁵⁸ programs

“Single stitch” program – Program the exact number of stitches or stitch sequences you want to sew. Sewing stops automatically after the last stitch and the seam is tied off.

“Tie off” program – Secure the beginning and end of the seam automatically!

“Needle up/down” program – The needle remains in the down position, while the presser foot is automatically raised, for easy pivoting in any thickness of fabric.

“Patchwork” program – Sew your seam. The seam length will be remembered so you can sew it over and over.

“Free-motion” program – for all of your stippling, free-motion and darning needs. The correct presser foot height is automatically set for you.

“Twin needle” – The screen always shows when a twin needle can be used for a stitch.

“Express Sequence” function – Test sew your stitch sequences with the “Express Sequence” function.

Save your individual patterns and **stitch sequences** in one of **50 memories!**

Use the **Electronic Knee Lift** to free your hands for easy guiding of garments, quilts or any project. The presser foot is raised and lowered at your command.

Program the **automatic presser foot lift** directly on the touchscreen.

The presser foot is raised automatically when sewing stops!

“Sew slow” function reduces speed when sewing gets difficult.

For each stitch **the optimal settings** for length and width **are already set**. Settings can be adjusted if needed.

Mirror patterns for more stitch variety with the “Pattern mirroring” function.

All the **stitches are clearly displayed inside the lid!**

“Snap on” – **fast change for presser feet and needle plates** – simply snap on and off!

Easily accessible thread cutter – easy to reach on the side of your performance²⁰⁵⁸.

Bobbin winding through needle is so easy! No need to rethread. Winding stops as soon as the bobbin is full.

Sew on buttons easily with the special button sewing function!

Large accessory tray in the swing-out compartment! The most common accessories are included with the machine: Standard Presser Foot, Fancy Stitch Foot, Blindhem Foot, Rolled Hem Foot, Edge Guide/Quilting Guide, Buttonhole Foot, Darning Foot, bobbins, etc. Individual compartments **keep everything handy**.

An **adhering base plate** makes your performance²⁰⁵⁸ stand securely in place.

Hard cover! To protect your performance²⁰⁵⁸ when not in use.

Easy needle threading!

No more searching for the needle's eye. Just lay the thread in place and start sewing, thanks to the integrated needle threader!

Many needle positions!

For precise topstitching, without having to move the fabric. Perfect for sewing zippers in place.

Information at the touch of a button!

Just touch the Info button and important sewing recommendations appear in the window – such as the recommended presser foot, how to sew buttonholes and much more...

Lower the feed dogs from the front of the machine!

Ideal for darning, free-motion embroidery or quilting – the feed dogs can be comfortably lowered from the front of the machine.

Extra high presser foot clearance!

High presser foot clearance makes room for heavy fabrics or several layers of fabric!

Easy operating with stylus!

Included with the machine as one of many extra accessories!

Constant needle piercing power!

Even when you sew slow, with thick fabrics or through several layers of fabric.

Permanent reverse at the touch of a button! Leave your hands free to guide your project!
