## DESCRIPTION

The MSK-146BL-4 is designed to run at speeds up to 2,500 rpm. This makes it suitable for sewing applications where productivity is important.

The ability of the MSK-146BL-4 to handle a wide variety of sewing tasks makes it a very flexible machine for any sewing environment where a zig-zag stitch is required for heavier material.

## BEST USED FOR

Sails  
Bags  
Leather, canvas  
Synthetic textiles
