Needle system #	135 x 17
Thread take-up stroke	59.6 mm
Diameter of bed size	47 mm
Hook type	Rotary - 1.4x capacity
Lubrication	Manual
Warranty	Reliable™ 1 Year Warranty

DESCRIPTION

The MSK-335B single needle, cylinder bed compound feed walking foot sewing machine with vibrating binder is ideal for sewing leather, canvas, synthetics and other medium to heavy weight fabric that need a cylinder bed and a vibrating binder.

With its powerful feeding system (top and bottom feed) higher pressure foot lift and longer stitch length, the MSK-335B can easily sew heavy materials with heavier thread.

The moving (vibrating) binder ensures an excellent quality stitch, and eliminates the “roping effect” caused by poor feeding.

BEST USED FOR

Seating
Leather bags
Oven mitts

FEATURES

- Japanese Hirose® brand 1.4x capacity large sewing hook
- Built-in bobbin winder
- Low noise, low vibration design
- 2,400 rpm high-speed operation
- Stitch dial regulator
