DESCRIPTION

The MSK-8600B single needle, compound feed walking foot sewing machine is ideal for sewing leather, upholstery, canvas, synthetics and other medium to heavy weight fabric.

With its powerful feeding system (top and bottom feed) higher pressure foot lift and longer stitch length, the MSK-8600B can easily sew heavy materials with heavier thread.

BEST USED FOR

Leather, canvas and synthetic materials
Upholstery, boat tops
Tarpaulins, awnings, tents
