

**X-mini™**  
Sound Beyond Size  
**V1.1**

Audio Revolution In A Box

## Introduction

Congratulations on your purchase of a X-mini™ product. The X-mini™ v1.1 Capsule speaker comes with vastly improved features yet retaining the best characteristics from its predecessors; it now comes with a protective cover to protect the tweeter, and when opened up helps to direct sound towards the user, bringing a greater audio experience to its user.

Introducing a smaller 36mm driver, the X-mini™ v1.1 projects richer and crisper sounds resulting in a greater user experience from its innovative capsule design and size. Be it for individual or group entertainment, the X-mini™ v1.1 is the perfect enhancement to your own music jukebox.

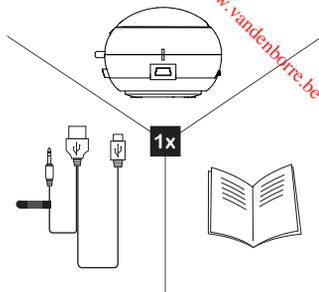

### Safety Rules

- 1) Please follow the rules depicted in this manual closely to ensure your safety. Before using the speaker, we would strongly encourage you to read through this user manual.
- 2) Be more wary of any edges, uneven surfaces, metal parts, accessories and its packaging so as to prevent any possible injury or damage.
- 3) Keep this speaker out of reach of children. Take note that this speaker is not infantile and should not be placed in your mouth.
- 4) Do not modify, repair or dismantle the speaker. Doing so may result in fire, electric shocks, complete breakdown of the speaker, etc. All of which, are not covered under warranty.
- 5) Do not use any alkalis or volatile liquid to clean the speaker. Keep in mind that the surface of the speaker should only be wiped with a clean dry cloth.
- 6) Do not use this speaker in locations whereby there are high temperatures, or high humidity levels. For instance, bathrooms ideally, the speaker should be used in a location free of dust and exposure to direct sunlight.
- 7) Do not insert foreign objects, such as pins, into this speaker.
- 8) Do not touch this speaker when your hands are wet as this may result in electric shocks.
- 9) Turn down the volume before/while using this speaker as sudden loud sounds may damage it.
- 10) Refrain from dropping the speaker as well as any collision with other objects.
- 11) Do not use this speaker when in hazardous locations.
- 12) Should any abnormal situations or problems occur while using the speaker, discontinue use of speaker immediately.
