

hp LaserJet 1000w printer

hp LaserJet 1000w printer

The HP LaserJet 1000w is HP's most affordable LaserJet printer for USB capable Microsoft Windows environments, offering a straightforward and easy-to-use laser printing solution, and delivering clear and sharp documents with unbeatable HP LaserJet quality and product reliability.

The HP LaserJet 1000w is a simple, solid, entry level Windows laser printer for entrepreneurial business individuals in micro and small office environments, and for people working remotely from home. They need a reliable and basic laser printing solution to produce a range of high quality, laser sharp documents quickly, easily and cost-effectively.

- Enjoy simple, personal LaserJet printing with the USB-connected HP LaserJet 1000w Windows printer. Installation is quick and straightforward (plug & play) and ongoing use is intuitive. The integrated single piece print cartridge is easy to replace with no further manual maintenance being required.
- Reflect a professional image by producing effective communications with razor sharp, dark black HP LaserJet printed text and impressive business graphics. Enjoy worry-free printing from an HP LaserJet engine, the quality brand reknown for unbeatable product reliability.
- No need to wait for great results as the HP LaserJet 1000w delivers them quickly, in laser sharp 1200 dpi effective output quality, with a fast first page out in under 15 seconds (from cold or warm start, with no warm-up time) and 10 ppm print speed.

The USB-connected HP LaserJet 1000w is a plug-and-play laser printer designed to be easy to install and use.

- Simplified installation and user interface with USB port (plug & play).
- Supports all USB-capable Windows operating systems (98, 2000, ME, XP 32-bit).
- Let's you print long unattended print runs easily and on a variety of different media, with a protected horizontal 250 sheet paper input tray.
- Clean and easy to replace compact single piece HP print cartridge.
- Video help for error messages.

HP's reputation for reliability makes the dependable HP LaserJet 1000w a safe buy and a solid performer for worry-free laser printing.

- The HP LaserJet engine delivers trusted HP LaserJet quality and reliability for a robust duty cycle of up to 7,000 printed pages per month.
- The ultra-quiet operation ensures you work in peaceful surroundings.
- Enjoy a safer environment as the state-of-the-art HP LaserJet printing technology with transfer rollers (no corona-wires) ensures no appreciable ozone emissions.
- Rely on HP's extensive service and support network with standard one year HP warranty and optional support packs for warranty extensions.

Quickly produce laser sharp and high quality business documents with 1200 dpi effective output quality which reflects a professional image.

- Fast first page out in under 15 seconds (no warm-up time, from cold or warm start) and 10 ppm print speed means no waiting by the printer for your documents to be ready.
- HP resolution enhancement technology (HP RET) delivers exceptional print quality at 600 x 600 dpi optical resolution with 1200 dpi class effective output quality.
- HP LaserJet print quality ensures consistency from the beginning to the end of the cartridge.
- Microfine and ultra-precise toner achieves the finest greyscale printing.

hp LaserJet 1000w printer

hp LaserJet 1000w printer

technical specifications

print technology	Laser
print speed (pages per minute)	10 ppm rated engine speed
first page out black	less than 15 secs, instant-on fuser technology for no warm up time – from warm or cold start
processor performance	48 MHz embedded RISC processor
print quality	600 x 600 dpi with hp resolution enhancement technology (hp REI) for 1200 dpi class effective output quality
economical printing	Economode (saves up to 50% toner), immediate return to power-safe mode after each print job due to instant-on fuser technology (saves electricity), N-up printing (saves paper).
operating systems compatibility	Windows® 98, Windows Millennium, Windows 2000, Windows XP (32-bit)
minimum system requirements	Operating system requirements as recommended by the operating system vendor plus 32 MB free hard disk space, CD-ROM drive, USB port.
memory	1 MB RAM
printer languages	GDI / host based printing with HP PCL 5e emulation technology (for printing from DOS applications running under Microsoft Windows)
duty cycle	up to 7,000 pages per month
media sizes	standard: A4, A5, Letter, Legal, Executive, B5 (JIS), B5 (ISO), C5, DL, Monarch, Com-10 custom: 76 x 127 mm (min), 216 x 356 mm (max)
media types	paper (plain, bond, recycled), envelopes, labels, transparencies, vellum, cards (index, postcards), custom-sized
max. media weight range	input tray: 60 g/m ² to 105 g/m ² (standard output bin) or 60 g/m ² to 163 g/m ² (straight through media path for special media)
media handling/input	up to 250 sheets (regular weight) or up to 30 envelopes
media handling/output	up to 125 sheet (regular weight, standard output bin) or alternative straight through media path
power requirements	110V to 127V (+/-12%) 60 HZ (+/-3), 220V to 240V (+/-12%) 50/60 HZ (+/-3), 2.7 Amps maximum
power consumption	214 watts maximum (printing), 7.6 watts (220V unit) / 6.8 watts (110V unit) in standby / Powersave
connectivity	USB port (1.1 compliant), USB connectivity kit included in box (2m). Drivers included: GDI / host based printing with HP PCL 5e emulation technology (supports printing from DOS applications running under Windows)
software included	Includes simplified installation program, printing drivers, software with video help for error messages, help files, electronic user manual and a software upgrade utility (automatically linking users to the software update website of the hp LaserJet 1000 series printer via the internet).
dimensions (w x d x h)	415 x 486 x 253 mm
product weight	out of package: 8 kg; packaged: 10.9 kg
operating environment	environmental ranges: operating temperature: 10 to 32.5° C; operating humidity: 30 to 70% RH (non-condensing); operating humidity recommended: 30 to 70% RH (non-condensing); recommended operating temperature: 17.5 to 25° C; storage temperature: -20° to 60°C, print cartridge: -20° to 40° C; storage humidity: 10 to 90% RH; noise level per ISO 9296; sound power: 5.9 B(A), sound pressure: 52 dB(A)
safety & certifications	carries CE markings for EU EMC (89/336/EEC) and low voltage directives (73/23/EEC & 93/68/EEC), complies with IEC 60950/EN 60950 and IEC 60825-1/EN 60825-1 (class 1 laser product/LED product), FCC Class B and CISPR22 Class B, CDRH certified Class 1 laser product (safe for office/EDP use), TUV-GS approved (220-240V), UL/CUL listed (110-127V), ISE countries: CISPR22, Czech Republic: EZU, Estonia: EEI, Hungary: MEEI, Lithuania: LS, Poland: B-mark, Russia: GOST, Slovenia: SQI, EPA ENERGY STAR compliant
ENERGY STAR	yes
warranty	standard 1 year return to hp/vendor, optional support pack available (warranty extension for 3 years, next business day, repair or replacement)
