

This is *your* year to celebrate with Bernina.

The aurora Anniversary Edition

In celebration of our 75th anniversary, we are proud to introduce our aurora Anniversary Edition. This exclusive machine offers legendary Swiss precision and endless embellishment options with its wide range of decorative stitches and 9mm stitch width. Plus, when you add the optional Bernina Stitch Regulator (BSR) and embroidery module, your machine will grow as your creativity does. A decorative blue faceplate and anniversary medallion give a distinctive new look, and only a limited number will be released. So, stop by today and take advantage of this once-in-a-lifetime opportunity.

Variety of Stitches and 9mm Stitch Width

With 392 stitches and a versatile 9mm stitch width, it's never been simpler to create a new work of art using any fabric. Plus, you can personalize your pieces by adding lettering and monograms with four sewing alphabets.

Embroidery with the Power of your PC

The power of your PC and our embroidery module allow you to access over 400 built-in embroidery designs. Plus, the integrated Editor Lite Software enables you to combine, resize, personalize and add lettering to designs.

BERNINA⁺
Nothing Sews Like A Bernina. Nothing.

Our Anniversary. *Your* year.

**Presser Feet**

You will enjoy a variety of 7 Swiss-quality, one-piece presser feet that allow you to sew precise, beautiful stitches on almost any fabric. The Bernina one-piece presser foot is known for its durability and precision.

**Presser-Foot Pressure Display**

This handy on-screen feature displays the level of presser-foot pressure. You can adjust the pressure individually for every type of fabric.

**Presser-Foot Display**

This convenient digital display feature shows the recommended presser foot for the sewing project at hand.

**Graphic Display**

An informative digital display helps you view your machine and stitch settings at a glance and provides helpful reminders for necessary actions.

**Separate Winder Motor**

This practical extra motor helps save time and avoid interruptions by allowing you to wind bobbins as you continue sewing.

**Buttonholes**

The perfect buttonhole can make any project extra special. That's why you'll love choosing between 9 different automatic buttonholes.

**Stitch Selection**

Choosing your favorite stitches has never been simpler. You can make your selections either by stitch number or by activating the intuitive scroll buttons. And your choice will always be shown on the graphic display.

**Rotary Hook System**

The high-quality rotary hook system helps you create gorgeous decorative stitches for stitch widths of up to 9mm.

**Slide Speed Control**

Easily control your speed for any sewing project with this conveniently located control.

**Free Hand System**

This knee-operated Bernina innovation raises the presser foot and lowers the feed-dog, so you can keep both hands on the fabric when guiding and pivoting.

**Accessory Box**

Conveniently store everything from bobbins and presser feet to seam rippers and lint brushes in the included accessory box. Plus it attaches to the back of your machine for compact storage and travel.

**Slide-on Table**

The free-arm design of the table will make it easier than ever when stitching large tubular items.

**Bernina Editor Lite v5**

Utilize the power of your PC to embroider with style on your aurora. Use Editor Lite to enlarge, mirror-image, add letters, change design colors and combine designs. When you are ready to embroider, helpful animations will guide you through the process.

**Special Features:**

- Rotary hook system (vertical)
- Swiss-precision stitch quality at 9mm stitch width
- 392 stitches
- 160 sewing stitches
