Single USB Port

Utilize the USB Port to import and export designs, save self-designed patterns and update machine software.

Super-bright Work Lights

Use the bright LED work lights to brighten up any project.

Quick-Set™ Bobbin

Just drop in a full bobbin, pull the thread tail through the slot and start sewing.

New Thread Trimming Function

Innov-is 1500D automatically cuts excess thread between jump stitches with the new **Automatic Thread Trimming function.**

Create Unique Embroidery Patterns

Use the LCD Panel for easy on-screen editing and making designs of your very own.

Built-in Machine Memory

Save both embroidery designs and sewing stitches for future use.

Built-in Embroidery Card Slot

Card slot accepts more than 100 embroidery cards including Disney and Nickelodeon. Embroidery cards sold separately.

Add some magic to your next project with one of the 91 built-in Disney designs.

Large Open Work Space

The spacious sewing bed allows you to manipulate quilts and large projects with ease.

My Custom Stitch™

Create stitches of your very own with the My Custom Stitch™ feature on the LCD panel.

*Brother
Special
Feature*
