## DESCRIPTION

The Reliable™ MSK-555 sewing machine is built right, with the best quality components available, from the all-metal design of the casting to the finish quality that you expect from a Reliable™ product.

Each MSK-555 is individually sewn-off and tested before it leaves our factory. Great care is taken in preparing each and every machine so when you plug it in you know it will sew right out of the box.

The true skip-stitch function on the MSK-555 allows you to go from fine sheer material all the way to heavier woolsens. Note: You may need to change the needle size and make other adjustments when you change fabric types).

The MSK-555 comes complete with everything you need to get started; 3-needles, 2-screwdrivers, 3-piece allen key set, wrench, tweezers, oiler, 2-clamps, variable speed foot controller, knee lifter, instructions and a trouble shooting guide to help first time users.
