**Note:** The last page of this document is to be filled out and sent back to Apollo Solar.

## 1. What does this warranty cover and how long does it last?

This Limited Warranty is provided by Apollo Solar Inc. ("Apollo Solar") and covers defects in workmanship and materials in your **T80 Charge Controller**. The Warranty Period is **5 years** from the date of purchase at point of sale to you, the original end user customer.

## 2. What will Apollo Solar do?

Apollo Solar covers both parts and labor necessary to repair the product, and return shipment to the customer via Apollo Solar-selected freight.

## 3. What does this warranty not cover?

This Limited Warranty does not cover normal wear and tear of the product or costs related to the removal, installation, or troubleshooting of the customer's electrical systems. This warranty does not apply to, and Apollo Solar will not be responsible for, any defect in or damage to the product:

- a. if it has been misused, neglected, improperly installed, physically damaged or altered, either internally or externally, or damaged from improper use or use in an unsuitable environment;
- b. if it has been subjected to fire, water, generalized corrosion, biological infestations, or input voltage that creates operating conditions beyond the maximum or minimum limits listed in the Apollo Solar product specifications including high input voltage from generators and lightning strikes;
- c. if repairs have been done to it other than by Apollo Solar or its authorized service centers (hereafter "ASCs");
- d. if it is used as a component part of a product expressly warranted by another manufacturer;
- e. if its original identification (trade-mark, serial number) markings have been defaced, altered, or removed.

## WARNING: LIMITATIONS ON USE

Please refer to your product user manual for limitations on uses of the product.

Specifically, please note that the **Apollo Solar T80 Charge Controller** is not intended for use in connection with life support systems and Apollo Solar, Inc., 23 FJ Clarke Circle, Bethel, CT USA makes no warranty or representation in connection with any use of the product for such purposes.

# **APOLLO SOLAR T80 Charge Controller FIVE-YEAR LIMITED WARRANTY**

Apollo Solar will, at its option, repair or replace any defective T80 Charge Controller free of charge, provided that you notify Apollo Solar of the product defect within the Five-Year Warranty Period, and provided that Apollo Solar through inspection establishes the existence of such a defect and that it is covered by this Limited Warranty, Apollo Solar will, at its option, use new and/or reconditioned parts in performing warranty repair and building replacement products. Apollo Solar reserves the right to use parts or products of original or improved design in the repair or replacement. If Apollo Solar repairs or replaces a product, its warranty continues for the remaining portion of the original Warranty Period or 90 days from the date of the return shipment to the customer, whichever is greater. All replaced products and all parts removed from repaired products become the property of Apollo Solar.
