It also provides you with important information for contact details during events and after hours as well as promoting smooth operations and increased health and safety precautions.

Hirers are responsible for any damage within the hired facility space. Failure to comply with the procedures can incur an additional fee and/or future hire refused, so please ensure you have read and understood what is required of you as the hirer.

Fees

- The hire fees will be set by the MCC Management Committee and periodically reviewed
- Community based, not-for-profit and/or fund raising hirers will be given a twenty percent discount off the commercial rate. The hirer will be charged normal rates until proof of not-for-profit incorporation is received.
- Regular use hirers providing community benefit will be given the twenty percent discounted rate, at MCC's discretion. ('Regular' use is hirers who have used the venue regularly for a period of twelve months or more).
- Any other variation to the stated hire fee being reduced or waived needs to be submitted in writing to the MCC executive and management committee.
- If the Hirer is playing music or lyrics in public, they must have the appropriate license. You can obtain this license from The Australasian Performing Rights Associations (APRA) www.apra.com.au.
The Phonographic Performance Company of Australia (PPCA) provide a license that covers sound recordings.
Where music is performed live, both the performer/s of the music and whoever organizes that performance are responsible for making sure permission to perform copyright protected music in public has been obtained. The owner of the venue may also be liable if a license is not obtained. A copy of the license must be provided to the Maleny Community Centre prior to the performance.

Booking

- MCC reserves the right to refuse a booking if the purpose of use appears inappropriate or to be in conflict with the stated mission statement of MCC or if the hirer has abused the facility by leaving it damaged or repeatedly unclean
- MCC reserves the right to impose a bond of \$100.00 before occupancy for a commercial or casual hirer, with refund subject to inspection of the facility after hire is completed.
- Commercial and/or casual hirers are required to pay a booking fee of 25% of the hire fee within 14 days of confirmation of the booking. This booking fee confirms the booking and is non-refundable unless cancellation is made at least 8 weeks prior to the date booked.
- Regular hirers may be requested at the time of annual booking to supply a \$100.00 bond deposit to cover any losses, breakages, damage or exceptional cleaning required. If the deposit is drawn below \$20, MCC will request the hirer reinstate the balance again. MCC will not deduct funds from this deposit without prior discussion with the hirer

220 patrons when there is a bar and catering.

230 patrons when there is either a bar or catering.

240 patrons when there is neither a bar nor catering.

There are 265 chairs – 160 padded chairs are stored in the alcove behind folding doors on the left side of the Hall – they are stacked 7 high. The remaining plastic chairs are stacked on the right hand side of the hall – 7 high. **Please return them to their correct positions.**

Audio & Lighting Equipment

The Maleny Community Centre has state of the art digital audio and lighting equipment. Only authorised technicians may operate the equipment. Please make enquiries to determine what you need for your performance.

Tables

There are 27 tables which are stored under the stage (behind the drapes). They are stored on trolleys for ease of movement. Each table seats 6 people comfortably, however 8 may fit if chairs are added to the end of the table.

White tablecloths and LED candles are available for hire.

Lights and Light Switches

The switches for the ceiling lights in the Main Hall are located to the right of the door on the back wall. There are 3 switches operating separate rows of lights.

Dimmable Side Lights are operated from a lighting panel located to the left hand rear of the Hall near the fire exit door. Instructions for use are located next to the box.

The lights in the toilets come on automatically as they are operated by sensors.

Heating

There are three gas heaters in the Main Hall. When not in use, they are stored under the stage near the tables. They plug into sockets on the floor and must be plugged into a power point as well. Two sockets are located on the left hand side of the Hall and one socket is on the right side.

IT IS ESSENTIAL THAT YOU CONTACT THE MCC TO NOTIFY US THAT A CYLINDER IS EMPTY. Please send an email to admin@malenycc.org or ring the Office on 5429 6043. In an emergency, contact the Secretary on 0407 138182.

Louvres

The louvres which are located high on both sides of the Hall are operated electrically. Switches for the right side are located together near the cleaning cupboard. Switches for the louvres on the left side are located below them on the wall. The louvres are designed to be opened at any angle. **GENTLY PUSH THE SWITCH AND HOLD UNTIL DESIRED ANGLE ACHIEVED. DO NOT FORCE OR BUTTON WILL BE DAMAGED.**

Operating the main doors into the hall

The main doors now have a strong magnetic lock which is located above the doors. The lock is located on the street side of the doors, on the wall on the left hand side and immediately adjacent to the doors.

PLEASE ENSURE THE DOORS ARE CLOSED & LOCKED WHEN LEAVING.

To open locked doors from the street side:

Insert the key into the lock, turn 90° counterclockwise to “Off”, then back to vertical and remove the key. Magnets for all four doors are now off and you can easily open them

To open locked doors from inside the hall:

There are two large green knobs on the wall to left and right of the doors. Push either and the two doors closest to the knob can be easily pushed open.

To lock the doors:

Insert key into the lock, turn 90° clockwise to “On” then back to vertical and remove key. All four magnets are now energised. Note: the doors do not have to be pushed into closed positions to do this. As each door is pushed into its closed position it will lock.

If, for example, you want to lock three doors and leave one open, just push those three closed, being careful not to allow the fourth to swing back into the doorway – otherwise it will lock instantly.

Take care: If you have all four doors closed, then operate the lock, don't assume the doors are actually locked. Give them each a little push. The doors need to be fully closed before the lock “grabs”.

The door at the side of the Hall that goes out to the small deck once closed it will lock automatically.

The fire exit door at the end of the stairs to right of Hall has a bar for emergency opening to the exit door down the interior stairs.

Operation of Stage Curtains

Curtains are to be left half open.

Cleaning Equipment

Cleaning equipment is located in the broom cupboard next to the bar. Brooms and dustpan are stored in this cupboard. The mop and bucket are stored in the sluice cupboard which is located through the fire exit door at the right of the stage.

Extra Supplies

Extra supplies of toilet paper and hand towels are located in the broom cupboard. The key to the towel dispensers in the toilets is in the Box Office.

BAR

The MCC has a liquor licence and no alcohol other than that provided by the MCC bar is allowed in the Main Hall at any time. If requested by the hirer. MCC volunteers will operate the bar. The volunteers have their Responsible Serving of Alcohol certificate.

The MCC manages the bar and takes all the profits. Arrangements can be made with hirers about what liquor is required at their function. For private functions like weddings, it is possible for guests to each pay for their drinks or the hirer may provide a “tab” of a certain amount. This money must be paid for in advance.

The MCC reserves the right to open the bar at times that suit the function, although consultation will occur with the hirer.

Closing Procedures

Prior to leaving the Main Hall, the hirer must ensure that:

- all floor areas have been swept and thoroughly cleaned – this includes the toilets, Green Room, the Stage and the kitchen if it has been used.
- chairs stacked and tables are returned to their **original position**. All the blue chairs go into the area behind the folding doors on the left of the Hall. The cream coloured chairs are stacked on the right side of the Hall against the wall. The trolleys that are used to move the chairs are stored in the area with the blue chairs. Please leave one trolley outside the bar door, so staff can use it.
- all props, decorations and hirer equipment must be removed. Materials, equipment etc; left in the MCC facility after the hirer leaves will become the property of MCC and if not claimed within 14 days will be disposed of, (unless other arrangements have been made previously).
- all doors, louvers and windows must be securely locked
- all fans, air-conditioning, heaters and lights must be switched off (emergency exit lights remain on)
- If the kitchen has been used, all food has been cleared from the kitchen sink & benches, microwave and fridge and all rubbish removed from the toilet bins
- all rubbish is to be placed in the rubbish bins and disposed of in the large green and recycling garbage bins which are located at the bottom of the driveway
- The hirer is responsible for the cost to any damage to equipment.

Key return:

The hirer must return the keys for the Main Hall between 9.30am – 4pm to the Maleny Visitors Information Centre, Shop 2, Maleny Community Centre, 23 Maple Street, Maleny - contact telephone (07) 5499 9033. The keys may also be left in the drop off at the Box Office, if the Information Centre is closed

Failure to do so may result in the cost of replacement being charged to the hirer.

Refer to Departing the Venue Checklist on page 13

Health & Safety Matters

In adherence to Health and Safety Regulations, the hirer must ensure:

- that they have obtained their own public liability insurance and **have provided a photocopy** of the Certificate of Insurance with their booking form. MCC recommends a minimum limit of A\$5,000,000. Hirers are financially responsible for any injury to persons and damage, theft or loss of property (either personal or MCC owned) resulting while using MCC facilities

The MCC's public liability insurance policy covers its legal liability as property manager for bodily injury to third parties arising out of the MCC's negligence. The MCC's public liability policy **does not** extend to insure the negligence of groups or users who hire the premise on a casual or regular basis

- that they have relevant Permits required (e.g. Food Safety) where applicable
