

HITACHI MULTIMEDIA PROJECTOR LIMITED WARRANTY

THIS LIMITED WARRANTY SETS FORTH CERTAIN RIGHTS AS WELL AS CERTAIN WARRANTY DISCLAIMERS AND EXCLUSIONS FOR HITACHI'S PROJECTOR PRODUCTS. PLEASE READ THIS DOCUMENT CAREFULLY.

1. **Limited Warranty.** Hitachi America, Ltd. ("Hitachi") stands behind the quality of its products and warrants to original end user purchasers only ("End Users") who reside in the Territory on Attachment 1 only that Hitachi projector products will be free from defects in material and workmanship during the applicable Limited Warranty Period listed on Attachment 1, subject to the exceptions, exclusions and disclaimers below. The Limited Warranty Period begins on the date the End User originally purchases the product from an authorized Hitachi dealer located in the Territory. This Limited Warranty extends to the End User only and cannot be transferred to another individual or organization.
2. **Exceptions to Limited Warranty.** The following items are exceptions to this Limited Warranty:
 - a. The warranty for accessories (except batteries) applies to parts only and is effective only during the Accessory Warranty Period listed on Attachment 1, beginning on the date of original purchase of the projector. Batteries are not covered by this warranty under any circumstances.
 - b. The Limited Warranty for lamps included as original equipment in the projectors is for parts only and is effective only during the Lamp Warranty Period listed on Attachment 1, beginning on the date of original purchase of the projector.
 - c. The Limited Warranty period for the Optical Assembly, which includes the Dichroic Optics Unit and the Lens / Prism Assembly, is effective only during the Optical Assembly Warranty Period listed on Attachment 1. If within the Optical Assembly Warranty Period, the Optical Assembly requires replacement and is otherwise eligible for coverage, but the projector has exceeded the hours of usage specified in Attachment 1, Hitachi will cover the cost of labor, but not the cost of parts that require replacement.
 - d. Except as provided in Section 5 below, all repaired and/or replaced parts shall be warranted only for the remainder of the original warranty period specified for such parts in Attachment 1.
3. **General Warranty Exclusions.** This Limited Warranty shall not apply and Hitachi shall have no obligations hereunder if in Hitachi's judgment:
 - a. End User or any third party has modified, repaired or attempted to modify or repair the product without obtaining Hitachi's prior written authorization;
 - b. The product identification markings on the product have been removed, defaced or altered;
 - c. The product was damaged or malfunctions due to accident, disaster, abuse, improper use, mishandling, mispackaging, shipping, exposure to dust and/or smoke, or electrical shock and/or power surges;
 - d. The product was not installed on a system configured as specified in the user's manual or was otherwise improperly installed;
 - e. The product was subjected to operating conditions outside of the range specified in the user's manual or this Limited Warranty;
 - f. The product was subjected to use in excess of 8 hours per day for more than 5 consecutive days per week during the applicable Limited Warranty period; or End User or any user of the product failed to follow the user's manual, including but not limited to the manual's instructions regarding the proper handling, operation, service and/or maintenance of the product.
4. **Specific Warranty Exclusions.** In addition, this Limited Warranty does not cover normal wear and tear of the product, including, but not limited to image burn-in or scratches or marks on the surface of the projector's lens and/or cabinet. Please also note the following warranty disclaimers and exclusions:
 - a. Hitachi's projectors are manufactured in accordance with high quality standards. However, the specifications of Hitachi's projectors may not meet, and are not warranted to satisfy, all requirements of professional or high-end home theater applications.
 - b. The projector's USB interface (if applicable) is designed for usage with standard USB storage devices. Some USB-based flash drives or other storage devices may not be recognized by the projector for a variety of possible reasons, such as data encryption, data compression, HUB interfaced memory, inappropriate class definition of memory or otherwise.
 - c. The wireless performance specifications of the projector are defined based on optimal operating conditions and configurations. Actual performance may vary depending on the characteristics of the applicable computer (both software and hardware), wireless / network performance and other such factors or variables.
 - d. In certain projectors, tiny dark pixels or bright pixels may continuously appear on the image. This pixel phenomenon is normal, does not indicate a malfunction and is not a warranted defect.
 - e. In certain projectors, black or very dark signals may be reproduced with some non-black hues. This color reproduction phenomenon is normal, does not indicate a malfunction and is not a warranted defect.

- f. In certain projectors, the infrared remote may not work properly or may work only intermittently as a result of interference from fluorescent light ballasts or fixtures or usage in high brightness environments.
 - g. Due to the characteristics of short throw distance projectors, the tolerance of focus performance, image distortion and drift may vary more widely than with non-short throw distance projectors, and their use with uneven screen surfaces may lead to increased image distortion and unbalanced focus issues.
 5. **Warranty Claims, Product Return Procedures and Remedies.** In the unlikely event that a Hitachi projector, lamp or accessory should prove defective during the applicable Limited Warranty Period, the End User should call 1-800-HITACHI. YOU MUST PRESENT A VALID PROOF OF PURCHASE IN ORDER TO MAKE A CLAIM UNDER THIS LIMITED WARRANTY. To prevent damage during shipping, products returned for service must be securely packaged in the original shipping container or its equivalent. Hitachi shall not be liable under any circumstances for any damage to or loss of the product during shipping or transit and recommends that you procure appropriate shipping insurance. After receipt of your product properly shipped as described above, Hitachi will inspect the product. If Hitachi determines that the product contains a warranted defect, Hitachi will, at its sole option, either ship to you the repaired product or replace the product with a new or reconditioned product of comparable or greater specified functionality. If in Hitachi's sole opinion no comparable product is available, Hitachi may, at its sole discretion and option, refund the original purchase price of the applicable product. **HITACHI'S ENTIRE LIABILITY AND YOUR EXCLUSIVE REMEDY FOR VALID WARRANTY CLAIMS SHALL BE AS STATED HEREIN.** If Hitachi repairs your product, any product parts that are replaced during the repair process shall become Hitachi's property. If Hitachi chooses to replace your product rather than repair it, or if Hitachi refunds your original purchase price of the applicable product, the product you returned to Hitachi shall become Hitachi's property. Except as stated in Section 2 above, all repaired or replaced product shall be warranted for the remainder of the original Warranty Period or, if the product defect occurs ninety (90) days or less before the expiration of the Warranty Period, and the product is properly returned to Hitachi prior to the expiration date of the Warranty Period, then the repaired or replaced product will be warranted for ninety (90) days from the date Hitachi ships the repaired or replacement product to you.
 6. **DISCLAIMERS OF ALL OTHER WARRANTIES.** HITACHI MAKES NO OTHER EXPRESS OR IMPLIED WARRANTY WITH RESPECT TO YOUR HITACHI PRODUCT OTHER THAN THE LIMITED WARRANTY SET FORTH ABOVE. NO HITACHI DEALER, AGENT OR EMPLOYEE IS AUTHORIZED TO MAKE ANY MODIFICATION, EXTENSION OR ADDITION TO THIS LIMITED WARRANTY. UNLESS UNENFORCEABLE OR UNLAWFUL UNDER APPLICABLE LAW, HITACHI DISCLAIMS ALL IMPLIED WARRANTIES INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY, NONINFRINGEMENT AND FITNESS FOR A PARTICULAR PURPOSE. ANY APPLICABLE IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE ON THE PROJECTOR IS LIMITED TO THE DURATION OF THE WRITTEN WARRANTY PERIOD. SOME STATES DO NOT ALLOW LIMITATIONS ON IMPLIED WARRANTIES, SO THE ABOVE LIMITATIONS MAY NOT APPLY TO YOU.
 7. **LIMITATIONS ON LIABILITY.** THE LIABILITY OF HITACHI, IF ANY, FOR DAMAGES RELATING TO ANY ALLEGEDLY DEFECTIVE PRODUCT UNDER TORT, CONTRACT OR ANY OTHER LEGAL THEORY SHALL BE LIMITED TO THE ACTUAL PRICE PAID FOR SUCH PRODUCT AND SHALL IN NO EVENT INCLUDE INCIDENTAL, CONSEQUENTIAL, SPECIAL OR INDIRECT DAMAGES OF ANY KIND, INCLUDING BUT NOT LIMITED TO LOST PROFITS OR LOSS OF BUSINESS, EVEN IF HITACHI IS AWARE OF THE POSSIBILITY OF SUCH DAMAGES. SOME STATES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY TO YOU.
