

THE SOUND, STYLE, AND OPTIONS YOU WANT

LG GRUVE™

LG GRUVE™ Premium Wireless & Wired Stereo Headset

Chill out on the sofa with your favorite tunes. Stay entertained as you go about your day. Energize your workout and never miss a step—or a call—with LG GRUVE.

The GRUVE is ideal for schools, libraries, and other audio-learning environments. Padded ear cups help block outside noise, and the hinged headband makes for easy storage.

Spoil yourself at the gym with the GRUVE's comfortable, stay-put fit, along with an excellent audio experience that makes your workout less work.

Wear it on the go—shopping at the mall, waiting for the train, walking to work—anywhere you want to hear your music while you still stay in touch.

Need to turn off all wireless communications? Connect the GRUVE to your handset with the included auxiliary cable and enjoy your favorite tunes no matter where you are.

Live it up with the powerful sound and incredible design of LG GRUVE.

Speech

HEAR TEXT MESSAGES READ ALOUD*

1. Pair and connect LG GRUVE with your phone.
2. Make sure you have installed a BT Reader app on your phone. You can download one from Google Play.
3. Turn the BT Reader app on. When you get a text message, you'll hear it read aloud.

USE THE WIRED AUDIO OPTION

Simply connect one end of the included auxiliary cable to the GRUVE and the other to your compatible audio device. Using the wired option disables the wireless functionality and also saves battery power.

PAIR LG GRUVE WITH YOUR PHONE

1. Slide the Power Switch to "On." You'll hear your battery status.
2. The GRUVE will enter Pairing Mode and the LED will be solid blue. You'll hear "Ready to pair."
3. On your phone, select LG HBS600 from the list of available *Bluetooth*® devices. Once paired, you'll hear "Your headset paired" and then "Connected" when the connection is complete.
