Premium Food Slicer

Model #14250

Deli Platters

Vegetables

Breads

Offer your customers a professional quality food slicer that they can use easily in their homes. Consumers can save money by buying in bulk, slicing as needed. Boneless meats, cheeses and breads can be sliced with precision and versatility. Lettuce and cabbage can be shred for coleslaw. Potatoes can be thinly sliced for homemade chips. Fresh deli platters can be created at home with this easy to use slicer.

This durable diecast aluminum slicer comes ready to use,
