TOURNEO CUSTOM SWB 8 seats (4972mm).

TOURNEO CUSTOM LWB 8 seats (5339mm).

Premium leather seats.

Luxurious leather seat trim elevates the **TOURNEO CUSTOM** to a fresh level of exclusivity. (Standard on Limited only)

Tow with confidence.

We condensed ten years of driving into a non-stop six-month test under different road conditions, most of which were spent towing a fully laden trailer. The **TOURNEO CUSTOM** passed with full marks.

Proven Duratorq diesel engine technology.

Renowned for its reliability and efficiency, the **TOURNEO CUSTOM**'s 2.2-litre Duratorq TDCi engine comes with a choice of two power and torque outputs.

Engineered for durability. Tested for toughness.

Like all Ford Transits, **TOURNEO CUSTOM** has durability in its DNA. A relentless testing programme ensures that it's a vehicle that lasts.

High-mounted headlights.

Powerful projector-style headlights are located safely out of harm's way.

Multi-piece bumpers.

Smart front and rear bumpers feature a multi-piece design to help keep repair costs low.

Tested for endurance.

Extensive testing included a two-month maximum speed test and demanding low-speed city drive cycles to imitate typical unforgiving delivery schedules.

Pushed to extremes.

From frost-covered prototypes started up in -40 °C at 4 500-metre altitudes, to sun-baked vehicles towing fully laden trailers up long inclines in 50 °C heat, **TOURNEO CUSTOM** has been pushed to extremes.

300 000 door shuts.

We opened and closed the doors and bonnet over 300 000 times in real-world conditions to help ensure they will not let you down.

Obsessively driven.

During its development, we test drove **TOURNEO CUSTOM** for hundreds of thousands of kilometres. It's a bus you can rely on, right down to the smallest ball bearing.

5-year Corrosion Warranty.

The **TOURNEO CUSTOM** owes its durable exterior to a thorough multi-stage painting process. From the wax-injected steel body sections to the water-based top coat, new materials and application processes ensure it is not only virtually solvent-free, but will also retain its good looks for many years to come.

For more details, please refer to warranty guide.

Zinc coating

Phosphate spray coat

Electrocoat

Water-based top coat

Clearcoat lacquer

Make your work a pleasure.

With its exceptional levels of comfort, craftsmanship and refinement, as well as a host of thoughtful features, **TOURNEO CUSTOM** is an absolute pleasure to drive.

Allergy-friendly interior.

The **TOURNEO CUSTOM**'s interior uses materials that minimise the risk of an allergic reaction. Models fitted with air-conditioning also have a high-performance pollen filter to prevent dust and pollen entering the passenger compartment.

Fully adjustable driver's seat and steering wheel.

An eight-way adjustable driver's seat with armrest, as well as a steering wheel that adjusts to suit your height and arm length, help you find your ideal driving position with ease.

10.9m turning circle.

With its class-leading 10.9m kerb-to-kerb turning circle, the short wheelbase (4972mm) **TOURNEO CUSTOM** is the ideal choice for navigating city streets.

Torque Vectoring Control.[®]

Designed to improve traction, roadholding and agility when cornering by continuously optimising the engine torque distributed to each front wheel to match the amount of grip each has available. The result is a more rewarding driving experience. (Standard)

[®]Uses sensors. (Refer to user manual for more details)

Impressive CO₂ emissions.

The new Duratorq TDCi diesel engines are remarkably fuel efficient, with combined fuel consumption from as low as 6.5 l/100 km* and CO₂ emissions of only 172 g/km.

*Ford manufacturer claim.

Making every drop of fuel count.

Ford Technology, combined with efficient aerodynamics, has resulted in outstanding fuel economy across the range.

Shift Indicator.

Advises you when to change gear for maximum fuel efficiency. (Standard)

Power and torque.

The **TOURNEO CUSTOM**'s 2.2 litre Duratorq TDCi diesel engine is available in two power and torque configurations:

- 74 kW/310 Nm
- 92 kW/350 Nm

Transmission is six-speed manual across the range.

A standard front-wheel-drive configuration pays dividends for you and your passengers. Take advantage of generous headroom, improved fuel economy and even more luggage space.

Advanced protection, inside and out.

A full line-up of passive and active safety features make use of the latest technology to protect the driver, passengers and their belongings.

Trailer Sway Control.*

When it detects trailer sway, the system is designed to reduce engine torque and apply the brakes to the appropriate wheel(s) to help restore control.

(*Standard with tow bar fitted at dealer)

Traction-control System.

If wheel slip is detected at low speed, this system can distribute more torque to the wheel with most traction.

Emergency Brake Assist.®

Designed to recognise an emergency braking situation and increases the pressure within the braking system to provide extra stopping power.

Emergency brake warning.

Front and rear indicators automatically flash during heavy braking, giving other drivers advanced hazard warning.

Impressive towing ability.

With up to 1600kg maximum towing capacity, the **TOURNEO CUSTOM** offers impressive pulling power along with a range of safety features to help keep you and your trailer secure. From Hill Launch Assist to Trailer Sway Control, you can tow with confidence and enjoy a safe and rewarding drive.

Tow bar not standard.

Even better ride and handling.

TOURNEO CUSTOM's renowned driving qualities have been fine-tuned with new, stiffer mounting bushes and brackets.

Electronic Stability Programme (ESP).®

ESP is designed to help you maintain control in extreme driving conditions. It senses when you are deviating from your chosen lane and aims to keep you on track by automatically regulating braking and engine output.

Rollover mitigation.®

Designed to identify a potentially dangerous driving situation and activate the ESP to restore stability.

Load Adaptive Control.®

Designed to adjust the responses of the ESP system to compensate when the vehicle is unladen, or partially or fully laden.

Hill Launch Assist.®

Designed to temporarily prevent you from rolling down a slope when you move your foot from the brake pedal to the accelerator pedal. It works in forward and reverse gears, so it's ideal for towing and pulling heavy loads.

Uses sensors.®

Intelligent features that make life easier.

There's enough to think about when you're working. That's why the **TOURNEO CUSTOM** has features that help lighten the load.

Ford SYNC®.

Enjoy hands-free communication and entertainment with SYNC®. The voice-controlled system allows you to play music, make and receive hands-free calls and choose contacts from your phone's contact list with a simple voice command. It will even read your incoming text messages out for you. Delivering convenience and safety, SYNC's® voice-activation means you will be able to keep your hands on the wheel and your eyes on the road. (Standard on Trend, optional on Ambiente)

Mobile phone.

Phone book download for easy dialling and photo browsing

- Text messages read-out
- View call log
- Caller ID
- Conference calling
- Mute • Call waiting

Cruise control with Adjustable Speed Limiter.

Allows you to set a maximum speed that cannot be exceeded. (Standard on Trend, optional on Ambiente)

Audible SMS text messages.

Depending on your phone model, the SYNC® system allows SMS messages to be said to the user, via Text-to-Speech (TTS).

Bluetooth® audio streaming.

Stream your music collection from your compatible MP3 player or mobile phone to the vehicle's audio system.

Media player.

The USB port supports both audio and music information in the display with one cable. There is no need for multiple cables to be plugged into the USB or aux socket. Mobile phone and media players can be charged via the USB port.

Note: The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company Limited and its associated companies is under licence. Other trademarks and trade names are those of their respective owners.

Parking distance sensors, front and rear.

With the **TOURNEO CUSTOM**, you won't have to pass by those more challenging parking spaces. An audible warning helps you safely judge the distance between your vehicle and obstacles at the front and rear, for easier parking and manoeuvring. (Optional)

TOURNEO CUSTOM short wheelbase (4972mm).

TOURNEO CUSTOM long wheelbase (5339mm).

Smart

Smart seating solutions.

The generously proportioned interior of the Ford **TOURNEO CUSTOM** unites space with smart versatility. It can carry eight or nine in complete luxury, or be easily reconfigured to offer up to 6.8 cubic metres (SAE) of luggage space.

Available as an accessory.

Retractable roof-rack.

Holds 130 kg of cargo and, when not in use, folds level with the roof line to improve fuel economy and reduce wind noise. (Available as accessory)

Flexible rear seats with tilt function.

Each seat back can fold forward to create a flat workspace. The whole seat can fold forward again to take up minimal space. For more room, each seat can be removed. The flexibility of this new seating system can create over 30 different seating and loadspace configurations to suit any occasion.

As flexible as you need it to be.

Whatever you're carrying, from passengers and luggage to unexpected loads, the **TOURNEO CUSTOM** is versatile enough to find space for them all. Use all seven, eight or nine seats to accommodate occupants in luxurious comfort. Or fold, tumble or stow the second- and third-row seats in more than 30 different ways to create limousine-like space or to maximise the luggage area.

8 seater model shown above.

ISOFIX child seat fixing points.

For enhanced passenger safety, ISOFIX child seat attachment points are available on the centre and driver's side seats of the second row, and the centre seat of the third row.

Dual side load doors.

Wide-opening sliding side load doors enable easy access to the passenger compartment. (Standard)

Running boards.

Make getting in and out even easier, while enhancing **TOURNEO CUSTOM**'s luxurious style. (Standard)

Make it yours.

Choosing the colour and trim for your **TOURNEO CUSTOM** is an opportunity to make a bold style statement.

or alternatively email us at fleetsa@ford.com

Ford Protect

Ford **Protect** offers a holistic suite of service, maintenance, warranty and roadside-assistance products aimed at keeping your **TOURNEO CUSTOM** in perfect working condition.

New Vehicle Warranty – Every **TOURNEO CUSTOM** comes with a 4yr/120 000km Comprehensive Warranty.

Service Plan – Every **TOURNEO CUSTOM** comes standard with a 5yr/90 000km Service Plan, which covers all scheduled servicing except friction materials, i.e. brake pads and wiper blades.

Corrosion Warranty – Cover lasts for 5yr/unlimited km.

Roadside Assistance – Cover lasts for 3yr/unlimited km for mechanical, electrical, flat tyres, batteries, medical emergencies and towing, if needed, to the nearest Ford dealership.

New Vehicle Extended Warranty – An Extended Warranty may be purchased prior to the expiry of the 4yr/120 000km New Vehicle Warranty, giving owners an extra 2yr/80 000km of worry-free driving.

Consult the vehicle handbook, Ford Dealer or www.ford.co.za for more info regarding Ford **Protect** plans.

CO₂ & Fuel Economy Note: The declared fuel consumption and CO₂ emissions figures were achieved during technical laboratory testing in accordance with the legislated technical specifications (SANS 20101: 2006 / ECE R101: 2005). Fuel consumption and CO₂ emissions figures are used to compare different vehicle types under uniform conditions and are not necessarily indicative of real-life driving conditions. Note that the actual fuel consumption and emissions levels will depend on many factors including individual driving habits, prevailing conditions and vehicle equipment, condition and use.

Quality

We design and build your Ford to feel as good after many years of service as it did the day you picked it up. And to drive just as beautifully too.

Green

Using advanced Ford technology, we're committed to creating vehicles with improved fuel economy, reduced CO₂ emissions and a lower overall cost of ownership.

Safe

Ford's Intelligent Protection System uses sophisticated technology designed to help prevent an accident and, if one should happen, to protect you.

Smart

Vehicles with smart intuitive technologies designed to connect your world and many clever solutions from Ford that make life a little easier.
