1. INTRODUCTION

The Early Childhood Development Agency (ECDA) plans and develops community-based child care centres. ECDA will identify suitable HDB void deck premises and invite proposals from eligible organisations through Open Selection Process (OSP) to operate the premises as a community service.

To facilitate OSP applications, the Agency has developed a web-based system on Child Care Link (www.childcarelink.gov.sg) for all Voluntary Welfare Organisation (VWO) Child Care Centre (CCC) operators to register and submit their proposals on-line for the proposed CCC offered in the OSP.

This user manual will provide you with the details of the OSP scheme and on-line application procedures.

2. GOVERNMENT FINANCIAL SUPPORT FOR THE DEVELOPMENT OF A CHILD CARE CENTRE

Successful applicants are eligible for the following grants:

a) Capital Grants for the Purchase of Furnishings and Equipment

The quantum of capital grant disbursed will depend on the licensed capacity of the centre, or the total sum of the approved invoices submitted, whichever is lower.

For new set-up, the organisation will be given a capital grant of \$27,000/- for the first 30 places. Each additional place will be funded \$300.00/. For expansion of CCC, the organization will be given capital grant of \$300/- for each additional place created. A list of the furnishings and equipment which can be funded is at Annex A.

b) Capital Grants¹ for Conversion Costs

The quantum of capital grants disbursed for conversion costs is equivalent to 20% of the norm cost of S\$527 per m² of converting the premises, or the actual cost incurred, whichever is lower.

The formula for calculating the amount of conversion funding is:

Let the gross floor area of centre be A m²

Conversion Funding is: $0.2 \times A \times \$527 \text{ per m}^2$

¹ The gross floor area used in the calculations must be in m² and is capped at 350m². *Funding of capital grants will include Goods and Services Tax (GST).*

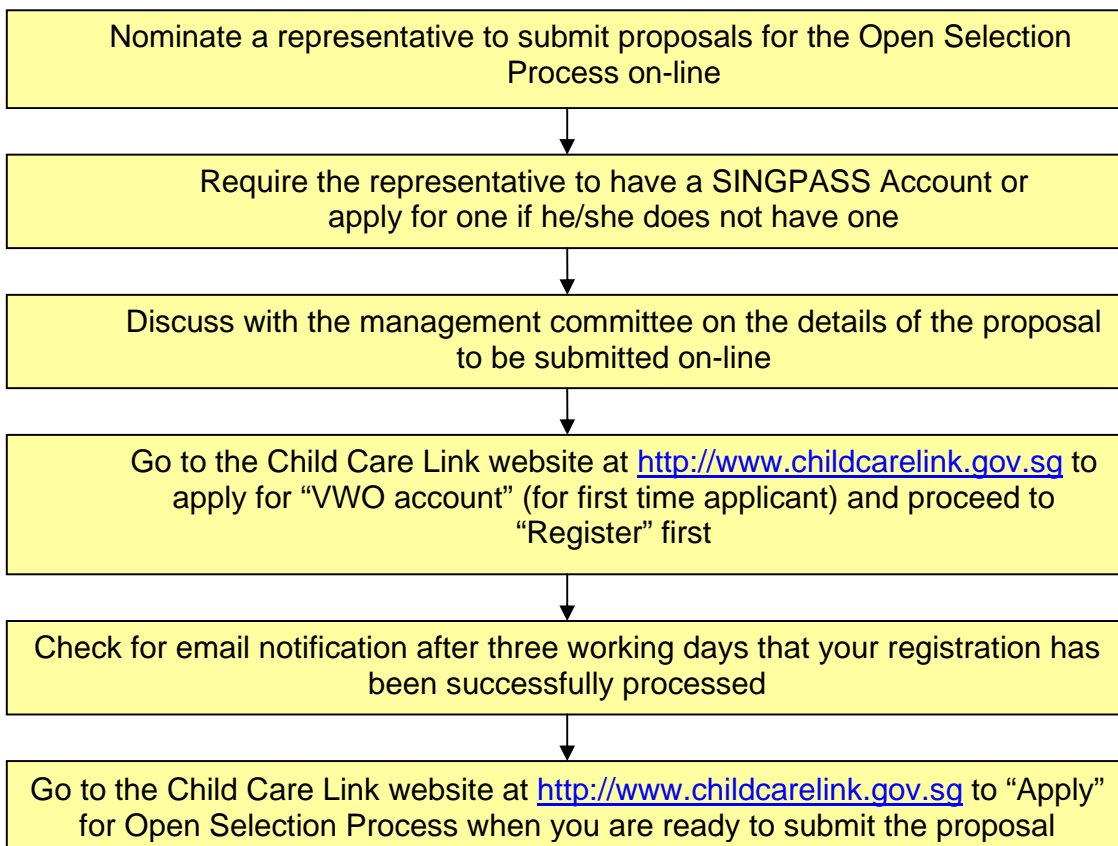

3 CONDITIONS FOR RECEIPT OF CAPITAL GRANTS

Upon acceptance for financial support for setting up the proposed CCC or extending the CCC, the organisation is required to enter into an agreement with the Agency to operate or continue operating the centre according to the conditions specified in Annex B.
