Hi Boyd,

Thanks for your email and I'm sorry I did not write back right away to acknowledge it. I will be away from the office Feb. 18 – Mar. 4 and would like to make sure that things are covered while I am gone. I haven't figured out who will cover this file yet, but if you email or call me while I'm gone you will receive their contact information in my away message.

Do you know when you expect to submit the additional pieces to complete your application (engagement log including copies of letters sent; the reason for the extension request; and any other information which would support the extension request, including the status of the land use operation)?

Thanks,
Miki

Subject: RE: Request for Final Plan

Hi Boyd,

I will be processing your extension request, so I can act as your primary contact. At just about the same time you sent this email below, I sent you an email about engagement for extension requests (attached). Once this engagement has been done, please forward an engagement log to me.

In addition to the engagement information, please submit the following information:

- The reason for the extension request; and
- Any other information which would support the extension request, including the status of the land use operation.

Once I have received the items above, I will continue to process your extension request.

For your information, an extension request is sent out to the distribution list as a notification, with a comment period of approximately 3 weeks. You will have the opportunity to respond to any comments received. Once this review period is complete, the extension request will go to the Board for a decision. There should be ample time to get this to the Board ahead of the Land Use Permit expiry date of April 28th.

Please let me know if you have any questions.

Miki

Re Lac du Rocher land use permit

Bathurst Inlet Developments (1984) Ltd has a Federal land lease and tourism license for the La du Rocher area. It has been deemed that we also have to keep a land use permit in place as well.

We are seeking a extension on the land use permit as per the regulations for two years.

While we no longer hunt caribou from this camp our company is still licensed to hunt for wolves/wolverine and Black Bears for the area.

In addition we are licensed to have fishing tours and other visitors at the camp.

It is not our intention to close the camp permanently, thus we are seeking the extension to the permit.

We have sent out letters of engagement (see attached) and so far have heard back from the Tlicho that they have no concerns. We have not had feedback from the other two groups engaged to date.

Sincerely,

Boyd Warner

Subject: RE: Request for comments

Hi Boyd
No concerns from us. Thank you for the clarification.
As you probably are aware we fully support and encourage wolf harvest in the Bathurst range.
Masi,
Sjoerd

Good Morning;

We still retain our outfitter license for Management Unit R, while we can no longer hunt Caribou we are still licensed for Black Bear / Wolf and Wolverine. In addition we have a tourism license for the area that includes ecotourism as well a sport fishing.

I will send you a link from Google Earth showing the camp location.

Sincerely,

Attn: Tim Horn

Dear Sir:

Bathurst Inlet Developments (1984) Ltd has an outfitting camp located on La du Rocher. We have a tourism license and federal lease as well as a land use permit under # MV2009J0029.

The camp consists of 5 tent frames and 4 boats.

The current land use permit expires this spring and we are requesting a 2 year extension on the permit.

If you have any questions or concerns please let me know.

I do require confirmation that you have received this email so if you can provide that it would be greatly appreciated.

Sincerely,

Boyd Warner
