## **Safety Instructions**

1. Read the safety instructions carefully before using your Sansa.
2. Read this entire manual to ensure proper usage.
3. Keep this User Guide for future reference.
4. Do not use Headphones/Earphones while driving, cycling, or operating any motorized vehicle. This may create a traffic hazard and may be illegal in some areas. It can also be dangerous to play your music with Headphones/Earphones at high volume while walking, or engaged in other activities. You should exercise extreme caution and discontinue use in potentially hazardous situations.
5. Avoid using Headphones/Earphones at high volume. Keep the volume at a moderate level, so that you are better able to hear outside sound, and to be considerate of the people around you.
6. Keep your player away from sinks, drinks, bathtubs, showers, rain, and other sources of moisture. Moisture can cause electric shocks with any electronic device.
7. Do not disassemble, crush, short-circuit or incinerate your battery as it may cause fire, injury, burns or other hazards.
8. Follow these tips to keep your player working well for a long time:
  - Clean your player with a soft lint-free cloth used on glass lenses.
  - Do not allow young children to use your player unsupervised.
  - Never force any connector into the ports of your player or your computer. Make sure your connectors are the identical shape and size before you connect.

## Disposal Instructions

Do not dispose of this device with unsorted household waste. Improper disposal may be harmful to the environment and human health. Please refer to your local waste authority for information on return and collection systems in your area.
