

Tecra Z50 PT545A- OCT002

Price \$1,925.00 RRP AUD (inc. GST)

Overview

This elite Ultrabook™ features the best of everything for high-flying professionals who need a first class desktop replacement to stay at the top of their game.

Ultra-thin and ultra-light, this professional performance-packed Ultrabook™ features a stunning 15.6" Full High Definition widescreen display, backlit for all lighting conditions. Large enough to work on complex spreadsheets at the desk, it's extremely portable for even greater productivity.

The very latest 4th Generation Intel® Core™ i5 processors (Haswell) deliver blazing-fast maximised performance, a stunning 200% improvement in graphics, built-in security, and all-day computing with amazing battery life (up to 8 hours).

This elegant, robust and highly durable Ultrabook™ features a unique honeycomb structure and dual motherboard pillars, providing extreme lightweight strength.

Highly Accelerated Life Testing (HALT), including drop, impact and spill tests, significantly minimises the risk of data loss, downtime and repairs, ensuring maximum reliability and productivity.

Fully optimised for effortless fleet deployment, it comes with common BIOS, Firmware and Imagery. What's more your execs can travel and work with complete confidence thanks to a suite of no compromise EasyGuard® security, connectivity and manageability features designed to safeguard important data and aid recovery in case of theft.

With full on-desk docking capabilities, the Z50's superior connectivity includes: 2MP Full HD Webcam with stereo mic, three lightning-fast USB 3.0 ports, one USB 2.0 port, HDMI®, bridge media slot, RGB, LAN, ultra-fast AC Wi-Fi™ and Bluetooth™.

Advanced management features, low total cost of ownership and a shared platform with other models in the Portégé and Tecra series make the Z50 ideal for fleet use.

Toshiba recommends Windows 8.
