Blog

<http://blog.statru.org>

A blog is a discussion or informational site published on the World Wide Web and consisting of discrete entries ("posts") typically displayed in reverse chronological order (the most recent post appears first). Here is the visual overview of the blog of The Department of Statistics, RU (blog.statru.org).

The image shows a screenshot of a blog page from the Department of Statistics, University of Rajshahi. The page features a header with the department's logo and name, a search bar, and a main content area with two posts. The posts are annotated with numbers 1 through 5. Number 1 points to the first post's title, 2 to its content, and 3 to the second post's title. Number 4 points to the 'Categories' sidebar, and number 5 points to the search bar. Arrows from the sidebar point to 'most recent posts', 'comments', and 'older archives', and another arrow from the search bar points to 'search'. The text 'post categories' is located at the bottom right of the sidebar area.

Forum

<http://forum.statru.org>

A forum is supposed to be used for posting topics that require discussion by the concerned member of the forum. An example of such activity is, suppose someone is thinking about a research on certain topic. He/she can post on respective forum by adding a new topic. Other members will be able to see the post and comment on that with their opinion.

So, first we need to register as member on the forum. Link to register is just below the site logo or can be found directly here:

<http://forum.statru.org/ucp.php?mode=register>

There will be an agreement form and it should be accepted. After that, a form like below will appear. Fill it up and wait for the admin to approve the registration. Due to Spamming on forum, admin approval has been added.

The screenshot shows a web browser window displaying the registration page for the Statistics Forum at the University of Rajshahi. The page title is "forum.statru.org/ucp.php?mode=register - Statistics Forum - User Control Panel - Register". The header includes the university logo and name, along with navigation links for "FAQ", "Search", and "Login". The main content area is titled "Registration" and contains a form with the following fields and instructions:

- Username:** Length must be between 3 and 20 characters.
- E-mail address:**
- Confirm e-mail address:**
- Password:** Must be between 6 and 100 characters.
- Confirm password:**
- Language:** British English (dropdown menu)
- Timezone:** [UTC] Western European Time, Greenwich Mean Time (dropdown menu)
- Location:** (marked with an asterisk as a required field)

Below the form, there is a "Confirmation code" section featuring a CAPTCHA image with the words "MAJOR" and "BENSLER" and a text input field for the user to type the words. At the bottom of the form are "Submit" and "Reset" buttons. The footer of the page indicates it is powered by phpBB Forum Software and designed by SL Software for PTF.

After getting successfully registered, user should login to view and post on forum.

Login link is on the right side of the page. After logging in, user will get page like below:

The screenshot shows a web browser window displaying the forum index page. The page header includes the logo and name of the Department of Statistics, University of Rajshahi. Below the header, there is a navigation bar with links for 'User Control Panel', 'FAQ', 'Search', 'Members', and 'Logout [mahdee]'. The main content area is divided into several sections: 'Forum' with a table listing 'Study' and 'News' forums, 'Who is online' showing 3 users online, and 'Statistics' showing 0 total posts and 2 total members. At the bottom, there are status indicators for 'Unread posts', 'No unread posts', and 'Forum locked', along with a footer mentioning 'Powered by phpBB® Forum Software'.

Forum	Topics	Posts	Last post
Study	0	0	No posts
News	0	0	No posts

User should select any forum to view and post on it. Clicking on any forum opens it for reading. Option to post new topic on that forum is also there. Clicking on that brings the post writing page which looks like below which contains editor and file attachment options:

Posting topics on appropriate forum increases the chance to get proper response.

Alumni
<http://alumni.statru.org>

Using this alumni site is technically similar to the forum above but reserved for discussion only on alumni related topics. Please use the above process to use alumni site.

Question & Answer

<http://qa.statru.org/>

How to ask questions:

To ask a question users need to be registered. Go to <http://qa.statru.org/> and click on “Register”

The screenshot shows the top navigation bar of the website. It includes input fields for 'Email or Username' and 'Password', a 'Remember' checkbox, and buttons for 'Login' and 'Register'. The 'Register' button is circled in red. Below the navigation bar is the main header 'Question and Answers--Department of Statistics, RU'. A secondary navigation bar contains links for 'Questions', 'Unanswered', 'Tags', 'Users', and 'Ask a Question'. The main content area displays 'Recent questions and answers' with two examples: 'Why do we need statistics?' and 'How to test Random number'. Each question shows 0 votes and 0 answers, and is tagged with relevant keywords like 'STATISTICS' and 'IMPORTANCE'. A footer message encourages users to 'Help get things started by asking a question.'

Fill up the registration form and click Register.

The screenshot shows the registration form titled 'Register as a new user'. It includes input fields for 'Username' (with the value 'enroyed'), 'Password' (with masked characters '*****'), and 'Email' (with the value 'galib.se2@gmail.com'). A 'Register' button is located at the bottom of the form. To the right of the form is a welcome message: 'Welcome to Question and Answers--Department of Statistics, RU, where you can ask questions and receive answers from other members of the community.' Below the form, a privacy notice states: 'Privacy: Your email address will not be shared or sold to third parties.'

After a successful registration a confirmation mail will be sent to your mail address. Click on the confirmation link, and then the registration process will be completed.

Now go to the “Ask question” Tab. Use the next form to ask a question.

The screenshot shows a web interface for asking a question. At the top, there is a navigation bar with tabs: Questions, Unanswered, Tags, Users, and Ask a Question (which is highlighted). Below the navigation bar, the main content area is titled "Ask a question". On the right side, there is a light blue sidebar with a welcome message: "Welcome to Question and Answers--Department of Statistics, RU, where you can ask questions and receive answers from other members of the community." The main form consists of several sections: 1. "The question in one sentence:" followed by a single-line text input field. 2. "More information for the question:" followed by a rich text editor with a toolbar containing icons for bold, italic, underline, font color, font size, background color, text color, link, unlink, list, quote, image, video, and embed. 3. "Tags - use hyphens to combine words:" followed by a multi-line text input field. 4. A checkbox labeled "Email me (galib.se2@gmail.com) if my question is answered or commented on" which is checked. 5. A blue button labeled "Ask the Question" at the bottom.

Click on “Ask the Question”.

To answer:

Click on any question to get the answer field. Write the answer and post it.

Job Portal

<http://jobs.statru.org/>

By using the Jobs board of Department Of Statistics, companies can submit their Proposal for Hiring and Users can apply for Jobs. Here is the front page of The job-portal (<http://jobs.statru.org/>)
