SATELLITE L30
Discover a world of easy mobility.

- Enter the world of mobile computing with a notebook featuring pure, modern design plus a 14" WXGA widescreen display
- Powered by an Intel® Celeron® M processor for the perfect balance between proven mobile processing technology and exceptional value
- Work and play anywhere, anytime with bundled Microsoft® Windows XP Home Edition for your daily computing needs and Microsoft OneNote® Office 2003 for intuitive information management

- Enjoy mobile multimedia and watch DVDs on the go or record your music collection on CD with the built-in CD-RW/DVD-ROM drive
- Benefit from extended connectivity with Wireless LAN*, Ethernet LAN, V.90 modem (V.92 ready) and Toshiba ConfigFree™ for easy management of wired and wireless network connections

* on selected models

ConfigFree™ for easy connectivity

SATELLITE A110
Widescreen performance at an exceptional value.

- Delivers high-performance mobility in a stylish design featuring a 15.4" WXGA Toshiba TruBrite® display for a crystal-clear picture
- Powered by the Intel® Celeron® M processor for the perfect balance between proven mobile processing technology and exceptional value
- Features enhanced multimedia performance courtesy of the ATI Radeon® Xpress 200M chipset

- Enjoy all-in-one convenience with Toshiba's ConfigFree™ for easy management of wireless and wired network connectivity and Microsoft® Office OneNote™ 2003 for intuitive information management
- Offers state-of-the-art connectivity and a broad range of expansion options, including Wireless LAN 802.11b/g*, i.LINK®, TV-out (S-video) and 3 USB ports

* selected models only

15.4" widescreen display

SATELLITE M100
Perfect for widescreen multimedia on the move.

- Full range of stylish notebooks including a 14.1" WXGA widescreen display with Toshiba TruBrite® enhanced screen technology* for breathtaking mobile entertainment and stunning multimedia performance
- Choose optimised mobile performance with the latest Intel® Centrino® mobile technology, featuring an Intel® Core™ Duo processor, or an Intel® Celeron® M processor
- Decide on the right graphics processor for you, including a choice of ATI Mobility™ Radeon® X1400 chipset or Intel® 945GM chipset

- Select from the best in advanced multimedia technologies, including a DVD Super Multi Drive (Double Layer), outstanding virtual surround audio with SRS® sound technology and Harman Kardon® stereo speakers*
- Enjoy all-in-one convenience with 4 USB ports, PC Card support as well as an Express Media Player* button for instant-on access to CD/DVD playback and 5-in-1 Bridge Media slot
- Connect easily with Wireless LAN, Ethernet LAN and V.90 modem

* on selected models

14.1" widescreen display

SATELLITE/SATELLITE PRO A100
Versatile performance for today's digital lifestyle.

- Powered by the new Intel® Centrino® mobile technology, featuring Intel® Core™ Duo processor for thrilling personalised entertainment on the move
- Experience astonishing video entertainment with a 15.4" WXGA widescreen TFT display, Toshiba TruBrite® technology for a crystal-clear viewing experience and the latest ATI graphics*
- Enhanced productivity is yours with bundled Microsoft® Office OneNote™ 2003 for intuitive information management and Toshiba

ConfigFree™ for easy management of wired and wireless network connections
- Advanced system protection thanks to a spill-resistant keyboard which gives users enough time to save their data and shutdown their notebook in the event of an accidental spill
- Benefit from a wide range of smart connection and expansion options including PC Card slots, i.LINK®, 4 x USB ports, a TV-out port and Wireless LAN*

* on selected models

Spill-resistant keyboard

QOSMIO F30 / G30
Qosmio – The world's smartest entertainer.

- Qosmio brings together high-quality TV, HD DVD playback*, superlative audio and powerful mobile computing to create the perfect 4-in-1 digital entertainment system
- Thrill to personalised entertainment with the breakthrough performance of Intel® Centrino® Duo mobile technology and our HDDs with RAID support for a choice of more storage capacity or real-time hard disk mirroring for increased data security
- Experience immersive graphics courtesy of Toshiba's innovative video system, the QosmioEngine, and the NVIDIA® GeForce™ 7600 graphics processor
- Share the best in mobile TV and entertainment thanks to the built-in TV tuner with

analogue and digital support, the brilliant 15.4" or 17" Toshiba TruBrite® display and the integrated HD DVD-ROM player* for a breakthrough cinematic experience
- Be amazed by the rich, powerful listening experience enabled by the 1-bit digital amplifier for high-fidelity audio, plus Dolby® Home Theater™ surround sound and Harman Kardon® stereo speakers with bass-reflex speaker technology
- Experience one of the universe of instant digital entertainment with Toshiba's exclusive QosmioPlayer, AV control buttons, Microsoft® Windows® Media Center Edition (MCE) and MCE remote control
