- **Packaging dimensions (W x H x D):**  
17.45 x 12.25 x 4.25 inch
- **Nett weight:** 3 lb
- **Gross weight:** 4.25 lb
- **Tare weight:** 1.25 lb

### Outer Carton

- **Outer carton (L x W x H):** 18 x 9 x 13 inch
- **Nett weight:** 6 lb
- **Gross weight:** 10 lb
- **Tare weight:** 4 lb

**SPP4410WA/17**

## Product highlights

### Phone line protection

*These connectors accommodate an RJ11 cord, routing the telephone line through the surge protector to guard against spikes and surges.*

### RJ45 data line protection

*These connectors route the data line through the surge protector to protect against spikes and surges that may occur through the data line.*

### 40 dB EMI/RFI noise filtration

*Built-in filtering technology ensures the best performance from your components. It guards against signal interference and loss of data. The higher the dB rating the better the noise reduction.*

### 6 outlets

*Converts one outlet into six outlets allowing you to plug in multiple devices from one single AC outlet.*

### Offset right-angle plug

*This flat and angled design conveniently directs the cord away from the lower outlet and allows furniture to sit more closely to the wall.*

### Protection indicator light

*This LED alert lights up to indicate the surge protector is working properly.*

### I-line splitter

*These connectors route the telephone line through the surge protector and split the line to allow two devices to be connected. It offers the convenience of leaving two devices connected constantly even though they may not be used simultaneously.*

### \$350,000 equipment warranty

*Protects your connected equipment for the life of the product.*
