Thank you for purchasing the Twin USB.Sockets Traveler's Adapter by Wagan Tech. With normal care and proper treatment it will provide years of reliable service. Please read all operating instructions carefully before use.

PRODUCT DESCRIPTION

Expand your existing single lighter plug: the universal car cigarette outlet adaptor with 2 outlet holes allows you to use your car cigarette lighter to charge more than one portable product at the same time.

Now you can charge your cell phone, iPod, PDA or MP3 while using your radar detector or GPS on the go.

SPECIFICATIONS & SPECIAL FEATURES

- Adjustable 2-outlet DC adaptor
- Used in car with multiple cigarette sockets
- Easy installation
- Works for 12V and 24V DC power applications
- Solid construction for easy use
- Compatible with most of cars
- Fuse protection
- Almost zero static current
- USB port Available with 5V 2A (10W)

USING THE ADAPTER

- Just plug the adapter in the cigar lighter of your car
- Connect your peripheral to the Dual USB socket or other sockets
- Remove the adapter when it is not in use as some car systems may still provide power to the socket even when the car is power off
