Model #: P568-100-EZ

Easy Pull All-in-One Cable/Connector Kit - HDMI Monitor Cable w/ Connectors (HDMI - M to HDMI - M) - 100 ft.

Highlights

- Two-piece design runs through conduit or other tight areas
- Threaded circular DIN connector provides secure reattachment
- Superior-molded cables with foil and braid shielding for maximum EMI/RFI protection
- Bandwidth up to 10.2Gbps - Full 1080p Resolution
- Requires B122-000, B123-001 or P166-001-A to boost signal

Description

Tripp Lite's 100 ft. HDMI Easy Pull Monitor Cable with Connectors makes running long length video cables a snap. The pull-apart design allows the cable to be run through conduit or other tight areas that a HDMI connector wouldn't fit through. Diameter of the circular DIN end is only 7/8". Circular Easy Pull connector is threaded to ensure maximum security once the cable is reattached. Double shielding (foil and braid) provides maximum EMI/RFI protection. Both HDMI male ends are molded and have integral strain relief to provide long life. To ensure maximum signal strength with 50 ft. and 100 ft. HDMI cables, use one of these HDMI signal boosters [B122-000](#), [B123-001](#), or [P166-001-A](#). UL20276 Digital Video Cable supports 1080p. Tripp Lite warrants this product to be free from defects in materials and workmanship for life.

Applications

- Suspended ceilings, walls, conduit or anywhere too small to pull a standard HDMI cable through.

Package Includes

- 100 ft. Male/Male Easy Pull HDMI Monitor Cable w/ Connectors
- Requires B122-000, B123-001 or P166-001-A to boost signal (not included)
