## How To Play

Move the ON/OFF key switch to the ON position.

Press the sound key to hear fun sounds.

Open your Magic book and choose a page to play with.

All of the left hand pages are for you to colour / write as you wish – please note that there isn't an electronic function associated with these pages.

All of the right hand pages have an electronic quiz.

To start playing the games, first press on the purple plum at the bottom of the page to start the round ....You will then hear a lovely melody.

To answer the questions touch the correct response with your Magic wand. Be careful - only one answer per question is allowed. The sound effect will confirm whether you have answered correctly, or not. When you have completed all 5 of your the answers you will hear a tune. The tune is different depending on if you have answered the questions all correctly or not.

Some games, as those on pages 2, 16 and 18 are matching games for which you need to answer by creating pairs.

First press on an image, you will hear a cute sound, then press on the second image you think that matches with the first one you selected.

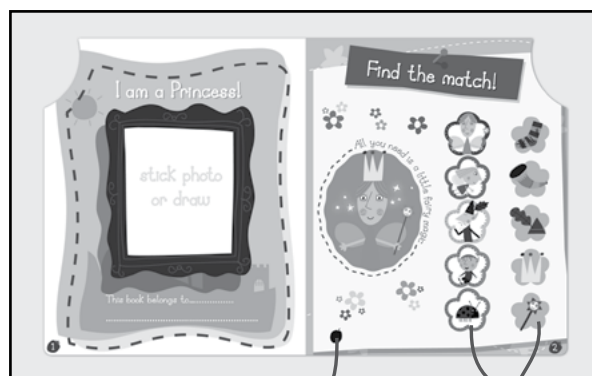

Should you wish to play the same game again then don't forget to press on the purple plum once more to start a new round.

After a minute or so without touching any key, the unit will automatically switch OFF. You can reactivate it simply by touching the purple plum or the sound key.

In-order to save battery life, don't forget to switch the unit OFF (OFF position) when you stop playing.

**CAUTION:** Only use the supplied Magic wand to play with the quiz pages. NEVER use a sharp object nor the tip of pen / pencil as this could damage the product.

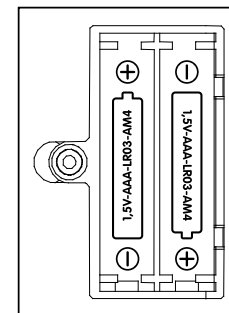

You need to press on this purple plum first to identify the page

Answers contacts

**NOTE:** to ensure that the book is always correctly placed on the electronic case the back cover of the booklet has been glued to the plastic. Please do not remove it as this could affect the functioning of the product.

## How To Change Batteries

1. This product requires 2 x AAA batteries.
2. When required, using a suitable screwdriver, undo and remove the battery cover located under the unit.
3. Insert 2 x AAA batteries into the compartment ensuring they are installed the correct way around.
4. The polarities are marked inside the battery compartment.
5. Should the batteries have no polarity markings, the flat end of the battery should always be inserted against the spring.
6. Reassemble the battery cover and tighten the screw to secure.
7. Do not over tighten.

### Please note the important points below when using batteries to power this product:

- Batteries should be inserted and removed by an adult.
- Only use the type of batteries specified in this user manual, or equivalent type. We recommend the use of alkaline batteries.
- Follow the polarity diagram inside the battery compartment and the polarity markings on the batteries.
- An incorrect location may either damage the toy, or cause battery leakage, or, to an extreme degree, lead to battery explosion.
- Do not try to charge non-rechargeable batteries, as they may leak or explode.
- Replace all batteries at the same time.
- Do not mix new with old batteries
- Do not mix different types of batteries (i. e. alkaline and zinc carbon).
- Remove the batteries during long periods of non-use. Always remove exhausted batteries from the product. Battery leakage and corrosion can damage the product.
- Do not short-circuit the supply terminals. Store batteries away from metal objects.
- Do not dispose of batteries in fire, as they may leak or explode. Never disassemble batteries.
- Rechargeable batteries should not be used.
- When rechargeable batteries are used anyway :
  - Rechargeable batteries shall be charged only under the supervision of an adult.
  - Rechargeable batteries shall be removed from the toy before being charged (if they can be removed).
- If a battery is swallowed, consult a Doctor or Medical Facility. Don't forget to take the product with you.
- If battery leakage occurs and comes in contact with the skin or eyes, wash immediately with lots of water.
- Batteries are included for demonstration purposes only and may need replacing after purchase.
- Strong Electro Magnetic Interference may disturb the normal function of the product. If so, simply reset the product to resume normal operation by following the instruction manual. In case the function does not resume, please use the product in another location.
