

Model #: 1030HT

UPC: 649532010301

MSRP: \$119.99

The CyberPower 1030HT Home Theater Surge Suppressor is the ultimate high-end audio/video surge protector, offering 6000 Joules of MOV power protection. This shelf-mount unit has a rock-solid composite interior with a silver metal overlay shell. 16 LED's illuminate the front-panel display, giving the user full, visual diagnostic information. Exclusive Signal Scrubber™ is a line conditioning technology that independently filters audio/video signals and delivers a true experience for high-end audio/video enthusiasts. RJ-11 ports protect phone/fax/modem/DSL equipment; RJ-45 ports protect network connected equipment such as computers, hubs, and routers; 3 (three) RG-6 gold-plated coax ports guard cable modems, cable TV lines, and DSS equipment. EMI/RFI filtering blocks electro-magnetic and radio interferences from entering your equipment, and MOV technology ensures the protection off all connected electronics, and the surge suppressor itself. CyberPower fully stands behind its products with a lifetime product warranty and Connected Equipment Guarantee of \$400,000.

- Signal Scrubber™ - Audio and video signals are isolated, and then independently filtered to guard against component cross-contamination and improve signal quality. The result is pure sound with expansive dynamic range, precise picture quality, and enhanced color depth.
- MOV (Metal Oxide Varistor) - MOV technology allows normal current to pass through the device, while diverting any surge/spikes through the ground circuit. This safely protects all connected electronics along with the surge suppressor itself.
- Transformer-spaced Outlets - Widely spaced outlets allow you to conveniently add large transformer-based plugs without compromising the utility of other outlets.
- EMI/RFI Shielding - Provides shielding against electromagnetic interference & radio frequency signals. Most commonly, this is used to prevent line noise or "humming" that occurs over telephone lines or stereo electronics.
- ISO & Safety Certifications - All CyberPower's manufacturing facilities are ISO-9001 Quality Tested. Our products are also UL Listed and CSA Certified.
- Keyhole Mounting Slots – Convenient mounting slots are located on the back on the surge suppressor.
- Sturdy ABS Case – Constructed of impact-resistant composite material for maximum durability.

## Technical Specifications

| Input                          |   |
|--------------------------------|---|
| Voltage                        | 110/120V Nominal  |
| Plug Type                      | NEMA 5-15P  |
| Plug Style                     | Right-angle   |
| Cord Length                    | 8 ft  |
|                                |   |
| Output                         |   |
| Outlets - Total                | 10  |
| Outlets - Widely Spaced        | 4 x NEMA 5-15R  |
| Outlets - Normal Spaced        | 6 x NEMA 5-15R  |
|                                |   |
| Surge Protection and Filtering |   |
| Surge Suppression              | 6000 Joules   |
| Phone Protection (RJ11)        | One-in/Two-out  |
| Ethernet Protection (RJ45)     | One-in/One-out  |
| Coax Protection (RG6)          | Three-in/Three-Out  |
| Maximum Surge Current          | 260,000 Amps  |
| Maximum Surge Current H-N      | 90,000 Amps   |
| Maximum Surge Current H-G      | 90,000 Amps   |
| Maximum Surge Current N-G      | 75,000 Amps   |
| Maximum Surge Voltage          | 6,000V  |
| Clamping Voltage               | 330 V   |
| Response Time                  | <1 ns   |
| EMI/RFI Filtration             | EMI/RFI 100KHz to 100MHz  |
| Attenuation                    | Up to 58dB  |
|                                |   |
| Indicators                     |   |
| Indicator Lights               | Power (Green); Surge (Green); Ground (Green); Switched (Yellow); 6 Usage Indicators; 6 Input Voltage Indicators |
|                                |   |
| Physical                       |   |
| Dimensions (WxHxD)             | 18" x 2.5" x 4.75"  |
| Weight                         | 6.2875 lbs.   |
| Color                          | Silver  |
|                                |   |
| Warranty                       |   |
| Product Warranty               | Lifetime  |
| Connected Equipment Guarantee  | Lifetime  |
| CEG Amount                     | \$400,000   |
