ANNEXURE-B**TERMS AND CONDITIONS OF BBMB****1. DELIVERY****1.1 Delivery period**

Supply of items as stipulated in this contract shall be completed by supplier within **10 weeks** from the date of receipt of technically and commercially clear order. One week time for postal transit in case of outstation letters and three days in case of local letters is allowed.

In case the supplier is unable to complete whole or any item of supply within stipulated period, for recognized reasons of 'Force Majeure' mentioned in clause 2 below, he shall be responsible to furnish well in time sufficient documentary evidence to the satisfaction of the purchaser to prove the existence of conditions mentioned in the Clause 2 so as to justify grant of extension by the purchaser of the 'Delivery Period' mentioned above. Such extension will be granted by the purchaser for the period for which the completion of supply is proved, by the supplier, to have been delayed for the said reasons due to 'Force Majeure'. In case of delay in delivery, the despatches shall be made only after obtaining written consent of the purchaser.

1.2 Extension of Delivery period

Any genuine delay in approval of technical details, drawings, issuance of amendment of purchase order, conducting inspection and approval of inspection tests/test certificates for allowing despatches, etc. will count towards extension of delivery period by corresponding period other than admissible under Force Majeure conditions, if any, substantiated by the supplier and duly accepted by the purchasing authority.

Date of delivery shall be taken as 7th day after the date of readiness of material for inspection in case of purchase orders up to Rs. 5 lac and 14th day after the date of readiness of material in case of purchase order more than Rs. 5 lac. provided the material offered passes the inspection and proof of despatch of material within seven days of the receipt of despatch authorization and road permit (wherever required) is given by the supplier. In case, however, the material fails during inspection at the works/site, as the case may be, either fully or partially or the material is not ready for inspection when the inspector visits the works for inspection, the re-inspection charges shall be recovered from the firm. The date of readiness of the material in this case will be reckoned with reference to the date from which the material/ equipment is offered to be ready for the re-inspection provided the material passes the inspection that follows the offer. The road permit shall be supplied by the consignee expeditiously to ensure the timely despatch of material. In case the material is not despatched within 7 days of the receipt of despatch authorization and the road permit (wherever required), date of delivery shall be taken as date of receipt of material by the consignee at site/store.

2. FORCE MAJEURE

The supplier shall not be liable for any penalty charges due to the delay in manufacture or delivery of material resulting from any causes beyond the supplier's reasonable control including but not limited to compliance with the regulations, orders or instructions of Central/State or Municipal Govt .or Agency thereto, Acts of God, acts of civil and military authorities, fires, floods, strikes, lockout, freight embargoes, war risks, riots and civil commotion's. The supplier will seek extension of delivery period within three weeks of occurrence of such an event and clearly state the anticipated delay in supply on

account of such an event/events. On receipt of such a request from the supplier, extension in the delivery period may be granted for the period for which the completion of work is proved by the supplier to have been delayed for circumstances covered by reasons of Force Majeure subject further to the condition that if the delivery period is likely to be extended by more than sixty days on account of any event, the purchaser shall have the option to accept any portion of the balance material and cancel the order for the rest provided, however, that if any material had been manufactured exclusively for the purchaser under the contract prior to the commencement of Force Majeure circumstances, it shall be accepted by the purchaser and the cancellation will be without any liability for damages on the part of the supplier and without any payment of the compensation by the purchaser.

3. PENALTY CHARGES

If the supplier fails to abide by the provisions of the Clause 'Delivery Period', he shall be liable to pay @ ½% per week or part thereof of the ex-works delivery price excluding taxes and duties (but including freight and insurance charges where break-up of FOR destination price is not available) of such portion of material as has not been delivered within the 'Delivery Period' subject to maximum of 10% of the contract value of the delayed/undelivered portion of the material.

4. TERMS OF PAYMENT

4.1 100% payment within 30days of receipt of material at site in good condition and successful demonstration according to specification, physical verification and record entry by consignee in the relevant GR/MB

4.2 Bank charges, if applicable, will be borne by the supplier.

5. NEGLIGENCE

If the supplier neglects to execute the work with due diligence and expedition or refuses or neglects to comply with any reasonable order(s) given in writing by the purchaser in connection with purchase order or contravenes the provisions of the Purchase Order, the purchaser may give 21 days Notice in writing to the supplier to make good the failure, neglect or contravention complained of and should the supplier fail to comply with the notice within a reasonable time from the date of service thereof, in case of failure, neglect or contravention capable of being made good, within that time or otherwise within such time as may be reasonably necessary for making it good, then and in such case(s) the purchaser shall be at liberty to take the work wholly or partly out of the hands of the supplier and re-contract at reasonable price with any other person or persons. In such an event, it shall be lawful for the purchaser to retain any such balance which may otherwise be due by him to the supplier on any account including the amount of Bank Guarantee and apply the same towards the execution of whole or balance of the work so re-contracted, as aforesaid. If no such balance is due by the purchaser to the supplier or, if due is not sufficient to cover the amount thus recoverable from the supplier, it shall be lawful for the purchaser to recover the whole or balance of the amount from the supplier by the action of the law.

6. BANKRUPTCY

If the supplier shall commit any act of the bankruptcy or being a corporation commences to be wound up except for reconstruction purposes, or carry on its business under a receiver, the executors, successors or other representative(s) in law of the state of the supplier or any such receiver, liquidator, or any persons(s) in whom the contract may become vested, shall forthwith give notice thereof in writing to the purchaser and shall for one month, during which the supplier shall take all reasonable steps to prevent stoppage of the work, have the option of carrying out the contract subject to the supplier providing such Guarantees as may be required by the purchaser but not exceeding the value of the work for the time being remaining un-executed. In the event of stoppage of the work, the period of the option under this clause shall be fourteen (14) days only. Provided that,

should the above option not be exercised, the contract may be terminated by the purchaser by notice in writing to the supplier and the same powers and provisions reserved to the purchaser in the last preceding clause of taking the work out of the supplier's hands shall immediately become operative.

7. REPLACEMENT OF REJECTED MATERIAL

i) Material found damaged, sub-standard defective or not conforming to the prescribed specifications in any manner at the consignee's end, shall not be accepted and an intimation to this effect shall be given to the supplier and the purchaser by the consignee. The supplier shall rectify or replace the defective/sub-standard material forthwith and in any case, within a period of 60 days from the date of intimation of rejected supplies. If the supplier fails to rectify or replace the defective/sub-standard material or make good the damages within the period specified above, the balance payment/Bank Guarantee as the case may be, shall be with-held until the defective material has been replaced by or the advance payment made in respect thereof refunded by the supplier. The purchaser shall reserve the right to get the defects/damages rectified at the supplier's cost or to dispose off such material and adjust the sale proceeds thereof, if any, against its claim on supplier. The cost of rectification or balance of purchaser's claim against the supplier shall be adjusted from the supplier's pending dues and /or security deposits against this or any other contract in force and the balance of the cost/claim shall be recovered from the supplier by action of the law. All expenses involved in the replacement by way of handling, transportation, storage etc. shall be on supplier's account.

ii) In respect of the defective/sub-standard supplies, the date on which such a supply is replaced, shall be reckoned as the effective date of delivery there against and the delay shall be worked out accordingly with reference to the date on which the supply was due as per the terms of contract, for the purpose of determining penalty for charges recoverable under Clause-3 above.

The provisions of sub-clause (i) and (ii) above shall apply mutatis mutandis, to the material found substandard or defective during the period of warranty.

8. WARRANTY

The supplier shall be responsible to replace free of cost, with no transportation or insurance cost to the purchaser upto the destination, the whole or any part of the material which on normal and proper use proves defective in quality or workmanship, subject to the condition that the defects are noticed within 12 months from the date the material is commissioned/put to use or 18 months from the date of despatch whichever period may expire earlier. The consignee or any other officer of the purchaser actually using the material will give prompt notice of each such defect to the supplier as well as the purchaser. The replacement shall be effected by the supplier within a reasonable time but not in any case exceeding 60 days, from the date of intimation of defects. The supplier shall also arrange to remove the defective supply within a reasonable period, but not exceeding 60 days from the date of issue of the notice in respect thereof, failing which the purchaser shall reserve the right to dispose off the defective material in any manner as considered fit at the sole risk and cost of the supplier. Any sale proceeds of the defective material after meeting the expenses incurred on its custody, disposal, handling etc. shall, however, be credited to the supplier's account and set off against any outstanding dues of the purchaser against the supplier.

These provisions shall also equally apply to the replaced material. In case the material is again found to be defective within a period of 12 months of its replacement, it shall also have to be replaced similarly.

9. WARRANTY DEED

The supplier shall execute a Warranty Deed (on the standard Performa to be supplied by the purchaser), on a non-judicial stamp paper required for such deeds as per the relevant act of the State in which it will be executed and signed and shall be kept valid for the Warranty period as per clause-8 above. The Warranty Deed shall be supplied immediately after placement of purchase order.

10. PERFORMANCE BANK GUARANTEE

The supplier shall furnish a performance Bank Guarantee (on a standard Performa to be supplied by the purchaser) of the value of 10% of the contract to cover the satisfactory working of the material during the period of warranty as per Clause-8 above and it shall also be kept valid till such time any claim of the purchaser is pending against the supplier. The Performance Bank Guarantee shall be furnished by the supplier one month before the commencement of delivery.

11. TESTS AND INSPECTION**11.1 Standard Tests**

All the equipment/material shall comply with the requirements of the 'Type Test'. Certified copies of all the test certificates/calculations required shall be supplied to the purchaser for approval/acceptance. In case test certificate(s) for any of the type tests is found to be un-acceptable by the purchaser, the supplier shall arrange to carry out the said test(s) afresh without any extra cost to the purchaser.

11.2 Certificate of Tests & Inspection

When the tests and inspection have been satisfactorily carried out by the Inspector, the test certificates of each batch of supply shall be submitted in sextuplicate by the supplier to the Planning & Design (Power Plants) Directorate, BBMB (PW), Plot No. 6-B Sector 19-B Madhya Marg ,Chandigarh-160019 for approval. The purchaser shall then convey approval of test certificates.

11.3 Material destroyed during test

Material destroyed during tests shall not be counted against quantities to be supplied against the contract and no payment whatsoever shall be made for such material.

11.4 Consignee's right of rejection

Notwithstanding any approval which the Purchaser may have given in respect of the material, it shall be lawful for the consignee to reject the material or any part thereof on behalf of the purchaser within a reasonable time after actual receipt thereof by him if the material or any part thereof is not in conformity with the terms and conditions of the contract whether on account of any loss, deterioration or damage before despatch/delivery or during transit and the supplier shall be responsible for rectification of all the defects noticed by the consignee after receipt of material.

12. TRANSPORTATION, INSURANCE & HANDLING OF MATERIAL

The supplier shall be responsible for transportation, insurance and handling of material upto the destination station as per dispatch instructions. The material shall be dispatched by Road 'Freight Pre-paid' basis. The purchaser shall have the right to lodge claims for shortages/damages etc. if any during transit with supplier within 30 days of receipt of material. The settlement of such claim with the under writer shall be your responsibility. In such an event, the consignee shall obtain an open delivery certificate from the carrier.

13. ARBITRATION

If at any time any question, dispute or difference whatsoever, shall arise between the purchaser and the supplier, upon or in relation to or in connection with the contract, either party may forthwith give to the other notice in writing of the existence of such question, dispute or difference and the same shall be referred to award of two arbitrators, one to be nominated by the purchaser and the other to be nominated by the supplier or in the case of said arbitrators not agreeing then to the award of an umpire to be appointed by the arbitrators in writing before proceeding with the reference and the decision of the arbitrators, or in the event of their not agreeing, of the umpire appointed by them shall be final and binding on the parties and the provision of the Indian Arbitration and Conciliation Act, 1996 of the rules there under and any statutory

amendment/modification or re-enactment thereof, for the time being in force shall be deemed to apply and to be incorporated in the contract.

Such notice of the existence of any question, dispute or different in connection with contract shall be served by either party within 180 days of the issue of receipt by the consignee for each consignment, failing which all rights and claims under this contract shall be deemed to have been forfeited and absolutely barred.

The work under the contract shall, if reasonably possible, continue during the Arbitration proceedings and no payment due or payable by the purchaser shall be withheld on account of such proceedings.

14. CANCELLATION OF PURCHASE ORDER

The purchaser shall have the right to amend or cancel the order at any time before the receipt of intimation regarding manufacturing of material, if he is satisfied that the delay in execution of the order by the supplier is willful and detrimental to the interest of the purchaser. In case where after the commencement of manufacture, there is a willful delay on the part of the supplier to the manufacture/despatch of the material, the purchaser may cancel the order for whole/unexecuted portion after giving a notice of 15 days to the supplier.

15. JURISDICTION OF COURT

In case of any dispute between the parties, the Courts at Chandigarh only shall have the jurisdiction to settle/decide and adjudicate upon such disputes. Before approaching the court of law, any dispute or difference arising in connection with the contract shall be referred by either party for arbitration in accordance with Clause-13 above.

16. IMPORT LICENCE

Normally no import licence shall be provided by the purchaser for the procurement of raw material and as such, the procurement of the same will be the responsibility of the supplier. No assistance will be rendered by the purchaser in this regard. However, in case tender is submitted on FOR/FAS basis for the complete equipment necessary actual user's import licence will be arranged by the purchaser.

17. MATERIAL AND WORKMANSHIP

All the materials used in the manufacture of equipment shall be of the best quality obtainable of their respective kinds and the whole of the work shall be of the highest class, well finished and of approved design and make.

Castings shall be free from blow holes, flaws cracks or other defects and shall be smooth, close grained, and of true forms and dimensions.
