SATELLITE PRO U500

No-compromise 13.3" laptop for professionals

Flat keyboard with LED backlights* and illuminated keys

8-button EasyControl Bar including Eco Utility Button

HD Web camera in 1280 x 800 widescreen resolution

The Satellite Pro U500 is a masterpiece of modern style, scaled down into a 13.3" ultra-portable. Heads will turn to check out its ultra-thin lightweight design, elegant colour and textured finish. And when you get down to business, the Satellite Pro U500 can tackle all day-to-day computing tasks. The Satellite Pro U500 is packed with advanced new mobile technology such as high-end processing and a hard disk of up to 500 GB with the big extra benefit of shock protection. It also redefines the concept of "usability" with an array of Toshiba EasyGuard features that make your working life so simple. In short, all the essentials including a Super Multi DVD drive and more in a slimline business laptop - with seriously cool looks.
