APPENDIX 3 TO PD CIG 023 FACTORY INSPECTION REPORT

GENERAL GUIDANCE

This Appendix is to be used only if UL GS certified products are manufactured at the production site.

- The questions of this factory inspection report are based on the requirements given by the GS Document ZEK-GB-2006-01.
- This document is to be completed by inspectors that have competencies for conducting CIG inspections and that is registered in FUS competency Database.
- These requirements relate to the certified product(s) only.
- This report together with the CIG 023 report forms the documentation for the UL GS inspection.
- This report consist of 3 pages

Instructions to the Inspector are shown in italics.

The report shall be completed even if there is no production at the time of the visit.

For all 'NO' answers details shall be provided on the INSPECTORS EVALUATION-Findings page in CIG 023.

For all 'N/A' answers rationale shall be provided as to why the item is not applicable

Details should be given on INSPECTOR'S EVALUATION-Informative page in CIG 023.

	Production site		FI Number
