Welcome to **Chevron** - we hope you enjoy living here.

This information booklet has been prepared by the Chevron Committee of Management to assist everyone with the daily requirements of living within the complex and to provide you with useful information about how the building operates.

Should you be renting your apartment to a tenant, we ask that you make sure your tenant receives a copy.

Please take the time to read through the information provided, as it will assist in providing a harmonious environment for everyone to live in. If you should have any questions or queries after reading the information provided, please contact your Owners Corporation Manager or Building Manager.

Living in an Owners Corporation

For the duration of your time at **Chevron** you will be living within an Owners Corporation.

Owners Corporation

An Owners Corporation is created when a plan of subdivision, plan of strata or cluster subdivision is registered. An Owners Corporation is the incorporated body of all owners of a particular strata development.

The Owners Corporation responsibilities include:

- ❑ To manage and administer the common property.
- ❑ To repair and maintain:
 - Common Property
 - The Chattels, fixtures, fittings and services related to the Common Property or its enjoyment.
 - Equipment and services for which an easement or right exists for the benefit of the land affected by the owners corporation or which are otherwise for the benefit of all or some of the land affected by the Owners Corporation.
- ❑ To take out, maintain and pay premiums on insurance required.
- ❑ To keep an Owners Corporation Register.
- ❑ To provide an Owners Corporation Certificate in accordance with the Owners Corporations Act 2006.
- ❑ To carry out any other function conferred by the Owners Corporations Act 2006.
- ❑ Appointment of Manager.

The Financial Year for **Chevron** runs from the 1st August to the 31st July. As a member of the Owners Corporation, an owner will receive a quarterly Fee Notice. Fees and Levies for Chevron are due and payable on the following dates 1st August, 1st November, 1st February and 1st May.

Levies are a contribution towards the maintenance, upkeep and replacement of items within Common Property.

The amount paid is based on the Lot liability allocated to the lots owned within the Common Property. The Lot Liability is calculated by the planning surveyors and is a registered component on the Plan of Subdivision.

Committee of Management

The Committee of Management is elected at the Annual General Meeting and consists of a committee or board of members (owners) of an Owners Corporation.

Your Committee of Management assists the Owners Corporation Manager with the operation of your Owners Corporation.

The Committee of Management is obliged to provide a report of its activities at each Annual General Meeting.

In accordance with the Owners Corporations Act 2006, the Committee of Management has all the powers and functions of the Owners Corporation, unless otherwise directed at an Annual General Meeting.

Owners Corporation Manager

The Committee of Management appoints an Owners Corporation Manager for Chevron.

The Manager is responsible for:

- ❑ Overseeing the performance and functions of the Building Manager
- ❑ Ensuring the building complies with the requisite Insurance requirements (i.e Building Insurance, Public Liability Cover etc)
- ❑ Owners Corporation Levy Invoicing and Receipting of payments received.
- ❑ Payment of Accounts Payable.
- ❑ Maintaining the Owners Corporation Records.
- ❑ Ensuring Common Property areas are properly maintained.
- ❑ Ensuring Owners Corporation Rules and Regulations are adhered to.
- ❑ Preparation of Annual Budget for the approval of Members
- ❑ Arranging and attending Owners Corporation Meetings as required.
- ❑ Distributing Minutes of Meetings and other information as directed by the Committee of Management to all members.

The Owners Corporation Manager is required to provide a report of their activities at each Annual General Meeting.

Building Manager

Chevron has appointed a Building Manager to help assist with the daily functions and maintenance on site.

Your Building Manager is responsible for:

- ❑ Ensuring the Owners Corporation Rules and Regulations are adhered to by residents
- ❑ Assisting the Owners Corporation Manager
- ❑ Ensuring that Contractors perform their duties whilst on site.
- ❑ Ensuring the Common Property is properly maintained and reporting any items requiring attention to the Owners Corporation Manager
- ❑ Providing first class service to all residents as per the requirements and instructions of the Owners Corporation.

Your Building Manager can be contacted after hours, for Building Emergencies only, (e.g Fire, Security Breaches, Failure of Essential Equipment affecting the Common Property).

Should you lock yourself out of your apartment, you will need to contact a locksmith. The Building Manager does not have a key to enable access to your apartment.

Tenancy Managing Agent

Those owners who have decided not to live within their investment, will have in most circumstances, appointed a Tenancy Managing Agent.

A Managing Agent is responsible for;

- ❑ Procuring Tenants
- ❑ Preparation of Lease Documents
- ❑ Rent Collection
- ❑ Ensuring that the Tenant adheres to the Rules and Regulations of the Owners Corporation.
- ❑ Ensuring that items within the apartment are properly maintained.
- ❑ Ensuring that costs incurred for damage or false fire alarms caused by the tenant are recovered from the tenant responsible.

Duties and Rights of Lot Owners

An owner of a lot within Chevron is responsible for:

- ❑ Ensuring they (and any occupier of the property (i.e. tenant, family member or guest) adhere to the Rules and Regulations of the Owners Corporation.
- ❑ Ensuring the property is properly maintained and in a state of good and serviceable repair.
- ❑ Maintaining any service that serves the lot(s) exclusively.
- ❑ Ensuring common property is not used, neglected or permitted to be used or neglected in a manner, which is likely to cause damage or deterioration to the common property.
- ❑ Ensuring the Owners Corporation is notified of any application for a building permit or planning permit or the certification of a plan of subdivision affecting the lot.
- ❑ Ensuring a copy of the Rules and Regulations of the Owners Corporation is made available to any tenant or occupier of the lot.

Duties and Rights of Tenants

Tenants at Chevron have many of the same duties and responsibilities of those who own and live here.

Tenants are required to:

- ❑ Adhere to the Rules and Regulations of the Owners Corporation (if they have not received a copy of the Rules and Regulations, they should contact their managing agent). This includes adhering to the hours of use for the Gym/Pool facilities and the requirements for moving into and moving out of the property.
- ❑ Comply with the Owners Corporations Act 2006 and corresponding Regulations.
- ❑ Not use or neglect the common property or permit it to be used or neglected in a manner that is likely to cause damage or deterioration to the common property.
- ❑ Report any items of concern to the apartment's managing agent.

Guidelines for Residents Moving in or Vacating

Moving in – Contacts and Times:

Upon confirmation of an owner's settlement or signing of a lease, intending residents must contact the Building Manager, on the following numbers to arrange a booking time for their move in.

Office Phone: +61 3 9533 2192, Office Fax: +61 3 9533 2195, or Email: manager@chevronapartments.com.au

- Moves, in or out, can be arranged between the hours of 8.00am to Midday and Midday – 4.00pm Monday to Friday. Moves must be completed by 4.00pm. Moves are not permitted on Saturdays, Sundays or Public Holidays. Please note: residents will not be permitted to move into or out of an apartment unless a booking has been made.
- Please advise the removalist of time constraints and make every effort to be on time so we can ensure the moves occur with minimal hold up.
- Chevron Apartments: Moves will occur from St Kilda Road via the foyer located near the corner of St Kilda and Commercial Roads. It may be possible to arrange a Permit with the City of Melbourne to park the removalist vehicle in St Kilda Road close to the entrance foyer. Please call the Building Manager for details. Only moves to or from ground floor apartments are permitted through the Commercial Road foyer.
- Chevron Green Apartments: There are two Loading Bay Docks available on Alfred Lane to facilitate moves. Bay 1 is able to accommodate vehicles up to 6.0 meters long and 4.5 meters high. Bay 2 is only able to accommodate vehicles up to 6.00 meters long and 2.8 meters high. Each bay is approximately 3.3 meters wide.

Residents moving into the Western Tower may be able to arrange a permit from the Melbourne City Council to park their removal vehicles in St Kilda Road close to the St Kilda Road gate. Please call the Building Manager for details.

Removalist Access

Intending Movers must advise the Building Manager of the name of the Removalist delivering or removing the goods. The Building Manager will explain access details and arrange parking for the Removalist.

It is recommended that the Removalist take some care and check the premises out prior to the move, so they can best advise how the move will take place and provide the most accurate quotation.

Removalist Insurance

The Removalist must provide the Building Manager with a copy of a Certificate of Currency for their Public Liability Insurance Policy prior to the move. If the Removalist does not provide these details, they will not be permitted on site.

Signing an Indemnity Form

The removalist and the intending resident must sign an indemnity form. Should the removalist or the resident refuse to sign the Indemnity Form, they will not be allowed to commence the move. For further information please contact the Building Manager.

Carriers and Tradespeople

Notify all carriers and tradespeople that they must contact the Building Manager prior to arrival on site.

Lifts

The Building Manager will lock off a lift to facilitate loading and unloading of furniture etc. to and from the lift. Once the move is complete, the Building Manager will unlock the lift so that all residents may use it.

Furniture and goods must not be stacked or placed against the lift doors in order to keep them open.

Protective Covers in Lifts and on Floors

Furniture may only be moved into the building once the protective covers have been fitted to the lifts and floors in common areas. Protective covers must be arranged through the Building Manager.

Timing

Ensure moving of goods to and from the lift as quickly as possible. Goods are not to be stacked / stored in any thoroughfare or foyer. Trolleys are not to be stacked in any foyer and thus should be wheeled directly from the Vehicle through the lobby into the lift and then into the apartment.

Packaging and Boxes

Removalists must be encouraged to take cardboard boxes and packaging away with them. Should this not be done, residents should carefully follow the instructions for waste disposal for polystyrene, plastic, paper and boxes.

Inspection on Moving in or Vacating

The Building Manager will inspect the lifts, foyers and common areas for any damage, which will be noted on the Form of Indemnity. Please note that respective resident(s) will be held responsible for damage to common property.

Tiled Floors

When moving furniture and white goods over tiled floors, the resident and/or removalist must lay, protective hard and stiff load distribution sheeting (e.g plywood) on the floor to avoid floor damage.

We advise that these guidelines are for the benefit of all residents and owners to ensure that minimum damage occurs to common property. We request residents respect these guidelines and follow them to the best of their ability.

Persons failing to book a move or who do not follow these guidelines could be requested to leave the site.

For further information on moving in or out of the building, please refer to Owners Corporation Rule no 27.

Leasing / Selling Procedures

Owners Responsibility

In accordance with Section 136 of the Owners Corporations Act 2006, it is the responsibility of the Lot Owner to provide the Occupier of the Lot with a copy of the Owners Corporation Rules at the commencement of their tenancy and a copy of any new rules as soon as possible after the new rules have been made.

Sections 128 and 136 require all Lot Owners and Occupiers of Lots to comply with the Rules of the Owners Corporation.

Estate Agent Responsibilities

For Sale, For Lease and For Auction Signs and or Boards are **NOT** permitted at **Chevron**.

Strict attention must be paid to the security of the building during inspections and auctions. A Real Estate Agent must be at the main entry and must escort each and every prospective purchaser(s)/tenant(s) through the building.

Real Estate Agents must supervise all inspections of apartments either for sale or rent. Real Estate Agents must ensure that during inspections potential purchasers do not wander around the premises unsupervised, if this occurs, your Real Estate Agent may be asked to leave the premises, as this causes a Public Liability risk to all owners.

Auctions are not permitted to be held on common property.

Agents Must:

- Inform the Owners Corporation of new owners and tenants including contact details.
- Incorporate a copy of this handbook in any lease or sale document.
- Not misrepresent the Additional Rules of the Owners Corporation or information contained in this Handbook.
- Make the appropriate arrangements with the Building Manager regarding new residents moving in or out of the building.
- Obtain all keys, proximity cards, Car Park remotes from residents at the time of vacating the premises.
- Ensure that a copy of this handbook remains in the apartment (additional copies can be obtained from the Owners Corporation Manager).
- Advise the Building Manager of any possible breach of security, i.e. lost/misplaced keys, proximity cards or Car Park remotes.

Restriction on the Number of People Residing within an Apartment

Owners should advise Tenants within their Tenancy Agreements of the acceptable number of residents allowed to occupy each apartment.

Overnight guests are to be expected from time to time, but ongoing overcrowding is not acceptable.

Building Facilities

Access to Buildings

Chevron comprises two apartment buildings;

Building 1, located at 9 Commercial Road is identified as **Chevron Apartments**.

Building 2, located at 539 St Kilda Road is identified as **Chevron Green Apartments**.

Chevron Apartments

There are two main entries to the Chevron Apartments building. The primary entry is located at 9 Commercial Road, a secondary entrance is located on St Kilda Road.

Chevron Green Apartments

There are two main entries to the Chevron Green Apartment building. Both of these entrances are accessed from 539 St Kilda Road.

The Western Entrance is for access to the Western Apartments, apartments; G02-G10, 101-109, 201-210, 301-309, 401-410, 501-509, 601-610, 701-709.

The Eastern Entrance is for access to the Southern and Eastern Apartments, apartments; G12-G30, 111-116 & 124-136, 211-231 & 237, 311-316, 327-337, 411-424, 427-431 & 437, 511-516, 524, 527-537, 611-624, 627-631 & 637, 711-716, 724, 727-734, 824, 827-831, 835-837.

Vehicle Access

Vehicle access to the car park is via Alfred Lane, just off Commercial Road. Please ask the Building Manager if you are unsure of your car park location. Do not park in another resident's car parking space – this is a breach of the Owners Corporation Rules.

Access to the car park is gained by either using your car park remote or the proximity card used to enter or exit the building.

Intercom System

Intercom units are located at the entrances to all buildings, at the garden gate located on Commercial Road, and the garden gate located at 539 St. Kilda Road. There is also an intercom located at the entrance and exit to the car park and at each lift bank in the car park on level B1.

The control panel provided for the intercom in each apartment permits access to the building via the passenger lift to that apartment's floor. After answering a call from a visitor the resident presses the upper release button on the intercom to provide access to the particular door or gate. The lower button is pressed to provide access to the apartment floor in the lift.

Visitors can contact an apartment by following the instructions below:

<p><u>Chevron</u> 9 Commercial Road</p> <p>Press:</p> <div style="display: flex; justify-content: space-around; align-items: center;"> <div style="border: 1px solid blue; border-radius: 15px; padding: 5px; text-align: center;"> Apt. Number </div> <div style="border: 1px solid blue; border-radius: 15px; padding: 5px; text-align: center;">  </div> </div>	<p><u>Chevron Green</u> 539 St Kilda Road</p> <p>Press:</p> <div style="display: flex; justify-content: space-around; align-items: center;"> <div style="border: 1px solid blue; border-radius: 15px; padding: 5px; text-align: center;">  </div> <div style="border: 1px solid blue; border-radius: 15px; padding: 5px; text-align: center;"> Apt. Number </div> <div style="border: 1px solid blue; border-radius: 15px; padding: 5px; text-align: center;">  </div> </div>
---	--

We recommend exercising caution when admitting visitors and advise residents to only admit people they know or are expecting. **Do not admit strangers.**

Mail Deliveries

Each Apartment has a mailbox that is clearly labelled with the apartment number. The mailboxes are individually keyed. The Owners Corporation does not hold keys to your mailbox, therefore if you lose your keys, you will need to arrange for a locksmith to reissue you with a new key.

Chevron Apartments

Mailboxes are located at the 9 Commercial Road entry, on the east side of the lobby on the ground floor. Access can only be gained once inside the lobby, therefore access is restricted to residents.

Chevron Green Apartments

Mailboxes are located at the entrance to the East and West Lobby areas at 539 St. Kilda Road. The Western Apartment Mailboxes are located adjacent to the West Lobby on the ground floor, and the Eastern and Southern Apartment Mailboxes are located adjacent to the East Lobby on the ground floor. Access can only be provided once inside the lobby, therefore access is restricted to residents of these towers only.

The Western Entrance accesses mailboxes for apartments; G02-G10, 101-109, 201-210, 301-309, 401-410, 501-509, 601-610, 701-709.

The Eastern Entrance accesses mailboxes for apartments; G12-G30, 111-116 & 124-136, 211-231 & 237, 311-316, 327-337, 411-424, 427-431 & 437, 511-516, 524, 527-537, 611-624, 627-631 & 637, 711-716, 724, 727-734, 824, 827-831, 835-837.

Security of Residents

Maintaining Security is the shared responsibility of all residents of Chevron. It is therefore essential that extra care is taken when entering or exiting the building, you should not allow anyone to enter the building who is not known to you. Visitors should use the Intercom Systems provided and Residents should use their proximity cards provided.

External entry / exit doors must not be propped open and you should ensure they close securely behind you each time.

- Residents can access the building using the proximity card provided
- Visitors are required to contact a resident via the video intercom.

Keys

The key to your apartment is on a restricted system and will only open your apartment door.

Additional keys to your apartment can be obtained by completing the "Additional Apartment Key" order form available from the Building Manager and returning it to the Owners Corporation Manager.

Once your application has been approved by the Owners Corporation Manager, your request will be forwarded directly to Omega Corporate Security (please note that we will require proof that you either own and live in the apartment or that you are tenant prior to issuing approval for additional keys).

Please note: Payment for these keys must be made directly to Omega Corporate Security by Cheque, Money Order or Credit Card.

Proximity Cards and Car Park Remotes

For **additional** proximity cards and or Car Park Remotes please complete the "Additional Proximity Card / Car Park Remote" order form available from the Building Manager and return to the Owners Corporation Manager, with your Cheque or Money Order made payable to P.S. 526704E for the amount prescribed on the form.

Once your application has been approved by the Owners Corporation Manager, your request will be forwarded to the Building Manager who will programme your proximity cards and car park remotes and distribute to you (please note that we will require proof that you either own and live in the apartment or that you are a tenant prior to issuing approval for additional proximity cards and car park remotes).

Authorising additional Keys, Proximity Cards and Car Park Remotes

Please note that additional keys, proximity cards and car park remotes cannot be approved or provided until settlement of the apartment has occurred and the Owners Corporation Manager has been notified by the Vendor or Purchaser's Solicitor.

Additional keys, proximity cards and car park remotes cannot be approved or provided to tenants unless a signed copy of their lease is provided to the Owners Corporation Manager and attached to the application form.

Car Parking in the building

- Limited private car parking is provided for each apartment on one of the three basement car park levels. Each car parking space is clearly identified by the Apartment number. Chevron Apartments spaces also have a "C" suffix to distinguish them from the Chevron Green spaces, which have the numbers only.
- Residents must park only in their allocated parking space and must not use another car space without the permission of the respective Owner/Tenant.
- The maximum allowable height of vehicles entering the car park is 2100mm. Vehicles over this height are prohibited from entering the car park as they may cause damage to overhead duct and pipe work. Should this occur, it is the responsibility of the vehicle owner to pay for any damage, which may be incurred. If it is a visitor, tenant or contractor to a particular apartment, the liability will rest with the apartment owner.
- There are 30 visitor and 3 disabled parking spaces available in the visitor's car park, which are located on Basement Level 1.

Please note: Residents are not permitted to use the visitor car parking spaces as additional parking spaces. Visitor parking spaces are only to be used by genuine visitors to an apartment at Chevron. Cars parked in the visitor spaces for more than 48 hours will have a Notice left on the windscreen advising the driver they are breaching the Chevron Rules. Failure to then move the car from the area may result in the Owners Corporation giving Notice of the Rule Breach to the Owner of the Apartment associated with that Car. The cost of this Notice (currently \$55) will then be passed on to the Lot Owner (who may look to recover it from their tenant where applicable).

- Be aware when driving in the car park that pedestrians may be present. Please drive safely at all times and be particularly aware of the following:
 - The speed limit in the car park is 5 Km/h
 - Please be aware of pedestrians around lift lobbies and car park ramps
 - Watch for pedestrians when entering/exiting the car park
 - Turn on your vehicle headlights when in the car park so that your vehicle is more visible.

- Always use your proximity card or car park remote when entering or exiting the car park. Only one vehicle is permitted to enter or exit the building per swipe of the proximity card. If you fail to swipe, the car park door could end up on the bonnet or roof of your vehicle.
- Do not tailgate!
- For security do not leave your proximity card or car park remote in your vehicle.
- All vehicles enter and exit the car park entry via Alfred Lane.
- Do not leave valuables in your vehicle.

Car Washing Facilities

There are no car washing facilities on site.

Car Park Door

- The opening/closing mechanism of the Car Park door is controlled by your proximity card via proximity readers located on pillars at the entrance to, and exit from, the car park, or by activating your Car Park remote control. There is also an induction loop inside the exit door which will normally open the exit door automatically when a vehicle drives over it. Please note, some vehicles with higher than average ground clearance may not activate the loop.
- Under certain circumstances it will be necessary for the Car Park door to remain open e.g., when maintenance is being carried out.
- For your safety and that of your vehicle, do not follow other vehicles entering or exiting. You must swipe your proximity card or activate your remote control independently.
- It is not an acceptable practice to place a vehicle or item in the path of the door sensor to prevent it from closing. This practice will result in the malfunctioning of the system.

Residents must refrain from tampering with the Car Park door control box. When problems occur, contact either the Building Manager or The Owners Corporation Manager immediately.

Storage Cages/Boxes

All storage cages have been allocated and installed according to Essential Services requirements.

Additional Storage Cages or Storage devices are not permitted, without the prior written permission of the Owners Corporation.

Lifts

Lifts are activated through the use of the proximity card readers located inside the lifts.

Chevron Apartments

There are two lifts for the Chevron Apartments – one lift for the Commercial Road entry and one lift for the St. Kilda Road entry.

- The lifts in Chevron Apartments are 1440mm wide x 1410mm deep x 2400mm high. The lift doorways are 890mm wide x 2075mm high.

Please note: The apartment doorways are 2015mm high and 825mm wide.

Chevron Green Apartments

There are three pairs of lifts for Chevron Green; one pair of lifts for the Western Tower accessed from the Western Lobby and one pair of lifts for each of the Southern and Eastern Towers, both accessible from the Eastern Lobby. Access to the apartments is as follows:

The Western Apartments: G02-G10, 101-109, 201-210, 301-309, 401-410, 501-509, 601-610, 701-709.

The Eastern Apartments: G27-G28, G30, 124-136, 224-231, 324, 328-337, 424, 427-431, 437, 524, 527-537, 624, 627-631, 724, 727-734, 824, 827-831, 835-837.

The Southern Apartments: G12-G23, 111-116, 211-223, 311-316, 411-423, 511-516, 611-623, 711-716.

- The lifts in Chevron Green are 1440mm wide x 1970mm deep x 2475mm high. The lift doorways are 1000mm wide x 2100mm high.

Please note: The apartment doorways are 2015mm high and 825mm wide.

If the lift doors need to be held open for a period of time (e.g. when moving personal belongings) arrange for the lift to be 'locked off' by contacting the Building Manager on (03) 9533 2192. Such moves will need to be booked in advance with the Building Manager.

Please do not hold the lift doors open after they start to "beep". If this happens, let the doors close naturally then open them again. Holding open after they start the cautionary beep and begin to close, creates a safety risk, damages the lift computer and can cause lift failure or malfunction along with inconvenience to you and others.

In event of Fire – DO NOT USE THE LIFTS

Balconies

When using your balcony please consider the comfort of those below. Unsecured items on upper levels can be carried by wind to the lower levels. Therefore, please be aware of the following:

- Cigarette butts **must not** be discarded over the balcony or left in ashtrays on your balcony, as winds will carry them through the Development.
- When cleaning or watering plants, take care to avoid excess water flowing over the edge onto those below. Please note what might appear to be a drain on the edge of some Chevron Green apartments is in fact simply part of the façade and water passes through it.
- Air Conditioning condensate (water) must only run into the adjacent drain and must not be allowed to flow across the balcony and over the edge.
- Balconies are to be kept tidy. To minimise the likelihood of risk and damage to surrounding people or property during periods of high winds, all loose items are to be removed from balconies.
- Laundry, towels, clothing etc are not permitted on balconies.
- Alterations to balconies are not permitted without the approval of the Owners Corporation. Membranes, if disturbed, can cause leakage to apartments below and therefore all work to balconies must be clearly detailed and provided to the Owners Corporation for approval.
- Ensure furniture left out on your balcony is fastened to the balcony to prevent injury in high winds.

Building Procedures

Smoking

Chevron and Chevron Green are non-smoking buildings. This means that smoking is not permitted in any part of the common property of the buildings at any time.

'Smoke' in the building may result in the fire alarm/or sprinklers being activated and the attendance of the Metropolitan Fire Brigade.

A False Fire Alarm call in such instances can incur a fee of up to \$4,000 which will be invoiced directly to the owner and/or resident of the apartment identified as being responsible.

It is therefore in your interest to ensure that you and your guests adhere strictly to this rule.

Garbage Disposal

In Chevron Apartments there is a garbage disposal chute located off the main foyer staircase. Access is from the landings between levels 1 & 2 and levels 2 & 3.

In Chevron Green there is a garbage disposal chute located adjacent to the lifts on all levels, except the Ground Level of the Eastern Tower. Apartments on this level in the Eastern tower will need to access the chute in the Southern Tower.

Please ensure that your household rubbish is in small, thick and properly sealed plastic bags prior to placing the rubbish in the chute, preventing spillage and odours escaping. It is a long way down to the bin carousel and the rubbish can break out of the garbage bags creating a mess and causing a health risk to those cleaning the mess or those in the near vicinity of the rubbish chute at the time.

Bins are available for larger items:

- For Chevron residents, in the Bin Room near the entrance to Chevron from the Basement Level 1 Car Park. This Bin Room is accessible only to Chevron residents by using their apartment key.
- For Chevron Green residents, throughout the three car park levels.
- Do not leave rubbish in bags outside your apartment door, on balconies or in stairwells or the floor in the garbage area.
- Bottles, plastics, cardboard and newspapers are to be placed in the appropriate recycling bins located in the Basement level Car Park and in the Chevron Bin Room.
- These rubbish bins are all emptied regularly.
- All cardboard boxes and packaging must be broken down and neatly packed in the appropriate recycling bins. Removalists should be encouraged to return to collect empty unwanted boxes.

TO ENSURE DAMAGE OR BLOCKAGES TO THE RUBBISH CHUTES DO NOT OCCUR:

1. **DO NOT** place newspapers, umbrellas, bedding, glass bottles, cigarettes, cartons, coat hangers, brooms, mops, large plastic wrappings from furniture, white goods etc, or sharp objects, down the chute.
2. Ensure waste placed down the chute is in **small, sealed, strong and securely fastened plastic bags**.
3. Glass, broken glass (wrapped), newspapers, syringes, crockery, hazardous materials, sharp objects and big rubbish bags **MUST BE** personally taken down to the garbage area and placed in the allocated bins.

Recycling

A waste management program has been implemented to effectively recycle glass, paper products, cans, plastic and bottles. These items should be separated and disposed of in the appropriate bins provided.

Please ensure that when you recycle, you take the lids off bottles and jars, take the labels off as many items as possible and clean the items before depositing.

It is also important to note that if you take your recyclables down in a plastic bag, they are removed from the plastic bag before being deposited in to the respective bins.

The waste management contractors **do not take** contaminated recyclables.

Cleanliness in Public Areas

The Owners Corporation employs a cleaning contractor to undertake the cleaning of the common areas. Residents are asked to accept responsibility for maintaining the facilities provided and minimise litter and damage to walls and floors.

Air Conditioning

Information on your Air Conditioning System is in the Owner's Manual provided by the Developer, 519 St. Kilda Road Developments Pty Ltd. Please read the instructions fully.

It is up to each individual apartment to obtain a Service Agreement for their air conditioning system.

Apartments in Chevron Green have their external condensing unit on the apartment balcony. Water, which condenses inside this unit when it is heating your apartment in cold weather, is meant to flow into a drain adjacent to the unit. Please ensure the water does discharge into the drain and not across your balcony and over the edge into other apartments or the pathway below.

Window Coverings

Please note: The backing of any window furnishing which is viewable from outside the building must adhere to the regulations which form part of the Additional Rules for the Owners Corporation ~ see rule 35.4 which states;

"35.4 A Proprietor or Occupier of a Lot must not install any window furnishings on the interior of any windows forming part of any Lot other than white backed or white sheer sunscreen fabric roller blinds.

Fire Emergency Procedures

For your safety, you should note that the Owners Corporation has established Fire Emergency Evacuation Procedures for this building.

You should familiarise yourself with the 'Fire Evacuation – Emergency Plan & Fire Orders' (see following page) and display the Fire Evacuation "Emergency Plan and Fire Orders" in an easily accessible location within your apartment.

Further copies of the "Fire Evacuation – Emergency Plan and Fire Orders" can be obtained from The Owners Corporation Manager.

The fire system at Chevron is externally monitored. The whole building runs on an automatic alarm system. If there is a fire alarm, the Metropolitan Fire Brigade (MFB) will automatically be advised and attend.

The Smoke Detectors in the common areas form part of the fire system and if activated will result in the MFB attending the property.

The Smoke Detectors in your apartment are hard wired to your switchboard, if activated they do not alert the MFB. The smoke detectors inside your apartment are to alert the occupants of smoke/fire inside the apartment. If this smoke filters into the common areas, then the smoke detectors in these common areas will alert the MFB.

Please note that it is the occupier's responsibility to ensure that the smoke detectors located within apartments are operating correctly.

False Alarms

False Fire Alarm Call Outs can incur costs of up to \$4,000 for each visit. These costs are charged to the owner and/or resident identified as being responsible in cases of negligence.

Avoiding False Fire Alarms

The following situations are known to trigger false fire alarms and should be avoided by residents and visitors.

- Smoking in common areas; corridors; floor landings; lifts, stairwells etc
- Utilisation of the fire hoses for reasons other than a fire.
- Excess cooking smoke entering common areas and corridors from an apartment e.g. burning toast or other food (in non-dangerous situations only windows and balcony doors within your apartment should be opened to allow excess smoke to escape – DO NOT OPEN your front door).
- Excess heat/steam entering common areas and corridors from an apartment e.g. when the apartment front door remains open during the steam cleaning of carpets. (If you are planning on having your carpets steam cleaned please notify the Building Manager as it may be necessary to disable some of the fire services in the near vicinity of your apartment).

Emergency Plan and Fire Orders

1. The Plan

- 1.1. This plan describes Chevron and its immediate surrounds.
- 1.2. An emergency is defined as any actual or imminent event which in any way endangers or threatens to endanger the safety or health of any person in **Chevron** or which destroys or threatens to destroy any property within the building and which may have legal implications.
- 1.3. An emergency could include:-
 - Fire
 - Fatality
 - Serious injury/assault
 - Domestic dispute
 - Car accident in undercover car park
 - Firearms/weapons
- 1.4. This plan is intended to be flexible and covers minor emergencies, which may be managed by the Residents, to major emergencies, which will need to be managed by emergency services.
- 1.5. After any emergency a written report is to be forwarded to The Owners Corporation Manager.
- 1.6. **Chevron Apartments** consists of 68 Apartments (Stage 1) and a mixed use (retail) area.
- 1.7. **Chevron Green Apartments** consists of 231 Apartments (stage 2) and a mixed use (retail) area.
- 1.8. A fire siren alarm system, which is connected to the automatic fire sprinkler system and to the smoke detection system is linked to the Melbourne Fire Brigade (MFB) Station. Appropriate contractors also maintain these systems.
- 1.9. The continuous sounding of the fire sirens will indicate an emergency situation.
- 1.10. The MFB Fire Station has access keys only to the common property. MFB personal will not enter apartments unless authorised / or in the event of an emergency situation.

2. Identifying the Risks

- 2.1. The risks are those associated with high-density living.
- 2.2. There are a number of fire hoses and fire extinguishers located in the building and these are clearly marked.
- 2.3. The Owners Corporation Manager, during their inspections of the common areas, may identify potential hazards and take appropriate remedial action. Remember that all fire stairs must remain clear at all times. Ongoing problems will be reported to the Owners Corporation Management Committee.

3. Emergency Coordination.

- 3.1. When evacuating the building, residents should evacuate as quickly and in as orderly a fashion as possible to an assembly area; in the vicinity of Commercial Road.
- 3.2. The all clear to return to the buildings will be given by the Officer-in-Charge of the Emergency Service.

4. Post Emergency

- 4.1. Residents should report damage to The Owners Corporation Manager.
- 4.2. The Owners Corporation Manager will arrange for all emergency systems to be examined and tested.
- 4.3. The Owners Corporation Manager will take appropriate action to have repairs undertaken.
- 4.4. If collective trauma counselling is required, it will be arranged by The Owners Corporation Manager; otherwise individual trauma counselling may be arranged on an individual basis.

5. Standard Fire Orders

- 5.1. Assist any person in immediate danger – **only if safe to do so.**
- 5.2. Close door or room of fire.
- 5.3. Call the Fire Brigade on **000.**
- 5.4. Attack the Fire - **only if safe to do so.**
- 5.5. You can enter the fire escapes on any level. Ensure the doors are closed.
- 5.6. You cannot re-enter any floor or your apartment once the evacuation is in progress.
- 5.7. Evacuate to assembly area in Commercial Road.
- 5.8. If stairs are smoke filled, return to apartment and await assistance.
- 5.9. Consideration to use of balconies to attract attention should be given – **only if safe to do so.**

6. Awareness

- 6.1. All residents should make themselves familiar with the location of exit doors, fire stairs, fire equipment and light switches in fire stairs.
- 6.2. Each apartment should consider having a Fire Blanket readily available in the apartment.

Insurance & Damage to Apartments

The Owners Corporation has an insurance policy, which covers the Owners Corporation property, providing similar cover to normal household insurance. It covers the building itself but does not cover any damage to privately owned fittings, including contents, carpets, curtains, blinds, light fittings, electrical fittings or appliances not built into the unit and which can be removed, regardless of how the damage occurred.

The Public Liability cover does not extend to cover the interior of the apartment, balcony or car space.

It is the responsibility of owners and tenants to arrange their own contents and public liability insurance. Owners acting as Landlords require an appropriate policy.

If a resident is responsible for damage caused to another apartment or lot or to common property, that resident may be liable for the cost of reinstatement. Owners should be aware that any damage caused by their tenant is the responsibility of the owner and appropriate recognition of resident's responsibility should be set out in any lease documents.

It is essential that details of any potential insurance claim are forwarded to the Owners Corporation Manager immediately. Your claim will be forwarded to the Owners Corporation insurer for assessment.

Risk of Water Damage

Washing machines, dishwashers and overflowing baths and basins cause most water damage.

Do not leave machines or taps running when you are absent and turn off taps when machines are not in use.

Regularly check that the discharge hose on the washing machine/dishwasher is secure.

Recreational Facilities

The recreational facilities at **Chevron** include a Gymnasium, Swimming Pool and BBQs and are for the use of **Chevron Apartments and Chevron Green Apartments** residents only.

The Gymnasium and Swimming Pool are located on the ground floor, central garden and are accessible using your proximity card.

Gymnasium, Swimming Pool Area

The hours of operation for these facilities are 6.00am to 10.00pm.

The Pool area is strictly for the use of residents and no more than 2 guests per resident. Children must be supervised by an adult resident at all times. The Pool Rules are displayed on the wall of the Gymnasium. Among other things they prohibit jumping, diving, running, ball games and noisy or hazardous activities. Alcohol, food and smoking are banned. Pool users are required to wear footwear to and from the pool area.

The playing of music, other than through private headsets and audible only to the user, is not permitted in these areas or any of the common property.

To gain access to the Gymnasium all residents firstly need to complete an induction with one of the Recreational Facilities staff. The Recreational Facilities inductions are conducted to ensure safe use of Gymnasium equipment. Your induction can be booked by obtaining details from the Building Manager. Please complete the "Recreational Induction Program and Indemnity Form" which can be obtained from the Building Manager prior to completing the induction program. By completing and signing this form you are also indemnifying the Owners Corporation against any injury you may sustain while utilising the recreational facilities.

Barbecue Areas

Barbecues are located in the central courtyard garden adjacent to the Pool and also in the Rooftop garden. The hours of operation are 7:00am to 10:00pm.

The barbecue areas are strictly for the use of residents and no more than 2 guests per resident. Larger parties than this cannot be accommodated and we suggest residents utilise Fawkner Park, which has a number of barbecue areas, for bigger gatherings.

The playing of music, other than through private headsets and audible only to the user, is not permitted in these areas or any of the common property.

For further information on the Owners Corporation Rules for the use of these facilities, please see the following rules:

Rule 24 - Gymnasium

Rule 39 – Swimming Pool Area

Rule 45 – Barbecue

Rule 48 – Rooftop Area

1.2. Storage of flammable liquids and other dangerous substances and materials.

- (1) Except with the approval in writing of the owners corporation, an owner or occupier of a lot must not use or store on the lot or on the common property any flammable chemical, liquid or gas or other flammable material.
- (2) This rule does not apply to –
 - (a) Chemicals, liquids, gases or other material used or intended to be used for domestic purposes; or
 - (b) Any chemical, liquid, gas or other material in a fuel tank of a motor vehicle or internal combustion engine.

1.3. Waste Disposal

An owner or occupier must ensure that the disposal of garbage or waste does not adversely affect the health, hygiene or comfort of the occupiers or users of other lots.

2. Management and administration**2.1. Metering of services and apportionment of costs of services**

- (1) The owners corporation must not seek payment or reimbursement for a cost or charge from a lot owner or occupier that is more than the amount that the supplier would have charged the lot owner or occupier for the same goods or services.
- (2) If a supplier has issued an account to the owners corporation, the owners corporation cannot recover from the lot owner or occupier an amount which includes any amount that is able to be claimed as a concession or rebate by or on behalf of the lot owner or occupier from the relevant supplier.
- (3) Subrule (2) does not apply if the concession or rebate –

- (a) must be claimed by the lot owner or occupier and the owners corporation has given the lot owner or occupier an opportunity to claim it and the lot owner or occupier has not done so by the payment due date set by the relevant supplier; or
- (b) is paid directly to the lot owner or occupier as a refund.

3. Use of common property

3.1. Use of common property

- (1) An owner or occupier of a lot must not obstruct the lawful use and enjoyment of the common property by any other person entitled to use the common property.
- (2) An owner or occupier of a lot must not, without the written approval of the owners corporation, use for his or her own purposes as a garden any portion of the common property.
- (3) An approval under subrule (2) may state a period for which the approval is granted.
- (4) If the owners corporation has resolved that an animal is a danger or is causing a nuisance to the common property, it must give reasonable notice of this resolution to the owner or occupier who is keeping the animal.
- (5) An owner or occupier of a lot who is keeping an animal that is the subject of a notice under subrule (4) must remove that animal.
- (6) Subrules (4) and (5) do not apply to an animal that assists a person with an impairment or disability.

3.2. Vehicles and parking on common property

An owner or occupier of a lot must not, unless in the case of an emergency, park or leave a motor vehicle or other vehicle or permit a motor vehicle or other vehicle-

- (a) to be parked or left in parking spaces situated on common property and allocated for other lots; or
- (b) on the common property so as to obstruct a driveway, pathway, entrance or exit to a lot; or
- (c) in any place other than a parking area situated on common property specified for that purpose by the owners corporation.

3.3. Damage to common property

- (1) An owner or occupier of a lot must not damage or alter the common property without the written approval of the owners corporation.
- (2) An owner or occupier of a lot must not damage or alter a structure that forms part of the common property without the written approval of the owners corporation.

- (3) An approval under subrule (1) or (2) may state a period for which the approval is granted, and may specify the works and conditions to which the approval is subject.
- (4) An owner or person authorised by an owner may install a locking or safety device to protect the lot against intruders, or a screen or barrier to prevent entry of animals or insects, if the device, screen or barrier is soundly built and is consistent with the colour, style and materials of the building.
- (5) The owner or person referred to in subrule (4) must keep any device, screen or barrier installed in good order and repair.

4. Lots

4.1. Change of use of lots

An owner or occupier of a lot must give written notification to the owners corporation if the owner or occupier changes the existing use of the lot in a way that will affect the insurance premiums for the owners corporation.

Example if the change of use results in a hazardous activity being carried out on the lot, or results in the lot being used for commercial or industrial purposes rather than residential purposes.

5. Behaviour of persons

5.1. Behaviour of owners, occupiers and invitees on common property

An owner or occupier of a lot must take all reasonable steps to ensure that guests of the owner or occupier do not behave in a manner likely to unreasonably interfere with the peaceful enjoyment of any other person entitled to use the common property.

5.2. Noise and other nuisance control

- (1) An owner or occupier of a lot, or a guest of an owner or occupier, must not unreasonably create any noise likely to interfere with the peaceful enjoyment of any other person entitled to use the common property.
- (2) Subrule (1) does not apply to the making of a noise if the owners corporation has given written permission for the noise to be made.

6. Dispute Resolution

- (1) The grievance procedure set out in this rule applies to disputes involving a lot owner, manager or an occupier or the owners corporation.
- (2) The party making the complaint must prepare a written statement in the approved form.
- (3) If there is a grievance committee of the owners corporation, it must be notified of the dispute by the complainant.
- (4) If there is not grievance committee, the owners corporation must be notified of the dispute by the complainant, regardless of whether the owners corporation is an immediate party to the dispute.

- (5) The parties to the dispute must meet and discuss the matter in dispute, along with either the grievance committee or the owners corporation, within 14 working days after the dispute comes to the attention of all parties.
- (6) A party to the dispute may appoint a person to act or appear on his or her behalf at the meeting.
- (7) If the dispute is not resolved, the grievance committee or owners corporation must notify each party of his or her right to take further action under Part 10 of the **Owners Corporations Act 2006**.
- (8) This process is separate from and does not limit any further action under Part 10 of the **Owners Corporations Act 2006**.

Additional Rules of the Owners Corporation

In these rules;
