Traveler 9150BT

Bluetooth BlueEye Mouse Presenter

Genius
Live with Ideas

Genius introduces the Traveler 9150BT, a two-in-one mouse and presenter solution with new Bluetooth BlueEye technology sporting a durable metal cover and slim line design.

The Genius BlueEye technology lets you work on virtually any surface while the Bluetooth EDR 2.0 technology ensures a reliable working distance of up to 10 meters. In presenter mode, you can use the laser pointer to enhance your presentation. You can also adjust the dpi between 800 and 1600 to increase working efficiency. Traveler 9150BT has a four directional "Turbo Scroll" button to instantly scroll horizontally or vertically through documents, spreadsheets and web pages. The Traveler 9150BT showcases a compact design, is easy to carry with a portable pouch and suitable for either hand.

The Traveler 9150BT is your all-in-one mouse and presenter solution that lets you scroll or surf on virtually any turf!
