PLACING AN ORDER

Note *TO ENSURE FAIR SERVICE TO OUR CUSTOMERS, ORDERS ARE PROCESSED ACCORDING TO THE DATE THEY ARRIVE AT THE OFFICE.* THERE IS NO MINIMUM ORDER, HOWEVER, THE MINIMUM FREIGHT (AND HANDLING) CHARGE FOR ANY ORDER WITHIN AUSTRALIA WILL BE \$3.10 AND \$6.00 FOR NEW ZEALAND CUSTOMERS.

1. VITAL INFORMATION

The following information is required for all orders whether placed by mail, fax, phone or email.

- Your Account CODE (On each invoice - the first four letters of your surname or school and digits. eg JOHN009 for Johnson).
- Your NAME or SCHOOL (eg: Mr & Mrs J. Johnson).
- Your Delivery ADDRESS (eg: 123 Adelaide Street, YOURTOWN, QLD 4720).
- Your PHONE NUMBER.
- DATE of your order.
- If applicable, provide special delivery instructions only (we ship the quickest and most economical way).
- Payment details

2. PAYMENT DETAILS

Company policy is payment with orders. If order is unpaid, it will be held until full payment is made.

Home School Family Registration due is to be paid prior to the release of an order.

- Credit Card

Please complete your Credit Card Number and Expiry Date on the order forms.

We require a written signature for you to use credit card facilities. Credit Cards are processed the day the order is checked after printing. Please request a Credit Card Authority form if you anticipate either making a phone or email order. (Fax orders can be signed to give correct authority).

- Cheque or Money Order

Post with your order. Money orders and cheques are banked the day they are received.

Cheques and Money orders are to be made out to SOUTHERN CROSS EDUCATIONAL ENTERPRISES.

3. PRODUCT INFORMATION

Please direct any queries, regarding what to order, to the organisation in which your students are enrolled BEFORE ordering.

All OUR Products are now listed on the SCEE order forms. A product catalogue and a subject 'Scope and Sequence' are issued at enrolment or on request and also can be downloaded or viewed by the Web : www.scee.edu.au You should always consult your "prescription advice" and note carefully which PACEs and keys you already have in stock before ordering as **restocking fees apply where product is ordered and returned.**

4. ORDER TURN AROUND TIMES

We need your assistance to speed everyone's order processing.

Please use the SCEE order forms then either POST, EMAIL or FAX your order. This is requested in order to reduce error rates or order queries and lessen staff time spent on phone calls instead of processing orders.

Guideline - Generally orders are processed in two to three working days but during our busier times longer delays can be experienced. Orders are handled in half day batches, checking of accounts, processing of payment, entering, printing and checking, "pulling" from the shelf and dispatch for any given batch will occur over a few days.

To minimise delays - ensure your account and registration are up to date and payment is included with your order. January to June are our busier months and a week's worth of orders can be in the trays waiting for processing when we receive your order. While we dispatch all customer orders as quickly as possible, to avoid disappointment please send your order, at the latest, before your students begin their last PACEs.

In fairness our policy is to process orders in the order they are received.

Disruptions to processes occur, eg June stocktake, unpacking of shipping containers or staff leave.

DUPLICATE ORDERS - It is vital that we receive only ONE copy of any order. **DO NOT SEND TWO OR MORE COPIES.**

If your fax or email is disrupted - write a cover note with the following attempts. Customers are responsible for the additional freight charged where two copies of an order are received and dispatched. If an order is lost and you have to resend it, please advise the office by phone or by fax and write on it "***An attempt was made to send this order previously, do not duplicate - this is a copy/2nd attempt, the original appears to have gone astray.***" Please include full payment with each order. If mailing payment for an order do include your customer code / surname and address but not a copy of the original order.

5. ORDER FORMS (used in conjunction with Product Catalogue)

Please complete the detail requested on each page on which you order items.

- (a) Product catalogues are issued at enrolment or on request, and can be downloaded from the Web.
- (b) Customers are requested to submit orders on our current SCEE order forms as supplied. This is to assist with error reduction and smooth processing of customer orders. Refer to the product catalogue where necessary. If you have not ordered for over 12 months, please request a set of the current SCEE order forms.
- (c) Make sure that the totals for each Page that have order amounts are written in their appropriate Page allocation on the front cover as this will ensure we have all pages of your order.
- (d) When ordering two or more of an item do not use notation (eg. III for 3) but rather the actual number (eg. 3).
- (e) Keep a copy of the order that you have placed with us. When you receive your order you should carefully check it off against the enclosed invoice. Discrepancies should be reported to the Office immediately (see (f) below).
- (f) Shipping Adjustment Form: Claims - Errors See Claims.

6. MAIL ORDERS

RED PEN is clearest.

Mail orders are our first preference for the Orders Department to minimise order turn around time and reduce errors. Please ensure a clean, readable order form is submitted that lists current product and requires minimum deciphering.

7. FAX ORDERS

BLACK PEN is clearest.

Hints - please take care - faxed orders can be illegible, smudged, missing pages or unidentifiable. Always send the order cover sheet first. DO NOT fax creased or folded pages. Use the SCEE order forms supplied. Please circle the page numbers (bottom right of cover sheet) that we should expect to receive. Make sure that the totals for each Page that have order amounts are written in their appropriate Page allocation on the front cover as this will ensure we have all pages for your order. When faxing It is imperative that you complete your current phone and fax details as we may need to contact you. It is best to complete your account details on every page as your faxed pages may not all come through together. If you are worried your fax hasn't all gone through – PLEASE CONTACT THE OFFICE.

8. E-MAIL ORDERS

Email ordering is not available where payment is to be posted. Post the order with the cheque.

Please call the SCEE orders department and they will email you a SCEE Order Form or login into the SCEE website (www.scee.edu.au) to load your relevant SCEE Order Form. We are now using these order forms in place of the old email ones,
To avoid receiving two of the same order avoid sending the same email twice.

METHODS OF ORDERING

For Schools Only

- This Page -

FAST TRACK ORDERING SYSTEM FOR URGENT ITEMS

SCEE recognises that, from time to time, most schools will need to place an urgent PACE order. These circumstances usually mean that the PACEs must be obtained as quickly as possible. In order to address this need more efficiently, SCEE is now offering a **FAST TRACK Ordering System for urgent items**.

The following conditions will apply to this system.

Australian Schools

The service is limited to 5 PACEs or 500 grams per order (allowing us to use an Australia Post Air Service not exceeding 500 grams). If an order exceeds 500 grams, it will be split into two satchels, or a larger satchel is used (whichever is the lower cost for the school). Fast track orders will automatically be sent by Express Courier.

Overseas Schools (Fiji, Indonesia, New Zealand, PNG*, Solomon Islands, Vanuatu)

The service is limited to 5 PACEs or 500 grams per order. TNT Air international or Express Courier International will be used automatically. Orders above 500 grams may incur an extra cost based on the final weight of the item. The full cost of the freight and associated import charges must be borne by the school. Current information indicates a freight charge of AU\$20.00 for NZ and \$38.00 elsewhere for this service (Price subject to change).

1. The service is limited to urgently needed items e.g. PACEs or a required reader only (Non-essentials such as flags or forms will not qualify).
2. A non-refundable \$1.00 "Fast-track Fee" would apply for each item in the order (i.e. 1 PACE, \$1.00, 5 PACEs - \$5.00) Freight charges will be in addition to the Fast-track Fee.
3. Cut-off times. A fast-track order must be received at the SCEE office by 12 noon in order to be processed for shipment the next working day. Every reasonable effort will be made to ensure the order is dispatched on the next working day.
4. Order placement must be by Fax or Phone only. E-mail will not qualify unless sent to orders@scee.edu.au and accompanied by a phone call.
5. Delivery times are outside SCEE's control once the order has been dispatched and therefore cannot be guaranteed.
6. Fast track orders will not be subject to the normal quality control processes. (For example, such orders received by phone may be entered directly into the accounting system at the time of the call - thus eliminating paperwork). For orders lodged by phone, the caller accepts responsibility to correctly convey information to the staff member at the time of the call.
7. Any school account which has an overdue balance or is over its pre-determined credit limit may not avail itself of this service until the account is brought back within the normal trading terms.
8. A special Fast-track order form will be used for those schools choosing to fax their order. The Fast Track Fee as well as the freight charge (pre-printed) must be added to the cost of the PACEs.
9. This arrangement is subject to review at any time. Although every effort will be made to dispatch the order as quickly as possible, SCEE cannot offer any guarantee about delivery time. All freight charges and fees are non-refundable.

*PNG schools must provide a valid Credit Card number or have available credit in their account to cover the full cost of the order freight and fee.

9. PHONE ORDERS - Repeat PACEs

Small orders of NO MORE THAN TEN ITEMS may be placed by phone if paying by credit card or account credit.

We need your assistance to speed everyone's order processing. Where possible we ask that you fax, mail or email orders. This is requested in order to reduce error rates and lessen staff time spent on phone calls instead of processing orders.

- (a) PRIOR TO CALLING; prepare your order, look up item numbers, locate your account code, check you are not ordering PACEs you have already and have your credit card ready.
Your school's academic staff are available to help you if you are uncertain about which course to order or if you are unclear about the sequence of the PACEs on the order forms. Please do check prior to ordering to ensure that you receive exactly what you require for your children.
- (b) The person recording your order will first request your account code and is required by company policy to verify your address details and check your account with the computer records.
- (c) Order items in the same way that they are listed on the order form. Starting with Mathematics PACEs and then to the Math Score Keys. Each subject will have it's own score keys below the subject's PACE. If you are ordering for two or more children, combine their orders by subject.

10. PICK-UP ORDERS

Orders to be picked up in person from reception: *see office hours, holidays, stocktake.* Families who live in the vicinity of the Warehouse and would rather pick-up their order than have it delivered should write "PICK-UP" in the delivery address. **Customers choosing this method must allow 48 hours minimum, 2 full working days, for processing of their order.** Our policy is to process orders in the order they are received so as not to disadvantage any customers; see "order turn around times". Disruptions to processes do occur (eg June stocktake and unpacking of shipping containers). Please phone and check before leaving to pick up your order.

11. BACK ORDERS

Should an item ordered be listed as "out of stock" on your invoice, it will be back ordered for you. When the item comes back into stock, we will send it out to you freight free. DO NOT reorder out of stock items as you will most likely end up with a duplication of the product and charges.

12. ORDER DELAYS

Order delays may be experienced, refer to office hours, stocktake and holidays. See also order turn around times and vital information.

FREIGHT INFORMATION

1. All consignments and orders are dispatched using the most efficient and cost effective method.
2. Customers are advised to clearly mark their street address (package delivery address) on their order form. Couriers require a street address to make deliveries.
3. If your delivery address involves use of a Post Office Box; R.M.B. (Roadside Mail Bag), M.S. (Mail Service) etc., we must use Australia Post.
4. Please remember to advise the office of any change of delivery address as soon as possible and complete the change of address details on your next order.
5. If you have special delivery instructions, you must clearly mark these on your order form.
6. All freight and handling charges are payable by the customer.
Where it has been established that the office has made an error (i.e. goods not dispatched according to customer order, damaged items, etc.) OR an item is placed on back order, freight charges are not payable by the customer.
7. SCEE will not split orders in order to bring them under a certain value. (Customers may submit separate orders which will be subject to two lots of freight charges).
8. All customers should receive a freight charge chart (FPI) with their order forms. A new set of order forms is sent each time an order is dispatched.

OVERSEAS ORDERS

Overseas customers are advised that LOCAL IMPORT DUTY and TAXES may be applicable to goods shipped from Australia (eg. Goods & Services Tax in New Zealand and VAT in Papua New Guinea). ***These charges must be paid prior to the release of the goods in question.***

Important: Please read carefully

DELIVERY INSTRUCTIONS ARE THE RESPONSIBILITY OF CUSTOMER

In the absence of these instructions, we will use TNT Air Courier for INTERNATIONAL consignments and Australia Post for DOMESTIC consignments as a rule.

TNT is generally quicker and more reliable than the Post Office for overseas deliveries. However, there are certain advantages and disadvantages with both services.

TNT offers a tracking service which is not provided by the Post Office. The delivery time tends to be considerably shorter than the Post Office. Most deliveries are door to door. However, in certain cases TNT costs more than the Post Office Air Mail service. Also, in certain countries, additional charges may be levied on top of Import duties, VAT, GST, and taxes. These may involve "Administration charges" or Storage fees in cases where TNT has needed to store a consignment on behalf of the customer. It is therefore in the client's interest to obtain this information prior to placing an order with SCEE and advising us what method of delivery you would prefer. *Australia Post is preferable to TNT for some countries because of Customs clearance procedures.* The responsibility for obtaining information about import duties and taxes is the Customer's not SCEE's.

Overseas customers should be aware that **import duties and fees** may be levied by Customs Authorities based on the declared value of goods in a consignment. Our goods are described as "EDUCATIONAL MATERIAL – NOT FOR RESALE". However, we cannot say they have "NO COMMERCIAL VALUE" as a financial transaction has taken place between us as the supplier and you as the customer.

Our invoices will list two amounts. One will be the total value of the order including freight. The other total will be a comment in the body of the Invoice: VALUE OF GOODS EXCLUDING FREIGHT IS \$..... This second value is purely the value of goods without freight. Depending on the country of destination and sometimes even the local official involved, duties and taxes may be payable by you as the recipient and importer of the goods. *SCEE cannot guarantee that no taxes or duties will be payable by the client irrespective of the carrier.*

If you are uncertain about the cost of a particular delivery service, you can contact SCEE for a quote. However, this quote will not include any of the charges mentioned above.

Important: Please read carefully

DELIVERY OF OVERSEAS CONSIGNMENTS

With overseas deliveries it is vitally important that the addressee provide us with a current & complete street address plus contact telephone number and other details (ie e-mail address). International couriers will only hold goods for a few days before returning them to the sender. Should this occur because it has been established that the client has not provided sufficient contact details to SCEE on their order, then return freight charges will become the liability of the customer.

Should you be away from your place of residence (eg travelling) during a time when the courier is attempting to deliver goods, it is your responsibility to advise SCEE and to provide some other means by which to collect goods.

FREIGHT OPTIONS

These are the services currently offered	
Within Australia	Australia Post and E-Parcel Express Courier
PNG	TNT (Special Cargo Rate); Sea Freight -conditions apply (see note re sea freight)
New Zealand	TNT Global Express
Fiji	TNT Global Express TNT Economy Express for consignments in excess of 45kg TNT Air Cargo (only available for goods going to Nadi Airport. This is a door to airport service only); Sea Freight -conditions apply (see note re sea freight)
Solomon & Vanuatu Cook Islands	TNT Global Express Sea Freight -conditions apply (see note re sea freight)
Nauru	Australia Post or TNT
Indonesia	TNT Global Express TNT Economy Express (Consignment must be in excess of 30kgs) via Singapore TNT Group Economy (Where schools consolidate their orders into a single consignment which is sent to a nominated freight forwarder in Singapore) **Consignments shipped directly to Indonesia from Australia, require an import license if they exceed 100kg in weight.

SCEE has sought to obtain the best possible delivery system taking into account, cost, speed, reliability and tracking ability.

Australia Post Air Mail is available as an alternative for all regions. However, transit times are generally longer and the service less reliable and no tracking service available.

SEA FREIGHT

Sea Freight is only economical for orders above a certain weight. For goods being sent to most South Pacific destinations including Indonesia and Singapore, your order will need to be above 40kgs before it even starts to become cheaper than air freight. For example, sending 40kgs will cost approximately the same by sea freight or air freight. This is because of all the administration charges applied to sea freight consignments in addition to cost of actual freight.

Sea freight is a good option for larger orders where transit times are not crucial. SCEE uses Vanguard Logistics for sea freight consignments.

Please contact the SCEE Office for a quote if you are interested in this option.

CUSTOMER SERVICE

RETURNS

1. SCEE accepts returns from customers for materials purchased **strictly within the last 12 months**. Materials must be returned in saleable condition, **unmarked**, unstamped, with no sign of shelf wear.
 - (a) A **20% RESTOCKING FEE** will be charged for each return with an ex GST value less than \$100.00. A 15% restocking fee applies to goods returned with a value over \$100.00 ex GST.
 - (b) OVERSEAS: Consider the costs of restocking and freight against the value of goods being returned.
 - (c) **NOT ACCEPTABLE FOR CREDIT ARE: SCORE KEYS, out of date (IE PACEs & Keys from an earlier edition) items, cassette tapes, videos, disks, CD's (computer software including web-based products) training materials, printed forms and individual components of sets or kits. Note: If a PACE Test is removed, or detached from the PACE this is non-returnable.**
 - (d) See Video Rental Policy for information concerning the return of rental videos.
2. **PROCEDURE**
 - (a) Find the invoice #, complete a Claim/Return form (located on the back of the order form) and send to SCEE.
 - (b) Properly wrap, tie, and tape the carton. Newspapers should not be used for packing materials as it smears the PACEs. Avoid clips and squeezing lots into small envelopes. Damaged goods may be refused for credit.
 - (c) Credit will be applied to the customer's account. When next ordering, check your account credit / balance with SCEE and deduct any credit from your order payment.

CLAIMS - Order Discrepancies

We take great care in filling, checking, and packing your order. Unfortunately errors can and do occur. We will endeavour to rectify errors as a matter of priority. Any errors in your order should be recorded on the **Shipping Adjustment Claim** form and returned to the SCEE Office. The Shipment Adjustment Claim form must accompany any queries concerning an order.

1. **INVOICE** - VERIFY WITH YOUR COPY OF THE ORDER UPON RECEIPT. PLEASE CHECK YOUR INVOICE AND ORDER CAREFULLY. IF THERE IS A PROBLEM RETURN THIS COMPLETED FORM TO US WITHIN 20 DAYS, **30 DAYS FOR OVERSEAS CUSTOMERS**. CLAIMS MUST BE FILED WITHIN THIS PERIOD OF TIME. NO ADJUSTMENTS CAN BE MADE AFTER 20 DAYS.

2. **MISSING / INCORRECT ITEMS** - Any errors in your order should be reported immediately to the SCEE office orders@scee.edu.au then complete a Shipment Adjustment Claim form (attached to the back of order forms) and post the forms to SCEE. Enclose the incorrect material items (if applicable).

**** **Overseas customers** MUST contact SCEE before returning any curriculum, info@scee.edu.au

It is vitally important that the adjustment claim has ALL the details relating to your claim; especially the complete information from the reference line on the invoice, the invoice number and your customer code. Do not send a new order in the same envelope as return items. Crediting of returns does not follow the same time line as order processing.

3. **ACCOUNT CREDITS** - Providing the error was a handling error (SCEE) and not an ordering error (you), write the cost of postage to return the items on the claim form before sealing the envelope. Where SCEE can establish an order error by SCEE, a refund of the postage amount can be credited to the customers account.
4. **DEFECTIVE MATERIALS** - Items will be replaced at no charge. Complete a Shipping Adjustment Claim form (located on the back of the order form) identifying the materials and type of defect. Send the form and the materials to SCEE. Your account will be credited for postage incurred in returning the materials. Indicate on the form whether you would like to have the materials replaced or credited to your account.
5. **LOST SHIPMENT** - If the shipment has been lost or shipped to the wrong location, the customer should contact the Despatch Department. If you have not received the correct number of boxes, wait two or three days and then call the Despatch Department. Multi-part consignments can become separated. **Do not sign** a delivery docket where the total number of boxes delivered does not correspond with the number of boxes indicated on the delivery docket.
6. **DAMAGED SHIPMENT** - Contact the SCEE office immediately.
7. **DAMAGED MATERIALS** - (determined AFTER opening shipment). Materials that have been altered or damaged by the customer cannot be accepted for credit. Indicate on the Shipping Adjustment Claim form (located on the back of the order form) the items damaged in shipment and send to SCEE

Note SCEE RECOMMENDS THAT FAMILIES MAINTAIN A RECORD OF ALL PAYMENTS, INVOICES AND CREDITS.

DO NOT send cash by mail

1. **TRADING TERMS** - Home School Families - full payment with each order.
2. **INVOICE TOTALS** - All invoice totals are to the exact cent. No rounding is performed.
3. **PAYMENT** - Forms of payment (in Australian Dollars) accepted by SCEE Ltd. are:
 - a. Cheque, Bankdraft or Money Order (in Australian Dollars)
 - b. Credit Card (Mastercard, Visa) see below
 - c. Cash - over the counter only.
 - d. For schools only -Telegraphic transfer (TT's) and Direct Debits (DD's)

Credit card purchases must include: Name on card; card number and expiry date. This advice must be included on each order which is to be charged to your credit card unless a current Credit Card Authority form is provided to S.C.E.E.

4. **TAX** - Prices from 1 July 2000 are affected by the Goods and Services Tax (GST). The GST is charged on invoices for goods sent within Australia ONLY. The tax is not included in the product list price and will appear as a separate item on your invoice. The total amount payable to SCEE is the price to customers plus GST.

The Australian Goods and Services Tax is not payable by Overseas customers. Check with your authorities regarding your obligations. Goods purchased within Australia for overseas destinations must LEAVE Australia within 60 days, after payment is received or from the day that the invoice is generated, whichever is the earlier to qualify for GST Exemption.

5. **STATEMENTS** - Statements are issued monthly. To track your account balance please keep invoices and credit notes and record the amount of payments made to SCEE.
6. **VIDEO RENTALS** - All videos are available on either a purchase or rental basis. Customers choosing to rent videos should carefully read the Video Rental Policy to understand how this procedure works. We do not encourage overseas customers to rent videos as this is a very expensive process when taking into account freight.

Videos are gradually being replaced by DVD's. DVDs are not available for rent due to the high risk of damage.

7. **PRICES** - Prices are subject to change without notice. It is the policy of SCEE Ltd. to keep prices as low as possible. Fluctuations in the exchange rate and the cost of goods overseas generally dictate price movements of our products.
8. **DETERMINING THE COST OF YOUR ORDER** - In order to accurately determine the cost of your order, you will need to refer to the SCEE Order Form for individual prices. Having totalled the value of all curriculum ordered, you must then refer to the relevant FPI Chart to determine freight, packaging and Insurance charges applicable to your order. Australian customers must add 10% (GST) to the total value of your order including freight. These details should be transferred to the appropriate columns on your order forms. If you are still unsure concerning how much to include after checking the Product Catalogue with the SCEE Order Form, please ring the office for help before submitting your order.
9. **FREIGHT, PACKAGING AND INSURANCE (FPI)** - Freight charts are supplied with order forms in each order dispatched. Minimum freight charges apply as per charts.

* Videos are gradually being replaced by DVDs. DVDs are not available for rent due to the high risk of damage.

PRICES

◆ **PRICES ARE PER UNIT UNLESS OTHERWISE INDICATED**

PRICES ARE SUBJECT TO CHANGE WITHOUT NOTICE: Refer to the SCEE Order Forms

RETAIL COSTS

Families currently registered with students enrolled in a SCEE / ACE affiliated organisation receive a subsidy on the PACE price.

ACTIVITY PAC

The **ACTIVITY PAC** is the section from the PACE that the student writes in.

Activity Pacs are included when PACEs are purchased. (ie they are contained within the PACE).

Additional copies of the Activity Pacs are available separately for certain PACE numbers, (eg. Science 1085 and above, and some Social Studies). ACE is gradually phasing out Activity Pacs. Where we can no longer supply the Activity PAC, we will automatically supply the PACE containing the Activity PAC at the PACE price.

RESOURCE BOOKS

Always check in advance whether the PACEs your student is working on does or does not require additional resources. See subjects and resource book list.

Specific to subjects and PACEs. Some are required while others are optional.

PACE SEQUENCE
See
Scope & Sequence

In upper level subjects (PACEs above 1078), the numerical sequence may not necessarily be followed. For example, in the case of Social Studies, once the State History series has been completed, most students should choose between World History (97-108) or World Geography (1097 -1108). Then they could go on to the Australian History PACEs 1-12. as the level of difficulty is the reason that this latter course should be attempted in this sequence.

For guidance on subject choices towards graduation, please consult certificate requirement forms or contact the distance education or homeschooling organisation your students are enrolled in for advice.

EXPANDED CURRICULUM

Includes Bible Reading, Literature & Creative Writing and Animal Science.

This is additional to Mathematics, English, Social Studies, Science and Word Building.

See Expanded Curriculum section.

BIBLE READING

Bible Reading PACEs measure and evaluate understanding of basic Bible knowledge, and do not cover denominational doctrines. A bold-typed Scriptural text is included in PACE's below the fifth level. Above that level, when focal and visual capabilities are greater, students are referred to the smaller print in their Bibles. Character cartoons illustrating Biblical principles are included. The text for levels two through eight will cover the entire Bible. Levels Five to Eight are not yet available. Level five will cover a combination of Old Testament and New Testament Parallel readings with activities that focus on Bible heroes. Each level consists of 12 PACEs and 4 keys.

Unit 2 – Projects

Scriptures to Memorize
(1 Corinthians 10:31)
Whether therefore ye eat, or drink, or whatsoever ye do, do all to the glory of God.
Romans 12:1,2
I beseech you therefore, brethren, by the mercies of God, that ye present your bodies a living sacrifice, holy, acceptable unto God, which is your reasonable service.
And be not conformed to this world, but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect will of God.

Teacher Initial _____

Recipe: Choose One

Whole-Grain Pancakes
1 cup buttermilk (if no) _____
1 egg _____
1/2 cup whole wheat flour (4 oz) _____
Mix milk and egg, then add dry ingredients. Stir with a wire whisk just until mixed. If making pancakes, heat pan first and then fry pancake in a thin layer of oil. If making waffles, heat waffle iron, then spray with non-stick cooking spray before putting batter in.

High-Fiber Hot Cereal
1 1/2 cups cold water (12 oz) _____
1/2 cup quick-cooking rolled oats (2 oz) _____
Place cold water, oats, brown, and salt in a heavy pan. Bring to a boil, stirring often. Turn off heat and allow to thicken. Stir again before serving. Sweeten as desired. Makes one large serving.

High-Fiber Meatloaf
1 pound lean ground meat _____
2 eggs _____
1 cup water (8 oz) _____
1 medium onion (1 cup chopped) _____
Mix meat, egg, water, and onion. Combine with dry ingredients and mix well. Place in foil-lined 9" square pan. Cover and bake at 350° for one hour. If using "hot" pan, bake only 45 minutes. Make six servings. For easier clean-up, use non-stick cooking spray or line pan with aluminum foil before putting in meat mixture.

Water

The Importance of Water
How long could you live without water? One answer to that question is, "A lot longer than you could live without water." You could live without food for a number of weeks, but only a few days without water.
In Unit One we listed the seven nutrients found in food. One of these nutrients was water. This may seem strange since water has no food value or calories. However, both the quantity and the quality of water you drink are extremely important for good nutrition.
Your body is about 60% water.
Your blood is about 90% water.
Ideally, you should drink eight or more eight-ounce portions of water each day.
Water has long been known as "the universal solvent" because it is used to clean so many things. For cleaning the inside of the body, most of us use a large quantity of water. We would not think of trying to feed ourselves to a couple of water for a bath! Yet many people are careless and underestimate their body's need of water to do its many life-sustaining duties. Consider these essential jobs that your body has to do:
In the process of perspiration, your body uses water to cool you off when you get hot. If you are physically active on a hot day, you may "sweat off" two or three cups of water.
In respiration (breathing) you use about two cups of water a day. When you exhale, the air you breathe out is 80% water. That's why you see people cleaning their eye glasses by breathing on them.
In digestion water is essential. In order to digest one meal, your body uses two or three quarts of water. Water is the substance that is used to soften and dissolve other foods. Then it is used to transport nutrients to the cells of your body. Water is also needed to carry off toxic byproducts of digestion.
For proper elimination, eating high-fiber foods – plus drinking plenty of water – is necessary.

1. You could live only a few _____ without water.
2. Both the _____ and _____ of water are important for good nutrition.
3. In the process of perspiration, your body uses water to _____ you off.
4. When you exhale, the air you breathe out is _____ water.
5. In digestion, water is used to _____ and _____ other foods.
6. For proper elimination, eating high-fiber foods plus drinking _____ of water is necessary.

A.C.E. CURRICULUM MANAGEMENT SYSTEM & READMASTER PLUS (School License)
Four distinct software programs on one CD

SCEE ORDER FORM PAGE. 13

A.C.E. CURRICULUM MANAGEMENT SYSTEM

ITEM CODE	DESCRIPTION
940015	READMASTER PLUS (License)

Readmaster Plus combines four software packages, previously only available as separate products (ie. Readmaster, Math Builder, Typemaster and Word Builder).

- ♦ With Readmaster, A.C.E.'s computerised reading program, students in all levels (1-12) can improve their reading rate and comprehension.
- ♦ Typemaster (levels 1-6) teaches computer keyboard skills. The touch typing program comprises six sections, each containing twelve complete tutorial lessons.
- ♦ Math Builder is a Mathematic Flash Card Program. Math Builder is designed to provide drill and practice in basic math concepts.
- ♦ Word Builder Vocabulary Software (Levels 2-8). Word Builder is designed to improve student vocabulary skills. The student evaluates proper spellings and meanings and learns to avoid common misspellings. Minimum instruction time is necessary.

The product purchase entitles the end-user to unlimited use of the program on a single machine for 12 months. The customer needs to send SCEE their activation code, which SCEE will forward to the ACE Order Desk and they will reply with the unlock code. At the end of the 12 months, the customer will have to pay the renewal fee (same as the original purchase price at this time) and ACE will send the new unlock code which will allow another 12 months of unlimited usage. It is important to realize that this license is good for 12 months from activation regardless of how much the program is used.

This is GOOD if the customer has a lot of children using the program.

The license is good for 1 machine only. If the program disc is loaded on 2 different machines, the license fee will have to be paid for both machines.

Note **SYSTEM REQUIREMENTS:** IBM Compatible Pentium (166MHz or faster) Windows 98E/ME/2000*/XP with Internet Explorer 4.0.1 or later. 32MB RAM. 100MB or more of free hard disk sPACE. CD-ROM Drive.. * update Windows 2000 to Service Pack 2).

VIDEO RENTAL POLICY

Note VIDEOS ARE GRADUALLY BEING PHASED OUT & REPLACED BY DVDS. DVDS ARE ONLY AVAILABLE FOR PURCHASE

SCEE ORDER FORM PAGE. 17

1. The rental period for any video will be 6 weeks. (Spanish 8 weeks)
2. All rental videos will initially be invoiced to the customer at full retail price. (Rental Fee and Deposit)
If you are paying by credit card or cheque, you need only include an amount covering the actual hire cost of the video (see below).
3. If a video is returned to the SCEE. office within 6 weeks of the date of the invoice, the customer's account will be given a credit for the deposit. eg: Biology 1097 (2 parts): \$60.00. If videos are returned within a 6 week rental period, a credit of \$50.00 (the deposit) will be given (\$10.00 being the rental fee for a 6 week period).
4. Additional Fees. If a video is returned beyond the 6 week period, the customer will incur a further fee of \$2.00 for each fortnight the videos are held beyond the initial 6 week rental period.
E.G. Biology 1097 (2 parts): invoiced initially at \$60.00 (Customer pays \$10.00 with order)
Videos returned within 6 weeks after date of invoice: Credit \$50:00
Videos returned 8 weeks after date of invoice: Credit: \$48.00 (Rental fee \$10.00 + \$2.00)
Videos returned 10 weeks after date of invoice: Credit \$46.00 (Rental fee \$10.00 + \$4.00)
5. If the videos are not returned within 90 days, it will be assumed the customer has decided to retain the videos. The full retail price is thus payable.
6. Note: The customer's responsibility is to return the rental video to the SCEE Office within the 6 week rental period if further fees are to be avoided.
7. Each video will carry a copy of the SCEE Video Rental Policy
8. A RENTAL SLIP will be included with each video being hired. This MUST be returned with the video. Failure to return the slip may result in no credit being given for the return. Each Rental Slip contains your customer Code and hiring dates.
9. Freight: All freight charges are payable by the customer.
10. Damaged or lost videos:
 - (a) If a customer receives a faulty or damaged video, notification must be given to SCEE as soon as possible after receiving the video. A new video will be issued and the loan period will be deemed to have commenced with the despatch of the replacement video.
 - (b) Damaged or faulty videos returned to SCEE without notification will be invoiced at full retail price to the customer.
 - (c) Videos lost by the customer will be invoiced at full retail price to the customer.
11. Copyright: The customer shall not under any circumstances make a copy or copies of any videos on loan to the customer.
12. Rewinding Videos: The customer will be expected to rewind all video tapes before returning them to the SCEE Office.
