Turbo Trader 2 Quickstart Manual

Turbo Trader 2 Quickstart

- Step #1 System Requirements
- Step #2 Installation Instructions
- Step #3 Overview

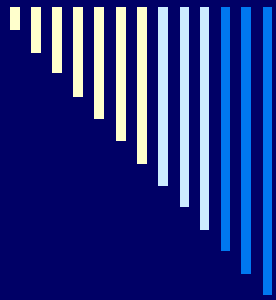

Step #1 System Requirements

- Microsoft Windows 2000/Windows XP/Vista
- 2.00GHz CPU
- 1 Gigabyte of Memory
- 15 Megabytes of free disk space
- 1024 x 768 Screen resolution
- High speed Internet connection

Step #2 Installation Instructions

Once you have both your User ID and Password, log on to the online portal to install the trading client. Please note that for your protection your User ID and Password will arrive in separate emails for installing the live client application. For the trial, your username and password will arrive in one email. From this email, do the following:

Click on the given web address: <https://www.rcgonyx.com/onyxweb>

Enter your User ID and Password

The screenshot shows a web form titled "Log In". It contains two input fields: "User Name:" and "Password:". Below the "Password:" field is a "Log In" button. At the bottom of the form, there is a link that says "forgot password?".

Click on the button

Download

Follow the on-screen prompts to install Turbo Trader 2

Completing Installation

- Once you have installed Turbo Trader 2, an icon will appear on your desktop, double click to start the application 
- For free trial users please select demo in the drop down menu. For the live trading clients, please select live.

Step #3 Overview

- Once you login, the toolbar will appear on the left side of your screen

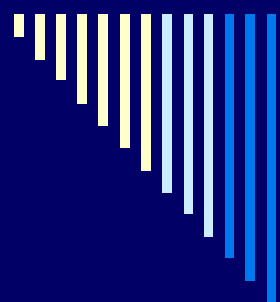

There are two ways to place a trade:

- By clicking on the Ticket button you may execute a trade from within the Ticket window, as shown below:

Account	Instrument	Order Type	Lmt Px	Stp Lmt Px	Side	Quantity	Exchange	GTD	Bid	Ask	Last
DEMO1401	6E / SEP07	Limit	1.3744	1.0000	Change to Sell	5	CME	7/10/2007	1.3742	1.3743	1.3743

- You may also execute a trade from within the ABV window

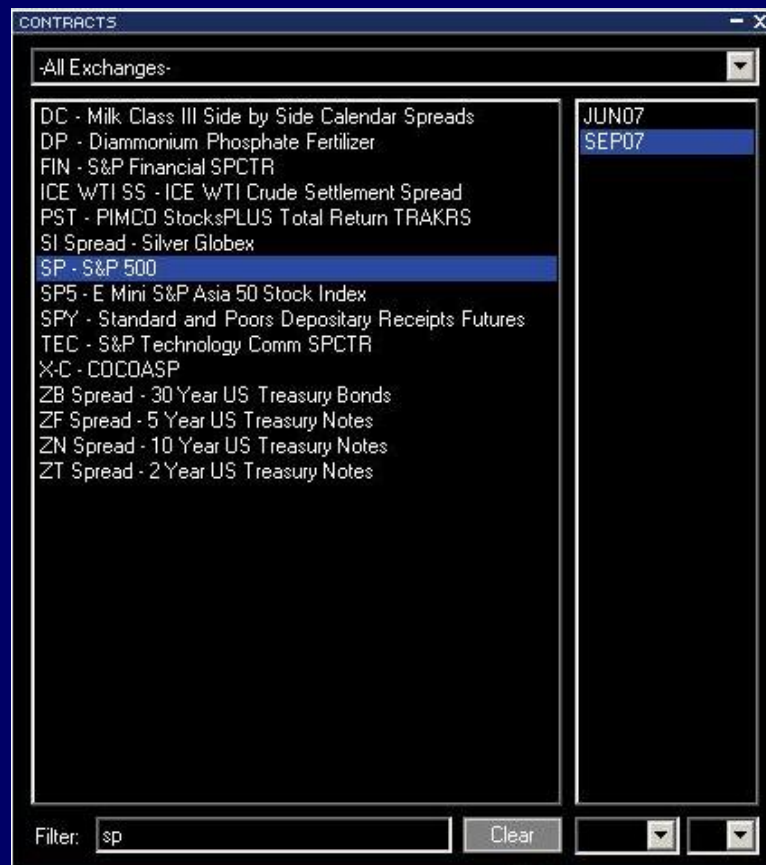

Click on the ABV Button: the ABV window will appear, which you will need to populate with the desired contract

Click the Contracts button from the toolbar, and select the product and month you would like to trade

Click on the Quotes Button and drag your contract into the quote window to view market data

Con...	CONTRACT	Bid Qty	BID	ASK	Ask Qty	LAST	NET	Last Qty	Lo...	High...	Total Qty	Open F
TRADE	eCBOT\ZB\JUN07	1	106.17	106.18	390	106.19	-0.09	10	106.14	106.30	12669	106.1
TRADE	CME\ES\SEP07	1080	1524.75	1525.00	716	1525.00	2.50	1	1518.50	1531.25	1119099	1521.0

Before placing a trade:

- Make sure to click the **Main** button on the ABV to ensure your account has populated the window

- Click the pad contract size

QUANTITY PAD		
1	5	10
20	50	100
200	500	1000
Zero		
Qty: 0	+	-

button and select

- The next slide shows how your screen will look

Layout Overview

The screenshot displays the Turbo Trader software interface. On the left is a vertical navigation menu with buttons for Quotes, Positions, Orders, Fills, Ticket, ABV, Contracts, Messages, Help, About, Settings, Layouts, Reports, Host, Price, and Exit. The main window is divided into two panes. The top pane, titled 'QUOTES', shows a table of market data for 'CME \ ES \ SEP07'. The bottom pane, titled 'ABV - CME \ ES \ SEP07 - 00000000', shows an order book with columns for Buy, BTQ, Bid, Price, Ask, Ther..., STQ, Sell, and Qty.

Con...	Instrument	Bid Qty	Bid Px	Ask Px	Ask	Last Fx	Net	Last	Low Px	High
TRADE	CME \ ES \ SEP07	193	1518.00	1518.25	967	1518.00	-7.25	25	1512.00	1525.75

Buy	BTQ	Bid	Price	Ask	Ther...	STQ	Sell	Qty
			1525.75		Center			
			1520.00					
			1519.75					
			1519.50					
			1519.25	2205				
			1519.00	1851				
			1518.75	1588				
			1518.50	938				
			1518.25	967				
	193		1518.00		0			323 (25)
	1099		1517.75					
	2968		1517.50					
	1942		1517.25					
	2699		1517.00					
			1516.75					
			1516.50					
			1516.25					
			1516.00					
	0		1512.00	-7.25				

At the bottom of the order book window, there are buttons for 'Cxl Buys' and 'Cxl Sells'. Below the main window, there are buttons for 'Main', 'Actions', 'Link', 'Pad', and 'Settings'.

Last Price

Displays last traded price.

Net Change

Displays the net change for the current trading session.

Toolbar Windows

Orders

View all working and filled orders. From the orders window you can cancel and amend orders. View the history of filled orders and filter by state, instrument, or side.

Toolbar

Open and close windows by clicking on the desired button.

Important connection status is displayed on the Host and Price buttons. Minimize the platform by clicking "Min."

Fills

View all orders filled for the current trade session. From the fill window you can reverse your position and filter your filled orders by account, instrument, or side.

Messages

Displays all the information exchanged between RCG Onyx® 2 and various data feeds.

The screenshot displays the Turbo Trader software interface. The main window is titled "ORDERS (FILTERED BY: TODAY)" and contains a table with columns: Controls, State, Account, Order ID, Instrument, Side, Qty, Price, Type, and Avg Px. The table lists several orders, some in a "Working" state. Below the orders window is the "FILLS (FILTERED BY: TODAY)" window, which has columns: Control, Account, Order ID, Instrument, Side, Fill Qty, Fill ID, Price, and Fill Time. It shows a list of filled orders, many with a "REVERSE" control. At the bottom is the "MESSAGES" window with columns: Date/Time, Urgency, Source, and Message. It shows a log of messages received from the "Host Server". On the left side of the interface is a vertical toolbar with buttons for Quotes, Positions, Orders, Fills, Ticket, ABV, Contracts, Messages, Help, About, Settings, Layouts, Reports, Host, Price, Exit, Min, and Flip. The "Host" and "Price" buttons are highlighted in green.
