

## User manual for online registration with the Online system

Please go online.

The following window pops up after typing in the URL "[www.sportlicht.net/event/login\\_DD.php](http://www.sportlicht.net/event/login_DD.php)".

Choose the German version by clicking on the German flag.

The screenshot shows a web browser window with the following elements:

- System Information:** System: Windows, Browser: Mozilla Firefox, Version: 3.6.15.NETCLR3.5.30729, Resolution: 1680 x 1050, Code: DE.
- Event Banner:** International Youth Diving Meet, 28.4 - 1.5.2011 - Dresden.
- REGISTRATION Header:** A blue header bar with the word "REGISTRATION" and a small German flag icon on the right.
- Login Form:** A form with two input fields labeled "Username:" and "Password:", a "Login" button, and a link "Forgot your password?".
- Footer:** A large empty rectangular box at the bottom of the page.

If you register yourself for the first time on this site please type in your three-digit country code in the **User** and **Password** column, e.g. POL for Poland or RUS for Russia.

If you have registered yourself on this site before please type in **User** and **Password** and confirm with **Login** button.

Another window will pop up where you have to fill in your data.

All columns have to be complete and precise. You have to log in again after retaining information.

Hello "Jamaica" please fill in user data first.  
Afterwards announce yourselves with your new data!

The screenshot shows a form titled "User data" with the following fields:

- Username:** jamaica
- e-mail:** jamaica@jamaica.com
- Password:** (masked with 6 dots)
- group:** Nation
- confirmation:** (masked with 6 dots)
- Buttons:** A "save" icon and an "accept" button.

Each nation can only be registered once.

If you have forgotten your password please click the "Forgot your password" button. You will receive an immediate email with your access data.

Please send an email to the following email address if you still have problems to log in.

[dive@sportlicht.com](mailto:dive@sportlicht.com)

After a successful log in you will get to the main window.

At first, choose "Athletes" menu item and fill in athletes data.

Secondly, choose menu item „Registration“ and register your athletes for the several competitions.

At third, select „Edit“ button and choose the relevant competitions, click on the "Save" button to save your choice and use the "Back" button to get back to registration.

Choose menu item "Lists" to fill in the athlete's diving sheets.

Please select the competition first and then fill in the diving sheets. If the diving sheet for Preliminary, Semifinal and Final does not change you can click on the "Take over" button to take over the diving sheet for Semifinal and Final.

Select menu item "Judges" to type in the names of the judges who have to score for the event.

Good luck for the competitions!
