Assembly Instructions:

- **Step One:** The first step to assemble The Traveler's Box is to remove the packaging.
- **Step Two:** Take the Main Case and Case Lid, and snap the pin on the Case lid into the hinge on the Main Case (See figure 1).

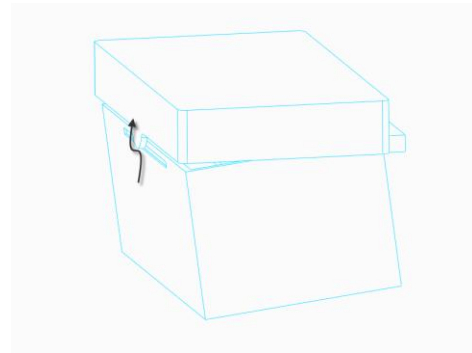

- **Step Three:** Remove the Removable Dividers from their packaging and place them in the slots of your choice (See figure 2).

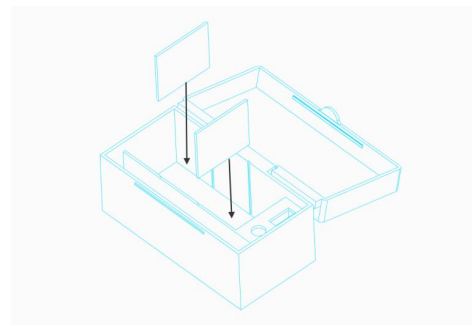

How to Use:

To open the box, simply pull and lift the lid so that the lip is removed from the case grove.

To fully utilize The Traveler's Box, you must configure the box to your desire. Lift the lid and open the box. Now allocate the removable dividers into the slots in whatever configuration you chose.

After The Traveler's Box has been assembled to your liking, The Traveler's Box is now ready for use!

Features:

- The Traveler's Box contains allocated spaces for a razor and toothbrush on the left side of the box. Other long items can be placed in the front section as well.
- Smaller items (such as floss, travel-sized toothpaste, shampoo, etc.) can be placed into the compartments divided by the removable dividers.
- To close The Traveler's Box, simply push the lid down until the lip on the lid locks with the grove on the case.

Maintenance:

To upkeep The Traveler's Box, occasionally remove all contents in the case and gently wipe all surfaces with some soap and water. You can remove the Case Lid from the Main Case for easier cleaning. Repeat this process for the exterior of the case and the removable dividers.

Warranty:

We guaranty that our case will hold all of your items effectively for three years. If any part of The Traveler's Box does not meet your satisfaction within this time, send it back and we will replace it free of charge.
