

## Prestigio Data Safe I

### Be Stylish Even in Data Storage

- leather covered body in black or brown colour
- 80, 100, 120, 160, 200 GB capacity
- hi-speed USB 2.0 interface
- latest technology 2.5" SATA drive inside

It's hard to find the perfect balance between quality, style and price. But Prestigio have successfully achieved this! Now you can enjoy sharing information with your brand new Data Safe I external hard drive. Its reliability and stylishness will definitely make you stand out in the crowd thanks to its attractive leather body. Prestigio Data Safe I can hold up to 200 GB of data but there are also even more attractively priced versions with 80, 100, 120, 160 and 200 GB capacity. Using this device is unbelievably easy – all you need to do is plug the USB cable into the port. This underlines the idea that the Prestigio Data Safe I is here to make your life better. The only thing to worry about is that all the rest will envy you.

## Prestigio Pocket Drive II

your data is so precious!

- palm-sized leather body in brown or black colour
- 30 GB, 60 GB or 80 GB capacity
- hi-speed USB 2.0 interface
- reliable 1.8" mobile drive inside
- Plug and Play
- One Touch Backup function
- Password-Secured Storage

There are many ways to store data. But this one will definitely make the difference in your world of style and glamour. Prestigio Pocket Drive is an extraordinary product for extraordinary people. It's so small that it usually stays hidden in your jacket or purse until you need to impress or simply to exchange information. Its leather covered body will leave an unmatched feeling.

Prestigio Pocket Drive grabs you with more than its looks. It can store up to 80 GB of information and transfer it really quickly. For a package that measures only 62x101x12 mm and weights only 110g that's more than impressive.

You simply get the best of modern technologies and that does look amazing!
