

# LAVOLTA™

— GREAT BALL OF LIGHT —

**Model: GBOL-1**

## **User Manual**

Please read the instructions carefully before use

### **WARRANTY:**

Lavolta products are warranted free from defects in material and workmanship for a period of one year from the date of purchase. Warranty registration is not required, but purchasers are asked to retain their receipt as proof of purchase. Warranty does not apply to misuse, abuse, neglect, accidental or improper use, etc. For complete customer satisfaction, Lavolta resellers are asked to act as agents for the purpose of handling warranty claims. Please return your Lavolta product to your place of purchase prepaid. Many Lavolta resellers require a return authorization (also known as an RA or RMA). Please contact your Lavolta reseller for more details.

## Safety Introductions

Please read the instructions carefully which includes important information about the installation, operation and maintenance of this product.

### WARNING

- Please keep this User Manual for future reference.
- Unpack and check carefully to see that there is no damage from transportation before using the unit.
- Before operating, ensure that the voltage and frequency of power supply match the power requirements of the unit.
- Disconnect main power before servicing and maintenance.
- Don't handle the unit by the LED Globe, always by taking the base.
- Maximum ambient temperature is 40°C. Do not exceed maximum temperature.
- In the event of serious operating problem, stop using the unit immediately. Never try to repair the fixture by yourself. Repairs carried out by unskilled people can lead to damage or malfunction. Please contact the nearest authorized technical assistance center.
- Do not connect the device to any dimmers. This may damage the unit.
- Do not touch any wire during operation as to avoid electric shock.
- To prevent or reduce the risk of electrical shock or fire, do not expose the fixture to rain or moisture.
- The housing must be replaced if there is visible damage.
- Do not look directly at the LED light beam while the unit is on.

### Caution

There are no user serviceable parts inside the unit. Do not open the housing or attempt any repairs yourself. In the unlikely situation your unit may require service, please contact your place of purchase.
