

Star Micronics TSP800

TSP800 E-Citation Printer

Star Micronics has the printing solution sought after in Public Safety and Law Enforcement for printing e-citations and summons. W-i-d-e Width paper capacity up to 4.4 inches provides ample room for legible e-citations printed at high speed thermal printing. The Vertical Mount Stand can be affixed to vehicle consoles for space savings, "drop in and print" paper roll replacement for time and convenience for effortless printing and delivery. This advantage allows the officer to keep watch on suspects while processing citations. The Mobile Power Supply Adapter for in-vehicle operation retains printing speed of 150 mm/sec every time the printer is in operation. The features and benefits all add up to simple and easy e-citation printing for law enforcement officers.

- No messy ribbon, ink or toner replacements
- Wide paper width of 4.4"
- Barcode printing
- Jam Proof Cutter is a Standard Feature
- External Paper Feed Slot for Fan Folded Tickets
- Quick Paper Replacement, "Drop In & Print"
- Low Power Consumption when in print and standby modes
- High Reliability (37 million lines of print, 1 million cuts)
- Connectivity in USB, Serial, Parallel and Ethernet
- 3 Year Limited Warranty at time of purchase (Extended Warranty Plans Available)

Fast, Silent Printing

The TSP800 E-Citation printer prints faster than any battery operated printers, produces output that is clearer than an inkjet printer, and it is smaller than a shoebox in size. The paper roll capacity is nearly 4 inches in diameter (about 500 tickets per roll). Print more tickets and change the paper less!

In addition, the TSP800 E-Citation printer will save you time and money, no printer consumables to purchase.

- High Speed 31 RPM (150mm/sec) barcode & ticket printer with autocutter
- Unique 3" to 4.4" print width
- Internal or external paper feed (external for large capacity or security applications)
- Compact Footprint
- "Drop in & Print" paper loading
- Includes Windows Vista™ "built-in" drivers (Inbox drivers)
- Vertical Mounting
