## **Integrated Land Information Service (INLIS)**

### **Property Title Information User Manual**

## 1 **Property Title Information**

This provides basic information on land such as tenure, area, property address, ownership, encumbrances such as caveats and mortgages and state land encroachment information where available.

Information can be searched using the following search keys:-

- Property Address
- Building/Development Name
- Postal Code
- Land Lot Number
- Multiple Land Lot Numbers
- Strata Lot Number
- Multiple Strata Lot Numbers
- Title Document Number
- Registered Lease Number
- Subsidiary Strata Certificate of Title Document Numbers in Range

## 2 Getting Started

- a) Click directly on the Product listed under Property Information on screen to search or click on Products to produce a drop-down menu display of other Products. Click on Property Title Information.

## INLIS - Property Title Information User Manual

- b) The system will bring you to the page as shown below. This page describes the functions of Property Title Information, provides FAQ and other useful hyperlinks.

The screenshot displays the INLIS website interface. At the top, there is a header with the SLA (Singapore Land Authority) logo, the INLIS logo, and a navigation bar with links: Home, About INLIS, Products, Getting Started, I need help, Terms & Conditions, My Transaction, and Licensed Services. A search bar is located on the right. Below the header, the main content area is titled "Property Title Information". It contains a paragraph explaining that users can obtain property details using address, lot number, title document number, postal code, or building/development name. It also mentions a graphical map search option. A section titled "Property Title Information" provides basic details on land tenure, area, address, ownership, encumbrances, and state land encroachment, with a link to a sample. A note states that users should click on one of the search keys located on the right. Below this, there are links for "Estate and Land Description", "Ownership Information", and "Encumbrances Information". A section titled "List Of Titles Issued for Properties In Developments Under Construction" provides links for searching by child lot (sorted by title number) and by development name. A "User Manual" link is also present. On the right side of the page, there is a "Begin Your Search Here..." section with input fields for Block/House Number, Street Name, Level Number, and Unit Number or Room Number, each with a "Go" button. There are also "Partial Name Search" buttons for the Street Name and Building / Development Name fields. At the bottom of the search section, there is a "Postal Code" field with a "Go" button and a "Land Lot No. Format" dropdown menu.

You can search for information using the following search keys under *Begin Your Search Here...* function.

- Property Address
- Building/Development Name
- Postal Code
- Land Lot Number
- Multiple Land Lot Numbers
- Strata Lot Number
- Multiple Strata Lot Numbers
- Title Document Number
- Registered Lease Number
- Subsidiary Strata Certificate of Title Document Numbers in Range

## 2.1 Search by Property Address

At *Begin Your Search Here...*, enter a valid **Property Address** and click **Go**.

The screenshot shows the INLIS (Integrated Land Information Service) website. At the top, there are logos for SLA (Singapore Land Authority) and INLIS. A navigation bar includes links like Home, About INLIS, Products, Getting Started, I need help, Terms & Conditions, My Transaction, and Licensed Services. A search bar is located at the top right. Below the navigation bar, the 'Property Title Information' section is highlighted. It contains text explaining how to search for property details using address, lot number, title document number, postal code, or building/development name. It also provides links for 'Estate and Land Description', 'Ownership Information', and 'Encumbrances Information'. A 'List Of Titles Issued for Properties In Developments Under Construction' section is also present, with links for searching by child lot (sorted by title number or development name). On the right side, the 'Begin Your Search Here...' form is visible. It has fields for Block/House Number (22), Street Name (Clove Way), Level Number, Unit Number or Godown Unit/Room Number, Building / Development Name, and Postal Code. Each field has a 'Go' button. There is also a 'Partial Name Search' button. A red circle highlights the 'Block/House Number' and 'Street Name' fields.

You can click on Partial Name search to ensure the spelling or existence of the Street Name entered.

Click on Submit to proceed.

This screenshot shows a web browser window displaying the 'Partial Street Name search' form. The browser's address bar shows 'http://www.inlis.gov.sg - Street Search - Microsoft Internet Explorer'. The form has a title 'Partial Street Name search' and a prompt 'Please enter Partial Street Name :'. Below this is a text input field containing 'Clove Way' and a green 'Submit' button. To the right of the browser window, a portion of the 'Begin Your Search Here...' form is visible, showing the 'Block/House Number' (22) and 'Street Name' (Clove Way) fields, along with 'Go' and 'Partial Name Search' buttons.

## INLIS - Property Title Information User Manual

If the Street Name entered is correct, the following screen will appear. Click on the Street Name to confirm and click on “Go”.

The screenshot displays the 'Property Title Information' web application in a Microsoft Internet Explorer window. The browser's address bar shows 'http://www.inlis.gov.sg - Street Search Result - Microsoft Internet Explorer'. The main content area is titled 'Partial Street Name Search Result' and indicates 'Number of Records Found : 1'. A table with one row shows the search result: 'CLOVE WAY' with a count of '1'. To the right of the search results, there is a sidebar with a search form titled 'Begin Your Search Here...'. This form includes input fields for 'Block/House Number' (containing '22'), 'Street Name' (containing 'Clove Way'), 'Level Number', 'Unit Number or Godown Unit/ Room Number', and 'Building / Development Name'. There are 'Go' buttons and 'Partial Name Search' buttons for each section. A shopping cart icon at the top right indicates '0 items available in the cart'.

## 2.1.2 Additional Search Options

If the Title Document Number selected is a title issued for properties in developments under construction, there will be an Additional Search Options page. You may select “Lodged against Whole of Lot” button or “Lodged against Child Strata Lot” button or “Lodged against Child Land Lot” button. If you select “Lodged against Child Strata Lot” button or “Lodged against Child Land Lot” button, you will have to enter the Child Strata Lot Number or Child Land Lot Number respectively. You may also click on “Display Address” button to retrieve the property address of the Child Strata Lot or Child Land Lot.

Lodgment date is optional. You may enter the lodgment date to narrow down the search. If only ON lodgment date is entered, only subsisting encumbrances that were lodged on the date entered will be retrieved. If only TO lodgment date is entered, subsisting encumbrances lodged up to the date entered will be retrieved. If a range of lodgment dates is entered, all subsisting encumbrances lodged between these dates (inclusive) will be retrieved. However, if the lodgment date is not entered, all subsisting encumbrances on the title will be retrieved.

To proceed, click ‘Submit’ button.

### Additional Search Options

- Please ensure that the child lot entered here is derived from the lot comprised in the Title entered or selected in previous screens to ensure correct search results.
- If the option "Lodged against Whole of Lot" is selected, only encumbrances lodged against the Whole of the Land Lot(s) comprised in the Title will be retrieved. Encumbrances affecting individual units will not be retrieved.

The first section, 'Title Document Number.', includes a 'Doc type.' dropdown menu set to 'CT', and empty input fields for 'Volume.' and 'Folio.', followed by a 'Go' button. The second section, 'Registered Lease Number', features two empty input fields separated by a slash, with a 'Go' button below. The third section, 'Title Document Number (SSCT)', is circled in red and contains 'From' and 'To' subsections. The 'From' subsection has 'Volume' set to '100' and 'Folio' set to '10'. The 'To' subsection has 'Volume' set to '100' and 'Folio' set to '25'. A 'Go' button is located at the bottom right of this section.
