Wireless Audio

Outdoor BTP04 ADVENTURE PACK - Bluetooth® Portable speaker

- IP64 -Water, dust, shock-resistant
- Built-in mic
- Complete accessories pack

DESCRIPTION

- **IP64-certified wireless speaker: water- and dust-resistant**

+ complete pack of specially-designed accessories.

- Perfect for enjoying all of your activities and **outdoor adventures** with your **favorite music!** Your music will follow you anywhere, **without missing a beat:** at the skate park, on the beach after surfing or kiteboarding, on your bike trips, hikes, or while you're skiing!
- **Single-unit stereo speaker.**
- **Enjoy audio clarity:** two active wideband drivers, plus one passive bass-amplifying driver.
- *Bluetooth*® 2.1 + EDR (A2DP) wireless technology.
- Compatible with *Bluetooth*® devices: mobile phones and smartphones, tablets, computers (Windows® Vista / 7 / 8, Mac® OS X®).

- Includes on-the-go **charging gear.** Speaker provides more than **14 hours** of battery life.
- Rubber end-pieces for enhanced **impact resistance**, and double protective grille for drivers.
- Built-in microphone lets you enjoy **hands-free calling.**
- On/Off switch and 1/8" / 3.5 mm mini-jack Line input plug.
- Easily connect WAE* Outdoor BTP04 speakers to one another, using the included USB cable.
- *Bluetooth*® receiver mode lets you use the *Bluetooth*® function with a stereo system (or any other audio system). Listen to the music stored on your *Bluetooth*® device on your favorite stereo!

Includes:

- Secure tether hook, wrist-strap, snap hook.
- Standard-size screw thread for easy mounting (examples: tripod, suction cup mount, bike mount, etc.).

Ready for any kind of adventure:

- **Car cigarette-lighter charger:** lets you charge your speaker on the drive to get where you're going.
- **Suction cup mount:** features a 90 mm suction cup, letting you attach the speaker to any flat, smooth surface (glass, flat panels...).
- Super-tough bike mount: designed to withstand the vibrations from a motorbike!!
- **Exclusive backpack attachment clip:** created by Hercules for extreme use.
- Both mounts and the backpack attachment clip are perfect for outdoor use, thanks to their water-resistant components.
- **Large carry bag, with two compartments:** lets you store the speaker and its basic accessories on one side, and the mounts, backpack attachment clip and car cigarette-lighter charger on the other.
