### Infrared Quartz Powerheaters - Duraflame

---

This versatile new rolling mantel was beautifully designed to match any home. The mantel features a crown molding top with matching 3-sided base molding. A new SpectraFire, blue flame insert with Infrared heating technology sits in the center and is perfect for zone heating. It's low on energy use, so you can turn down the thermostat this winter. The Infrared Mantel can also be enjoyed without heat for all season enjoyment. Four casters adorn the bottom of this mantel, providing easy mobility from room to room. Framed in high-quality solid hardwoods and real wood veneers this elegant piece comes in two stunning hand created finishes: Premium Oak and Meridian Cherry.
